## Script

Did you know that about 1 in 8 women will be diagnosed with breast cancer during their lifetime? Or that breast cancer is the second leading cause of cancer-related deaths among women in New York State? Additionally, Black women are more likely to die from breast cancer than other groups of women. But there are other important facts about breast cancer too. Facts like, when breast cancer is found early, it's easier to treat. Having regular mammograms gives you the best chance of finding breast cancer early and is the key to survival. Did you know most health insurance plans in New York State cover mammograms? For people without insurance, the Cancer Services Program may be able to help. If more testing is needed, that can be paid for, too. Breast cancer screening is recommended beginning at age 50. If you or anyone you know needs breast cancer screening, please call 1-877-778-6857, that number again is 1-877-778-6857..

1 in 8 women diagnosed with breast cancer

To the Editor

The Cancer Services Program would like to share a few facts about breast cancer in recognition of Breast Cancer Awareness Month. Did you know that about 1 in 8 women will be diagnosed with breast cancer during their lifetime? Or that breast cancer is the second leading cause of cancer-related deaths among women in New York State? Additionally, Black women are more likely to die from breast cancer than other groups of women.

But there are other important facts about breast cancer too. Facts like, when breast cancer is found early, it's easier to treat. Having regular mammograms gives you the best chance of finding breast cancer early and is the key to survival. Did you know most health insurance plans in New York State (NYS) cover mammograms? For people without insurance, the Cancer Services Program (CSP) of Steuben, Allegany, Cattaraugus and Chautauqua Counties may be able to help.

The CSP helps people without insurance get life-saving screenings for breast, cervical and colorectal cancer. If more testing is needed, our program can pay for that too and help enroll eligible people in the NYS Medicaid Cancer Treatment Program if cancer is found.

Breast cancer screening is recommended beginning at age 50. If you or anyone you know needs breast, cervical or colorectal cancer screening, please call the CSP of Steuben, Allegany, Cattaraugus and Chautauqua Counties at: 1-877-778-6857.

Sincerely,

The staff at the Cancer Services Program of Steuben, Allegany,  
Cattaraugus & Chautauqua Counties

432 Canisteo Street, Hornell NY 14843
