Local Issues Programs
Programming WZXZ-CD

WZXZ-CD rebroadcasts City of Orlando city council meetings Monday, Wednesday and Friday for a total of 6 hours. This schedule may change depending on the length of the content.

We are committed to offering a platform for locally produced programs including the broadcast of several church services of varying denominations. The station avails itself to anyone who wishes to air any locally produced material suitable to broadcast and will continue to work with the public to ensure that the needs of the community are being met. We feel that not only does this type of programming meet the Commission's requirements for locally produced programming, but it can also address issues that affect the community.
