Locally Produced Newscasts, 6 daily, a minimum of one minute, forty five seconds

Each day WHQT airs 6 locally produced newscasts. They are a minimum of one minute and forty five seconds in duration. The newscasts often include community events and public service announcements. These newscasts air Monday through Friday between 6 and 10AM. In addition to news, weather and traffic information are provided every half hour, and more often when conditions warrant.

Locally Produced PSAs are one minute and forty five seconds.

In addition to our newscasts, WHQT also provides extensive community service through locally produced PSAs. A minimum of 3 each day air during AM drive. These local public service interviews are dedicated to continuously keeping the community aware of the various programs, services and free events available in the Miami/Fort Lauderdale market.

Locally Produced Public Affairs Program, “What’s Hot?” 2 Hours

WHQT produces a local two hour public affairs broadcast: “Hot Talk with Chief Jimmie Brown.” It airs Sundays at 11PM.
