RE: Station KDGS(FM), Andover, KS (Facility ID No. 70266)

Dear Ms. Goldin:

Audacy License, LLC¹ (formerly Entercom License, LLC) (“Audacy” or “Licensee”), licensee of Station KDGS(FM), Andover, KS (Facility ID No. 70266) (the “Selected Station”) hereby submits the information and materials concerning the Selected Station’s EEO program requested by the Federal Communications Commission (“Commission”) described in the letter dated October 30, 2023 from the Enforcement Bureau to the Selected Station (“EEO Audit Letter”).

Audacy provides information as requested in the EEO Audit Letter for its Station Employment Unit (“Employment Unit”) that in addition to the Selected Station includes the following stations (each a “Station,” and collectively, the “Stations”):

<u>CALLS</u>	<u>TYPE</u>	<u>FAC. ID.</u>	<u>CITY OF LIC.</u>	<u>STATE OF LIC.</u>
KEYN-FM	FM	53151	Wichita	KS
KFBZ	FM	53153	Haysville	KS
KFH	AM	53598	Wichita	KS
KNSS	AM	53152	Wichita	KS
KNSS-FM	FM	23292	Clearwater	KS

In compiling the requested information and materials, the Licensee relied upon an examination of its files and records and due inquiry of current employees who are knowledgeable of employment related issues at the Employment Unit.

The responses below refer to question numbers as they are set out in the EEO Audit Letter.

¹ On March 30, 2021, Entercom License, LLC changed its name to Audacy License, LLC.

Question 2: Audit Data Requested

Question 2(b)(i): EEO Public File Reports

The Employment Unit’s two most recent EEO Public File Reports, which include the reports from the 2021-2022 (“Year 1 EEO Report”) and 2022-2023 (“Year 2 EEO Report”) reporting periods are attached at Exhibit A. In preparing this response, Licensee discovered that the Year 2 EEO Report for the Stations was inadvertently uploaded to the public files for the incorrect stations. Licensee uses Broadcast1Source’s e-PIF product to assist with public file uploads. e-PIF allows a document to be uploaded to multiple stations’ public file simultaneously. The Year 2 EEO Report was timely prepared and timely posted to the Stations’ websites. However, due to an inadvertent oversight, Licensee accidentally uploaded the Year 2 EEO Report to the public files for Rochester stations operated by an affiliated employment unit. A screen shot showing the February 1, 2023 upload is below. As soon as Licensee discovered the error, it uploaded a copy of the Year 2 EEO Report to the public file for the Stations.

Created a file Rochester 2022-2023 Public File Report.pdf	Equal Employment Opportunity Records/Additional Documents/EEO Public File Reports	02/01/2023 2:43 PM

Question 2(b)(ii): Station Websites

The Employment Unit’s most recent EEO public file report is linked to each Station’s website pursuant to Section 73.2080(c)(6). The Stations’ websites are as follows:

<u>Station</u>	<u>URL</u>
KDGS-FM	https://www.audacy.com/power935
KEYN-FM	https://www.audacy.com/keyn
KFBZ-FM	https://www.audacy.com/1053thebuzz
KFH	https://www.audacy.com/kfh
KNSS-AM/KNSS-FM	https://www.audacy.com/knss

Question 2(b)(iii): Hire Dates and Vacancy Notices

Each full-time hire for the Employment Unit is listed on the Employment Unit’s EEO public file reports, pursuant to Section 73.2080(c)(5)(vi). The dates of hire for those vacancies are included at Exhibit B.

It is the Employment Unit’s policy to send out a notice to its list of recruitment sources each time a new vacancy is created. A list of sources is included with the EEO public file reports

attached at Exhibit A. As noted in those reports, the list of recruitment sources includes Direct Employers Association. When a job requisition is approved by the appropriate manager, the Employment Unit's job tracking database automatically sends the vacancy notice to Indeed, Glassdoor, Monster, Recruit.net, LinkedIn, and Direct Employers. Direct Employers then further distributes those notices to its Job Syndication Alliance, which includes over 150 outreach organizations. Copies of job vacancy announcements are included at Exhibit C. It is the Employment Unit's practice to retain copies of all notices sent to all sources used.

No organizations contacted the Employment Unit directly to request job openings, pursuant to Section 73.2080 (c)(1)(ii).

Question 2(b)(iv): Interviewees

The total number of interviewees for each vacancy and the referral source for each interviewee for all full-time Unit vacancies filled during the period covered by the above noted EEO public files and in accordance with Section 73.2080(c)(5)(v) are included at Exhibit B.

Question 2(b)(v): Supplemental Recruitment Initiatives

The number of initiatives performed by the Employment Unit during the reporting period exceeds the requirement pursuant to Sections 73.2080(c)(2) and (e)(3).

Documentation demonstrating performance of the completed initiatives pursuant to Section 73.2080(c)(2) including specified Unit personnel involved in the recruitment initiatives is included at Exhibit D.

The Employment Unit has 16 full-time employees. The population of the market in which the Employment Unit operates is greater than 250,000. The Employment Unit is required to perform four recruitment initiatives within each two-year period.

Question 2(b)(vi): Discrimination Complaints

A list of pending or resolved complaints alleging unlawful discrimination in the employment practices of the Employment Unit that have been filed before any federal, state or local governmental body during the Stations' current license term is set forth below.

Johnny Starks claimed harassment on the basis of gender / sex and retaliation; charge dual filed with EEOC (Charge No. 563-2022-03179) and Kansas Human Rights Commission (Case No. 44076-23) on / around August 29, 2022. The matter settled in December 2022.

Question 2(b)(vii): General EEO Program Requirements

The management of the Employment Unit actively works to ensure effective implementation and enforcement of its equal opportunity and nondiscrimination practices and policy. The SVP/Market Manager for the Employment Unit is ultimately responsible for ensuring that the Employment Unit is implementing its EEO program. The SVP/Market

Manager works with the Licensee's corporate parent's Human Resources ("HR") and Talent Acquisition ("TA") teams to ensure that vacancies notices are widely disseminated. The Employment Unit's TA associate, in consultation with HR, is responsible for preparing the Unit's annual EEO public file report. In addition, all managers are required to follow Licensee's EEO program.

Pursuant to Section 73.2080(b), the Employment Unit uses a variety of methods to inform both current employees and job applicants of its EEO policies. Employees are notified of all job vacancies and are encouraged to refer candidates. The Employment Unit informs applicants of the EEO policy immediately by including a description of its nondiscrimination policy on the cover of each application for employment. All of the Employment Unit's printed advertisements and on-air announcements regarding job vacancies state that it is an Equal Opportunity Employer. The EEO policy is also posted at the Employment Unit's office for applicants and employees to read. Additionally, through the Company's Anti-Harassment – Matter of Respect Training which is conducted online every other year, employees are reminded of the EEO policy.

Questions 2(b)(viii): Employment Unit Self-Assessment

The Employment Unit conducts evaluations of its EEO recruitment program, pursuant to Section 73.2080(c)(3), to ensure its outreach efforts are reaching all segments of the communities served by the Employment Unit. The Employment Unit conducts these evaluations annually at the time its EEO Public File Report is placed in the public file. Representatives of the Employment Unit work with staff from Licensee's corporate parent to review and analyze recruitment data and the recruitment source list to assess the effectiveness of the Employment Unit's recruitment sources.

In 2020, Audacy engaged Broadcast1Source, a third party vendor that created a software service to help broadcasters comply with their EEO obligations. The use of this software not only helps to ensure timely distribution of all job notices, the recording of these notices and relevant outreach efforts, but it also assists Licensee's stations, including those in the Employment Unit, with the assessment of its EEO recruitment program.

If Licensee's assessment ever indicates that modifications would be necessary to ensure broad outreach, the Employment Unit will add new recruitment sources and delete ineffective recruitment sources. The Employment Unit will also increase its efforts to advise community organizations involved in assisting job applicants of its job vacancies and EEO policy and the Commission's outreach requirements.

Questions 2(b)(ix): Employment Unit Self-Assessment

In addition to regularly assessing its outreach efforts, the Employment Unit also annually analyzes the effectiveness of its EEO practices and policies to ensure that they do not have a discriminatory effect, pursuant to Section 73.2080(c)(4). Licensee, in conjunction with its corporate parent, reviews, examines and monitors employee compensation and employment practices. Through this examination, the salaries of all Audacy employees are compared to

determine whether all employees were treated equally. If any salaries appear to be unusually high or low, an investigation will be initiated to determine the cause.

Licensee's corporate parent has also established procedures regarding the payment of benefits and the awarding of promotions to ensure that all employees are treated equally. All of the Employment Unit's non-union full-time employees are offered identical benefits, and the Employment Unit makes all selection and promotion decisions based solely on the skills, ability and experience of the applicant – race, color, religion or religious creed, sex/gender (including pregnancy, childbirth, breastfeeding, or related medical conditions), sexual orientation, gender identity, gender expression, national origin, ancestry, age (over 40), physical or mental disability, medical condition, genetic information, marital status, military or veteran status, or other classification protected by applicable federal, state, or local law – are not considered.

There are no union agreements applicable to employees of the Employment Unit.

Question 2(b)(x): Religious Broadcaster

Not applicable. Licensee is not a religious broadcaster.

Questions 3 & 4: Time Brokerages

Not applicable. No Station in the Employment Unit is subject to a time brokerage agreement.

CAUTION: This email originated from a source outside Entercom. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning!

Thank you for accepting our invitation to participate in the upcoming **KansasWorks Statewide Virtual Job Fair**. The Virtual Job Fair will take place starting **Tuesday, February 23rd at 8 am through Thursday, February 25th at 5 pm**. Employers are welcome and encouraged to log in and engage job seekers with the Live Chat function any time during the event as your schedule allows.

Since you have previously participated in the virtual job fair platform, your booth is already set up as you last left it and may only need slight updates, if any.

Your user name and password will be the same as before. However, if you need that information, feel free to contact me.

As before, we recommend that you have at least 1 job posted under the Jobs section of your virtual booth. Otherwise, when job seekers look at your booth logo in the Pavilion, it will say 0 jobs and may discourage job seekers from going into your booth.

As a reminder, to access the content manager to revise anything within your booth, login with your username and password here:

<https://kansasworksvirtualjobfair.easyvirtualfair.com/backend/>

You may preview any changes to your booth by going to:

<https://kansasworksvirtualjobfair.easyvirtualfair.com/DEMO>

Once the event is live the URL will be: <https://kansasworksvirtualjobfair.easyvirtualfair.com/>

For the Chat Function, which is available only when logged into your booth, you will still have access to the same 10 Chat logins as before.

Additionally, in case you missed it or would like a refresher, here is a link to a recording of a recent Zoom booth and chat training event:

<https://youtu.be/i8fxtnCnQqs>

As always, feel free to contact me with any questions or concerns, however, keep in mind that we close at Noon on Fridays.

Dear Sabrina,

We would like to sincerely thank you for being a part of last week's **Spring 2021 Employing U.S. Vets Virtual Conference** on April 15th. Our team is humbled to have received over 800 registrations and very positive feedback. It was a true pleasure to welcome you to this semi-annual conference, focused on best practices in veteran and military spouse employment. We are incredibly grateful for all of the speakers, moderators and panelists, who generously shared their time and expertise with conference attendees.

A special thank you to all of our conference sponsors: Mass Mutual, USAA, Fiserv, Comcast NBCUniversal, Oracle, Bob Woodruff Foundation, JUST Capital, Amazon, ETF Global, Five9, AmeriVet Securities, SHRM, New York City SHRM, General Dynamics Bath Iron Works, and Summit Companies. We could not have done it without their support and we encourage your organization to consider sponsoring in the future. Due to technical challenges, our sponsor Comcast NBCUniversal was not able to make their lounge remarks, so we ask you to please review the attached materials from them including the SHRM Veterans at Work Certificate, of which they are founding sponsor.

Please keep an eye out in the coming weeks for more information about the **VETS Indexes Employer Awards Presentation** (<https://vetsindexes.com/employer-awards/>), which will be held virtually on **Thursday, May 20th at 2:00pm ET**. Save your spot and register now to join us here: https://zoom.us/webinar/register/WN_KUbgBg5EQXO5qJS84eWPHA.

Please also mark your calendar and expect an invite in the coming weeks for the upcoming **Fall 2021 Employing U.S. Vets Virtual Conference on October 14, 2021**. Registration is open on the conference website. The Spring 2022 Employing U.S. Vets Conference has also been scheduled for April 14, 2022, in-person at the New York Athletic Club.

If you were unable to join us or just want to review all the fantastic content, please take a moment to review the recordings of our recent Conference, along with the impressive speakers and agenda on the event site at EmployingUSVets.com.

Thank you once again, and we look forward to speaking soon!

All the best,
Nicholas

Subject: Mandatory Training for Hiring Managers - EEO Requirements

Importance: High

Dear Audacy Managers,

Those responsible for making employment-related decisions must attend a mandatory training that covers the rules we must follow as a radio broadcasting company and federal contractor when it comes to recruitment, hiring, promotions, demotions, terminations and more, to ensure we uphold our equal opportunity policies and procedures. This annual training on the FCC and OFCCP EEO requirements is for all individuals responsible for making hiring decisions, or other decisions as they relate to an employee's life cycle.

We anticipate the training will last approximately 30 minutes, but will allow extra time for questions.

Please register for one of three sessions being offered:

- Tuesday, August 3rd at 1:00PM ET: https://audacy.zoom.us/meeting/register/tJIof-uqrDIHtPjLIZS1II_s-YYv5dM24em
- Wednesday, August 18th at 3:00PM ET: <https://audacy.zoom.us/meeting/register/tJ0kf-6qrjgoHtKnAQVXNz1mJ0gThxu1Vsol>
- Tuesday, August 24th at 10:00AM ET: <https://audacy.zoom.us/meeting/register/tJItd-yuqT8qHdU0FOtx60vIFz4pdYv1el90>

If you have any questions, please let me know.

Thank you!

For those of you who have previously participated in the virtual job fairs we have offered over the course of the last year, please note that we are using a **NEW job fair platform** that we believe will be easier for both employers and job seekers to use going forward, based on employer and customer feedback from other virtual events held in the new platform.

On the Registration Page you will find a video offering step-by-step instructions for registering and creating your virtual job fair booth. There will be sub-events offered during registration that will allow you to choose which areas in Kansas that you want your booth to be available – you can choose any or all if you wish: Western and Central Kansas, Northeast Kansas, KC Metro Area, South Central Kansas and Southeast Kansas.

We look forward to working with you in this virtual platform! Feel free to reach out to your Business Service Rep with any questions or call Mary Mann, Business Services Supervisor, at (316) 771-6626.

Thank you!

Dear Sabrina,

We would like to sincerely thank you for being a part of last Thursday's **Fall 2021 Employing U.S. Vets Virtual Conference**. Our team is humbled to have received over 980 registrations and very positive feedback. It was a true pleasure to welcome you to this semi-annual conference, focused on best practices in veteran employment. We are

incredibly grateful for all of the speakers, moderators and panelists, who generously shared their time and expertise with conference attendees.

A special thank you to all of our conference sponsors: AppreNext, MassMutual, USAA, Comcast NBCUniversal, Oracle, Spectrum, AmeriVet Securities, Drexel Hamilton, ETF Global, Jacobs Engineering Group, and Roberts & Ryan. We could not have done it without their support and we encourage your organization to consider sponsoring in the future.

- Please keep an eye out in the coming weeks for more information about the **2022 VETS Indexes Employer Awards Survey**, which will open on November 1, 2021. Register to participate here: <https://vetsindexes.com/employer-awards/>.
- Please also mark your calendar and expect an invite in the coming weeks for the upcoming **Spring 2022 Employing U.S. Vets Conference**, which will be held, in person, on April 14, 2022 at the New York Athletic Club.

If you were unable to join us or would like to watch all the fantastic content again, please take a moment to review the recordings of our recent Conference, along with the impressive speakers and agenda on the event site, at EmployingUSVets.com.

Thank you once again, and we look forward to speaking soon.

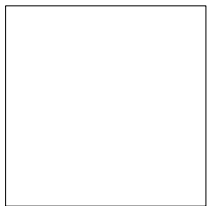

Have a great day!

Hello

You have been assigned the following required training. This training is mandatory for all employees. Please complete it before the due date.

Title: Unconscious Bias: An Introduction

Due Date: 1/12/2023

Access the training via Single Sign On using your Audacy Email Address and Password: <https://sai360->

[sod.com](https://sai360-)

If you forgot your password, you can use the "Forgot Password" link on the Log In page to reset it. This will only work for those accessing the site not using SSO.

ADDITIONAL INFORMATION:

- This training may be accessed through your smartphone or tablet, as well as desktop or laptop computer.
- You should coordinate with your manager to ensure you are able to complete this training during your normal scheduled shift, if possible. You must work with your supervisor to avoid unnecessary overtime. If you fill out a timesheet, you must include the time spent on training on your timesheet should you be unable to complete it during your normal scheduled shift
- You have the option to take the course in increments. If you exit from the course, your completed work will automatically be saved for you until you return. Please be sure to logout of the course if you are unable to complete the course in one sitting. This is to ensure that the bookmarking is functioning appropriately. If you allow your browser to sit idle for too long, the bookmarking function may disconnect resulting in lost progress. Please note that this does not include exiting while completing the final quiz.
- To go back into the course, you can access it through AudacyAtWork by going to the MyHRCompliance Training app (go to the Apps section on the left side of AudacyAtWork) or by following the prompts in the invitation email.
- After successfully completing the course, you will be able to print a completion certificate. Please keep the certificate as proof of your completion course.
- The learning management training system is **not** compatible with **Internet Explorer**. Please utilize Google Chrome, Firefox, Edge or Safari to access the training.

If you need further assistance, please place a ticket in Zendesk under Audacy Team Services.

Thank you.

Program Features

Academic Year

These components augment instruction provided by schools and foster care facilities. Activities include: mentoring, counseling, workshops and visits to postsecondary institutions and community businesses. These visits reinforce our student's educational pursuits. Student's progress in instruction, mentoring, and workshops is assessed monthly.

Summer Programs

Summer activities allow students to keep up with classmates, advance skills, build confidence and progress toward their goals. Postsecondary prep, mentorships, reading, math, English, career and computer instruction are offered. Students are encouraged to apply for TRIO, Health Careers Opportunity and other programs that support their development

Saturday Activities

Saturday schedules include college and career field trips. Staff and volunteers offer innovative instruction to excite students about education. Special banquets and sessions with guest presenters are held for academic and social enrichment, as well as to recognize individual student and collective achievements.

College Prep

Planning packets with instructions on college admissions and financial aid are designed for middle and high school students. Parents and students receive technical assistance—one-on-one and in groups—for test prep, college application completion, developing essays and strategies for handling college interviews.

Mentorships

Through mentoring, students are able to interact with individuals who support and encourage their educational, career and personal goals. Project and partner agencies provide training to mentors, who include university students and community volunteers.

Cultural Activities

Cultural enrichment activities enhance student social and emotional growth. These activities integrate social and cultural events, allowing students a sense of pride in their cultural backgrounds and an understanding for other populations.
