

WUEZ-FM ISSUES AND PROGRAMMING LIST

Filed (07/10/2015), for the 2nd Quarter April- June2015

Program: Week In Review

Date/Time: 06/14/15 6:10am

Length: 21 min

Issue: Breast Cancer

Issue: Dr. Nova Foster (Southern Illinois Healthcare)

Synopsis: The American Cancer Society predicted a 50% increase in Breast Cancer between 2011 and 2020. Dr. Nova Foster gives listeners tips as to what causes Breast Cancer, when women should begin having mammograms, the benefits of early detection of Breast Cancer, how genetics play a role in a person's risk of developing the disease, and how to identify those who are more at risk of developing.

Program: Week In Review

Date/Time: 06/14/15 6:30am

Length: 20 minutes

Issue: New Drugs

Issue: Tom McNamara (Southern Illinois Enforcement Group)

Synopsis: In certain areas of our country, a new drug is starting to become popular. This drug, called Flakka (or gravel, from general appearance), is also extremely dangerous. Tom McNamara with the Southern Illinois Enforcement Group, sits down with Tom Miller to discuss the effects of Flakka on the body and brain as well as how easy it is for a person to overdose on Flakka.

Program: Week In Review

Date/Time: 06/28/15 6:50 am

Length: 9 min

Issue: Homelessness

Issue: John Barnett (President of Williamson Co. Habitat for Humanity)

Synopsis: Home in the United States is not like any other place in the world culturally. John Barnet, President of the Williamson County Habitat for Humanity sits down with Tom Miller to discuss the effort put into building these homes, including building donations, fundraising, and how it is misunderstood in the sense that the group is not simply giving a person or family a a home, but instead the person or family make affordable payments, and how those who receive a home also take part in the construction of theirs or someone else's home
