Subject: Retransmission Consent Election

Dear Bob:

Pursuant to Section 76.64 of the Rules and Regulations of the Federal Communications Commission, 47 C.F.R. § 76.64, and on behalf of its broadcast television stations (the "Stations"), included those listed on Exhibits A & B hereto, Entravision Communications Corporation ("EVC") hereby elects retransmission consent status for the Stations on the cable systems of Cox Communications, Inc. ("Cox") for the period beginning on January 1, 2006, and ending on December 31, 2008. It is our intention that this election be effective as to all of Cox' cable systems, including those specified on Schedule 2 to this letter (the "Systems"). Such retransmission of the Stations will be governed by the terms of the existing EVC Retransmission Consent Agreement dated as of July 29, 2004 between Cox and the Station Group, and this election is not intended to alter the rights and obligations of the parties under that agreement.

Each of the Stations is also sending a copy of this election letter to the applicable Systems. Please contact me immediately at 858-503-6019 if you have any questions concerning these elections.

It is our desire to have excellent relationships with all of the cable system operators within our Stations' markets. We look forward to continuing the mutually beneficial relationship with your company.

Very truly yours,

ENTRAVISION COMMUNICATIONS
