2/1 Experts say South Florida now has more cases of the UK strain of COVID 19 than anywhere else in the state. :30 seconds **7:30, 8:30AM**

2/1 Activist, Desmond Meade is urging Governor Ron DeSantis to make vaccines a priority for people who're incarcerated and those working in the state's criminal justice system. :30 seconds **7:30, 8:50AM**

2/3 You may soon be able to get a COVID vaccine at Walmart. Next week the Biden administration will start shipping the vaccines to pharmacies at Walmart and Sam's Club's in almost two dozen states including Florida. Those 65 and over will be able to make appointments at :walmart.com, slash COVID vaccine. The Biden administration's new program scheduled to also include locations at Winn Dixie. : 30 seconds **7:30, 8:30AM**

2/8 60 Black health experts are practically begging people of color to get vaccinated against COVID 19. The experts, all members, of the top health and science organization in the country; scientists, nurses and doctors who say research shows Black Americans are less likely than any other group to get the vaccine despite the fact black people are almost twice as likely to die from the CORNAVIRUS. :30 seconds, **7:30, 8:30AM**

2/8 Health experts bracing for a spike in COVID 19 cases after the Superbowl, concerned people let their guard down and hosted parties without taking the precautions needed to help prevent the virus from spreading. :30 seconds, **7:30, 8:50AM**

2/8 The cruise industry taking another serious hit, Canada has cancelled all cruises until February of 2022. That effectively cancels all cruises from American ports to Alaska. Those ships have to sail through Canada to comply with United States laws. American cruise lines are hoping the Canadian government will lift the ban if there is an improvement if there is progress fighting the pandemic. :30 seconds, **7:30, 8:30AM**

2/8 A heads up about vaccines for COVID and scams --- if someone ask you to pay for it --- or pay to have the vaccine shipped to you --- it's a scam --- it's also a scam if you get an offer to skip the line . :30 seconds **7:30AM**

2/8 A young Black educator, a former assistant principal at Marjory Stoneman Douglas High School, Dr. Delania Williams Cunningham's one of the latest people in South Florida to die as a result of complications from COVID 19. Dr. Delania Williams Cunningham was 53. :30 seconds **7:30AM**

2/8 The nation's leading expert on the Coronavirus, Dr. Anthony Fauci expressing concern the mutant strain first discovered in the U.K. could become the dominant strain in this country. Florida is already one of the hotspots. The strain spreads more easily experts say because those infected with it have more of the virus in their nose and mouth --- and as a result are more contagious :30 seconds, **7:30AM, 8:30AM, 8:50AM**

2/8 You will soon be able to get a COVID vaccine at Walmart. As early as next week, the Biden administration could start shipping the doses to pharmacies at Walmart and Sam's Club's in almost two dozen states including Florida. Those 65 and over will be able to make appointments at :walmart.com, slash COVID

vaccine. The Biden administration's new program scheduled to also include locations at Winn Dixie. :30 second **7:30AM, 8:30AM**

2/8 If you're trying to get vaccinated for COVID 19 you may be able to get it tomorrow at the Christ Way Baptist Church on Douglas Road in Miramar. Seniors must call the church today and make an appointment: (954) 442-7477. You DON'T have to live in Miramar to get the vaccine. :30 seconds **8:30AM**

2/8 FEMA announcing Florida will get another \$245 million dollars to help cover the costs of getting people vaccinated. The CDC reporting less than eight percent of Floridians have received at least one dose of a vaccine, despite that dismal figure Governor DeSantis says he doesn't want help from the federal government. :30 seconds **7:30, 8:30AM**

2/8 Florida residents can get vaccinated tomorrow at a pop up vaccine site in Miami Gardens ----. Miami Dade Vice Chair, Oliver Gilbert working with the Office of Emergency Management to help make sure vaccines are available in the community. 3/3 Miami Dade Mayor, Daniella Levine Cava announcing a new program aimed at improving the county's economy, "Renew 305: Revive, Explore, Network economic Partnership and Workforce". Cava says it's part of a coordinated initiative that will help retain workers, help local businesses, and encourage new ones to do business in the county. :30 seconds, **7:30, 8:30AM**

3/ 4 It could take as much as \$250 million dollars to fix the problems with Florida's online unemployment system. The company responsible for that system, Deloitte, is under investigation. Despite the massive issues and the investigation, the state awarded the same company a \$135 million dollar contract to upgrade the state's online Medicaid system. :30 seconds, **7:30AM, 9:30AM**

3/8 The City of Miami has \$14 million dollars in federal funding for people struggling to pay their rent and light bills, but the city is not giving the money to those in need because it doesn't have an online system in place to do so. After initially saying the city would be ready in days now, we're learning it could be weeks before the city is even ready to announce plans to take applications. Both Miami and Hialeah received a separate pot of federal money to help its residents. The application process is already underway in those cities. :30 seconds, **7:30, 8:50AM**

3/10 For people who're just getting out of college, South Florida is one of the least affordable places in the country --- ranked at the VERY bottom of a study that found with a recent graduates average salary of \$34,000, they just can't afford to live here. :30 seconds , **7:30, 8:30AM**

3/22 If you're unemployed, starting today, you can expect to get some extra money when you go to CONNECT to claim your benefits – an extra \$300 dollars a week -

stimulus funds – officially known as “Pandemic Emergency Unemployment Compensation” --- The federal money expected to continue through Labor Day :30 seconds, **7:30AM, 8:30AM**

3/25 Starting next month, FEMA will reimburse families, up to seven thousand dollars, for the cost of funerals for loved ones who died as a result of COVID 19. The reimbursements part of the American Rescue Plan. The money can be used for caskets, urns, burial plots and headstones. FEMA will not pay for obituaries, flowers, catering and travel costs for relatives and friends to attend the service. FEMA will start taking applications next month :30 seconds, **7:30, 8:30, 8:50, 9:30AM**

SEVERE WEATHER

2/8 Drones may soon be used a tool to help forecasters do a better job of predicting the path of storms. Testing is well underway on a drone that could fly into the most dangerous part of a hurricane. :30 seconds **7:30AM**

2/18 The winter storm that is affecting several states is having a direct impact in South Florida --- the weather causing the delay of some 200,000 doses of the Moderna vaccine. :30 seconds, **7:30, 8:30AM**

2/25 Brace yourself to pay mo re for flood insurance. Experts in the industry predicting the cost could skyrocket after a study found Florida residents are at a higher risk of flooding as a result of climate change. :30 seconds, **7:30AM**

3/3 Miami releasing a plan to deal with rising sea level. It includes elevating homes and roads and creating more open spaces in flood prone areas. Climate experts say there are problems with Miami Dade County’s plans – that the county is not warning residents and developers about the risk of building and living on ocean front property. :30 seconds **7:30, 8:30AM**

3/3 A high risk of rip currents until 7 o'clock tonight. They are extremely dangerous for even the best swimmers. Beach goers urged to ONLY swim near a lifeguard. :30 seconds, **7:30, 8:30, 9:30AM**

3.10 You may soon see government drones flying over your property after a hurricane or other natural disaster. Right now it's illegal for state and local governments to use them to take pictures of private property --- but State Senator Manny Diaz is pushing a bill to make it legal. He says using drones would allow states and cities to more quickly respond to damaged areas. :30 seconds, **7:30, 8:30AM.**

3/29 We're just a little over two months until the start of the storm season. This year the National Hurricane Center is predicting fewer named storms this year. Last year was extremely busy with 20 named storms. :30 seconds **7:30AM**
