

Issues/ Programming lists
2017 Quarter 3

WZXXZ-CD continued to air meetings of the City and County Government Board of Commissioners during this quarter. These meetings are held on most Tuesdays Commencing at 9:00 AM. The business of the local government is of great interest to the community which WZXXZ serves this locally produced programming covers many issues of significant importance to the viewers of the station.

Some of these include:

Local Government Administration, Local Government Services, Emergency services information, Parks and Recreation Information and other government and service related issues that affect the citizens of WZXXZ's service area. WZXXZ realizes the importance of a broadcaster's responsibility to its viewers and will continue to air this type of programming with the goal being to educate, inform and entertain its viewers.

Rebroadcasts of these programs air regularly on WZXXZ on Sunday from 7am -10am. The local programming schedules will most likely change during the next quarter as the station will begin airing a new primary network. While the station would like to keep the schedule as is, it may not be possible. In the event that the schedule changes, the viewers will be notified of the new schedule.
