Hi Tal,

Thanks for getting back to me so quickly. Unfortunately I'm not able to negotiate the rates, they are what they are. Momentum rates are based completely on supply & demand. We are in the peak of the holiday season which means demand is extremely high.

KJUG & KIOO are currently running near sold out. If inventory sells out which is very likely on KJUG especially, rates will most likely increase as the demand increases. I know Tulare County is key in the market you need to advertise in and strongly recommend

placing your buy with KJUG & KIOO while inventory is still available. Thanks so much Tal! I appreciate you and your business. Hope you have a great weekend.
