

Q1 2023
Local Issues Programs
Programming WZXZ-CD

WZXZ-CD weekly plays 3 hours a week of local programming that includes local weather, traffic conditions, local sports, local calendar of events and missing children for the area that are updated in real-time.

Schedule for local programming:

| Date | Time | Length | Program Title | Community Issues |
|------------------------|---------|---------|---------------|---|
| 1/1/2023- 3/31/2023 | 6:30 am | 30 mins | Local Update | Local weather, traffic, sports, local calendar of events and AMBER alerts |
| | 3:30 pm | 30 mins | Local Update | Local weather, traffic, sports, local calendar of events and AMBER alerts |

We believe this content keeps the local communities informed of their local events that can enrich their lives thereby bringing the communities close together.
