**Issue: FUNDING FOR AREA CULTURAL ORGANIZATIONS**

How Issue was addressed:

Concern has grown about financial support for the performing arts, because of reduced government funding of the arts at both the local and federal levels. Because of this concern, W U R I has increased its support for many of these organizations by participating in their promotional efforts to make the public aware of their concert and stage performances.

One of the major ways for promoting these groups is through the W U R I regular Sunday evening series "PREVIEW!" on the air from 6:00 pm to 9:00 pm.

**Weekly Classical Calendar public service announcements**

These public Service announcements are broadcast without donation request during "Preview!" and are posted on the station's website <TheClassicalStation.org> and social media.
