### Public Affairs Programs

**RADIO HEALTH JOURNAL:** A 30-minute syndicated radio magazine of in-depth public affairs. It looks at economics, government reform, consumerism, education, substance abuse, domestic and child abuse, urban/rural problems, poverty, food safety, etc. Broadcast Sundays at 5:30AM.

**GREEN COUNTRY SPEAKS** A program hosted by KMYZ on-air personality Chuck Stikl every Sunday Morning at 6:00AM. It tackles a wide range of topics that include charitable organizations, politics, social action, family, the arts and culture, health, family issues, nature and the area we live in.

### Quarterly Issues/Programs List

3rd quarter of 2021

KMYZ-FM / Pryor, OK

The following is a list of programs aired that have provided the station's most significant treatment of community issues.

<b>DATE</b>	<b>Time</b>	<b>Duration</b>	<b>Topic</b>	<b>Issue</b>	<b>Description</b>
7/4	6:00	12:43	<b>WHEN POLICE AND TRAUMA CARE COLLIDE</b>	police, law enforcement, and criminal justice; ethics; public health and safety	Many patients arrive in the emergency room as a result of violence or car crashes—events in which police have an investigative interest. Sometimes, police duties clash with trauma care, and priorities are hashed out case by case, sometimes on the spot. Experts discuss which priorities come first and when, and the procedures needed to smooth out

					sometimes contentious interaction.
<b>7/18</b>	<b>6:00</b>	<b>11:27</b>	<b>ADVANCES AGAINST LUNG CANCER</b>	health care; public health; ethics; economics	More people die of lung cancer than breast, prostate, and colon cancer combined. A decade ago, a lung cancer diagnosis was often a death sentence. But now treatments are being developed that mean it can often be treated, especially if screening detects it early. A patient/advocate and researcher discuss.
<b>7/25</b>	<b>6:00</b>	<b>11:03</b>	<b>PRE-K ENROLLMENT</b>	Public education, community events, early childhood development	Discuss what is needed for Pryor residents to enroll their children into the public Pre-K program, what the program includes, and the no in-person enrollment process this year.
<b>8/1</b>	<b>6:00</b>	<b>10:32</b>	<b>PRYOR PUBLIC SCHOOLS "HANDLE WITH CARE" PROGRAM</b>	Public education, mental health, childhood development	Discuss how parents can inform the school any difficulties at home that the child may need help and support with. Examples of what issues qualify and a listing of what resources are available.
<b>8/8</b>	<b>6:00</b>	<b>9:42</b>	<b>VETERANS AFFAIRS LOCAL HOMELESS PROGRAM</b>	Mental health, public safety, veteran resources	Melanie Stewart (Homeless Program Manager with Department of Veterans Affairs) discusses the many programs available to veterans in our area including pathways out of homelessness.
<b>9/12</b>	<b>6:00</b>	<b>12:20</b>	<b>FORCED STERILIZATION STILL EXISTS IN THE U.S.</b>	women's issues; disabilities; prison & criminal justice; legal issues & courts	Entertainer Britney Spears claims in court that her conservator father won't let her remove birth control. It's merely the most celebrated recent case of something most people find surprising: forced sterilization still exists in the US, usually in cases of

					guardianship. Experts explain its legality, history & use.
<b>9/19</b>	<b>6:00</b>	<b>13:13</b>	<b>HEALTHCARE DATA BREACHES</b>	technology; health care; crime; economics; consumerism and consumer safety; employment issues	Government reports say more than 265 million healthcare records have been stolen, lost, or improperly disclosed in the last decade. It may create a financial risk, but it could also mean your health conditions and secrets are all over the internet. What are health systems doing to keep data safe? What should you do when you're victim of a breach? One of the nation's top health data experts discusses.
