## Section II NETWORK PROGRAMMING

Section II lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.

"Entercom presented the fourth annual I'm Listening, a live national program that brings together artists, athletes and medical specialists to raise awareness and end the stigma of talking about mental health. The two-hour special aired nationwide and, for the first time, in primetime on Wednesday, September 23rd at 6pm local time across more than 230 stations and RADIO.COM livestream."
