QUARTERLY REPORT
January 2024 Quarter 4

KDUR, Volunteer-Powered Community Radio, creates a bridge between Fort Lewis College and La Plata County, offering diverse music, alternative news, and local public affairs programming. KDUR provides educational and training opportunities in a professional setting for Fort Lewis College students and community members.

Two public service announcements run each hour, between 6 A.M. and midnight. Standard PSA categories include: education, arts and entertainments, campus events, and sports and recreation. Educational PSA announcements include Career Day and local workshops. Campus event PSA announcements include community art exhibits, poetry readings, music performances and craft workshops. Sport and recreation PSA announcements include intramural information, local team information, outdoor workshops, avalanche information, and game times.

KDUR broadcasts weather during morning (6:30 & 7:30 A.M.) and evening 4:30 & 5:30 P.M. on-air shifts.

KDUR offers traditional and not-traditional public affairs and news programming. Each weekday morning we feature the BBC World News service followed by a half-hour of local or nationally produced specialty news programming. We also offer a student-produced news package during Fort Lewis College academic school year.

The following pages contain a list of all the public affairs programming along with the day, length and time that each is aired.

Questions concerning station programming can be directed to Station Manager, Bryant Liggett or Program Director, Jon Lynch.
