AGING

Thursday, 5/12/16: 1:00 pm: Maine Calling

DISRUPTIVE AGING

Internationally acclaimed longevity expert Dr. Bill Thomas explains why and how what our culture tells us about aging – that it will change us against our will, and for the worse -- is wrong and what we can do about it.

Thursday, 6/30/16: 1:00 pm: Maine Calling

LIVE TO BE 150

We speak with scientists and researchers about brand new longevity research, and what they are learning about the limits to how long humans can live.

CRIME/CORRECTIONS/COURT

Tuesday, 5/3/16: 1:00pm: Commonwealth Club of California (f4/29)

A DISCUSSION ON PRISON REFORM

Currently, more than 2 million Americans are in prison. As a result, the federal government spends \$80 billion each year on the incarceration industry while projects such as improving our national infrastructure and educational systems continue to be drastically underfunded.

Wednesday, 6/1/16: 1:00 pm: Maine Calling

SENIOR FRAUD

Maine Calling will broadcast live from Spectacular Events in Bangor in conjunction with the AARP Fraud Watch Network to help alert seniors (and others) to identity theft, investment fraud and scams that rob millions of Americans of their hard-earned money every year. It is estimated that in the US, someone's identity is stolen every two seconds.

CULTURE

Monday, 4/4/16: 1:00 pm: Commonwealth Club of California

GEN. MICHAEL HAYDEN

The speaker is General Michael Hayden, former Director of the National Security Agency; former Director of the CIA and author of *"Playing to the Edge: American Intelligence in the Age of Terror."*

Monday, 4/11/16: 12:00 pm: Maine Calling

MIDWIFERY IN MAINE

The number of midwives in Maine is growing, with at least 29 nurse-midwife practices in operation. The U.S. Department of Labor predicts even more of a demand in the next decade. Meantime, the Maine Legislature is considering a bill to license midwives. We'll learn more about what midwives do (and it's not just home births) and what roles they serve during pregnancy, birth and post-partum.

Tuesday, 4/12/16: 12:00 pm: Maine Calling

ALCOHOL ABUSE AND SCREENING

What does it mean for medical professionals to 'screen' for alcohol abuse? Where can individuals turn to find resources, what are some things to avoid or be aware of, and what are some common barriers to long-term recovery?

Tuesday, 4/12/16: 1:00pm: Commonwealth Club of California

A panel discussion on corporate commitment to social justice and sustainable development.

Thursday, 4/14/16: 12:00 pm: Maine Calling

RICHARD RUSSO'S "EVERYBODY'S FOOL"

Witty and engaging Pulitzer Prize-winning author Richard Russo discusses his new novel, *"Everybody's Fool,"* a sequel to his 1993 novel, *"Nobody's Fool."* We'll also ask him about his approach to writing and Maine's literary community.

Tuesday, 4/19/16: 12:00 pm: Maine Calling

FOOD WASTE AND REUSE

How big of a problem is food waste in Maine and in the U.S.? We'll learn about the dimensions of the problem and get tips on wasting less and putting what we don't eat to good use.

Wednesday, 4/20/16: 1:00 pm: Speaking in Maine

DR. LINDIWE MAJELE SIBONDA

Speaking in Maine takes us next to Portland and the U Maine law school for a talk by Dr. Lindiwe Majele Sibanda of Zimbabwe on "Overcoming Food Insecurity: Ideas and Inspiration from Zimbabwe to Maine".

Thursday, 4/21/16: 12:00 pm: Maine Calling

THE IMPORTANCE OF STORY TELLING

The importance of storytelling for young, old and those in between. – Why do humans have a need to tell stories? How does storytelling help young people learn? What are ways we all can chronicle stories that are important to us or that we want to share?

Thursday, 4/21/16: 1:00 pm: Ideas from the CBC

WHY GROW UP?

They are known as MAMILs -- middle-aged men in Lycra -- and more and more of them are found on bicycles and in parks and pools. Are weekend warriors only getting in shape or are they one more public demonstration of lengthening adolescence? IDEAS talks with philosopher Susan Neiman, author of *"Why Grow Up? Subversive Thoughts for an Infantile Age."*

Wednesday, 4/27/16: 12:00 pm: Maine Calling

LONG TERM CARE INSURANCE

In advance of a state forum on the issue, we discuss long-term care insurance with the State's Insurance Commissioner, an investment advisor and an insurance agent. Who should consider long-term care insurance? What are the pros and cons of taking out a long-term care insurance policy? What are other options?

Thursday, 4/28/16: 12:00 pm: Maine Calling

"DEAD PRESIDENTS: AN AMERICAN ADVENTURE INTO THE STRANGE DEATHS AND SURPRISING AFTERLIVES OF OUR NATION'S LEADERS" BY BRADY CARLSON

NHPR host and reporter Brady Carlson examines the final resting places of our country's presidents. "Dead Presidents" shows that the ways we memorialize our presidents reveal as much about us as it does about the men themselves.

Monday, 5/9/16: 2:00 pm: Commonwealth Club of California (f4/22)

A panel discussion on how work in America has changed in the past decade, what lies ahead, and how cities like San Francisco are dealing with disparities in work and wealth.

Thursday, 5/12/16: 2:00 pm: City Arts and Lectures

COMEDIAN MARIA BAMFORD

Much of Bamford's inspiration comes from her Minnesotan family, as well as her own struggles with OCD, depression, and a bipolar diagnosis. In her web series, "The Maria Bamford Show," a grown-up Bamford lives with her parents following an onstage nervous breakdown. On May 20th, Netflix will premier her original series "Lady Dynamite."

Monday, 5/16/16: 1:00 pm: Maine Calling

WHERE TO TRAVEL IN MAINE

Advice on where to go and what to see this summer (and year round).

Friday, 5/27/16: 1:00 pm: Maine Calling

SUMMER READS

The return of one of our most popular programs. Learn which books should make your summer reading list.

Monday, 5/30/16: 1:00 pm: Maine Calling

(REBROADCAST OF "AMERICAN CHARACTER" BY COLIN WOODARD)

For Memorial Day we will rebroadcast our 3/15/16 program with Colin Woodard about his book "American Character: A History of the Epic Struggle Between Individual Liberty and the Common Good."

Monday, 6/27/16: 1:00 pm: Maine Calling

CONTEMPORARY ART IN MAINE

As the Center for Maine Contemporary Art opens its brand new building in Rockland, we discuss the role of contemporary art in Maine today.

ECONOMY

Tuesday, 5/10/16: 1:00 pm: Maine Calling

THE OFFICE OF THE FUTURE

How will our workplaces evolve in the coming years? We'll learn about how changes to work styles, expectations of younger workers, and advances in technology are changing our ideas of a conventional office set up.

Tuesday, 5/24/16: 1:00 pm: Maine Calling

AUTOMOTIVE NEWS

The latest on the massive Takata airbag recall, electric vehicle sales, and why the sales of mini-vans are on the rise.

Friday, 6/10/16: 1:00 pm: Maine Calling

REBROADCAST (THE BUSINESS OF BREWING IN MAINE)

Wednesday, 6/15/16: 1:00 pm – Maine Calling

RESTAURANT INDUSTRY

We discuss the growing movement to pay restaurant workers a higher wage and provide them with benefits such as sick leave. We'll also look at the state of Maine's restaurant industry.

Thursday, 6/16/16: 2:00 pm – Commonwealth Club of California

A panel of fashion and retail entrepreneurs and experts dive deep into how the fashion industry and consumers are collectively moving the needle on sustainability.

Monday, 6/20/16: 1:00 pm: Maine Calling

ENTREPRENEURIALISM IN MAINE

The personal-finance website NerdWallet has ranked Maine as the 11th "most entrepreneurial" state. What are the right ingredients to encourage entrepreneurs and to help them succeed? On the first day of the Maine 'Start Up and Create' week, we discuss entrepreneurship, creativity and innovation in the state.

EDUCATION

Thursday, 4/7/16: 12:00 pm: Maine Calling

TEACHING IN MAINE

A look at what it means to be a teacher in Maine in 2016, and what the future may hold as a huge number of Maine teachers are set to retire in the next decade. Other big issues include teacher salaries, which vary widely throughout the state, leaving rural areas with great turnover... and spotty training and buy-in for standards-based education.

Thursday, 4/7/16: 1:00 pm: Ideas from the CBC

THE SIMPLICITY OF EVERYTHING

Speaker is Neil Turok, Director of the Perimeter Institute for Theoretical Physics. Turok disputes claims that we may have reached the end of what physics can discover about the origins and structure of the universe.

Thursday, 5/26/16: 1:00 pm: Maine Calling

SENIOR COLLEGES

A network of 17 senior colleges in Maine offers a wide range of classes and opportunities for those over the age of 50. Those who take classes, teach classes, volunteer or otherwise get involved find they stimulate their minds and extend their learning.

Monday, 6/20/16: 2:00 pm: IDEAS FROM THE CBC (F 6/2)

EDUCATION FOR TRANSFORMATION

Ideas explores how global access to Education for girls could make for a better world that is more prosperous, more equitable, and happier.

ENVIRONMENT/ENERGY

Wednesday, 4/6/16: 12:00 pm: Maine Calling

THE FUTURE OF SOLAR POWER IN MAINE

As the legislature considers proposals to support the solar power industry in the state, we examine the challenges facing solar power and what's next for the industry.

Wednesday, 4/6/16: 1:00 pm: Climate One

CLIMATE, SCIENCE, HOPE AND WORRY

Scientists and politicians agree that the goals set in the Paris Climate Summit for dialing back global warming are only the tip of the iceberg. With 2015 breaking the record for the hottest year ever, and 2014 holding the number two spot, CLIMATE ONE explores ideas for how to handle the anxiety and stress that many of us are feeling about all this.

Monday, 4/11/16: 1:00 pm: Climate One

CARS OF THE FUTURE

In the U.S. personal vehicles account for nearly one fifth of all our greenhouse gas emissions. And if you add in trucks, trains, planes and ships, it's more than a quarter of our contribution to climate pollution.

Wednesday, 4/27/16: 1:00 pm: World Affairs

A PANEL DISCUSSION ON CLIMATE CHANGE AND FUTURE AGRICULTURE PRODUCTION.

What actions can be taken at the local, national and transnational level to ensure that growing populations are able to feed themselves and generations to come while adapting to gradual or even rapid changes in the climate?

Tuesday, 5/17/16: 2:00 pm: Ideas from the CBC

TAKING THE LEAP

Author and activist Naomi Klein talks about her award-winning book *"This Changes Everything: Capitalism vs The Climate"*.

Wednesday, 5/18/16: 1:00 pm: Maine Calling

BIRDING

Look, up in the sky, it's a bird. But what kind of bird? And where are the best places to bird-watch? We'll discuss the spring bird migration and also share tales of birding in Maine with highly esteemed birding experts.

Tuesday, 5/31/16: 2:00 pm: AMERICAN RADIOWORKS (f5/12)

THIRSTY PLANET

A documentary look at water; scientists say most people on Earth will first experience climate change in terms of water – either too much or too little.

Thursday, 6/2/16: 1:00 pm: Maine Calling

A look at the latest in the debate over whether or not Maine's North Woods should be designated a National Monument, following a June 1st congressional committee "field hearing" in East Millinocket.

Monday, 6/6/16: 1:00 pm: Maine Calling

THE STATE OF THE GULF OF MAINE AND THE WORLD'S OCEANS 1

Ocean experts from the Gulf of Maine Research Institute and the Bigelow Laboratory for Ocean Sciences as well as journalist Colin Woodard for a conversation about the threats to the Gulf of Maine and how global warming is affecting the region's aquaculture.

Tuesday, 6/14/16: 1:00 pm - Maine Calling

SCIENCE SKEPTICISM

What makes people skeptical about scientific evidence? So much controversy arises from public disbelief in science, whether it's climate change, vaccinations or tobacco use. We'll look at the history of science as well as how current attitudes have come about.

Tuesday, 6/14/16: 2:00 pm - Ideas From the CBC – Goodall's Hope

Pioneering primatologist and conservationist Jane Goodall discusses the evolving relationship between humans and animals, saving the planet and the role the next generation can play in both.

Friday, 6/24/2016: 1:00 pm: Maine Calling

2ND QUARTER *MAINE THINGS CONSIDERED* APRIL TO JUNE 2016

AIRTIME: 5:30 - 6:00 P.M

Maine Things Considered is a 30-minute, daily news program broadcast weekdays at 5:30 p.m. on the stations of Maine Public Radio. Each program consists of a newscast lasting seven minutes, four to five longer reports lasting three to seven minutes each, and a weather forecast lasting one to two minutes. *Maine Things Considered* airs news reports and feature stories about the people and issues that affect our listeners' lives. We place a special emphasis on covering state government, particularly the state legislature. We also place a special emphasis on the following coverage areas: Crime, corrections, and the courts; cultural issues; the disabled and disadvantaged; the economy; the environment; health issues; the media; minorities and civil rights issues; politics; religion; women's issues; and youth.

Our mission is to enrich the minds and engage the lives of our listeners. To that end, the reports aired on *Maine Things Considered* aim not only to inform, but to empower. We hope the reports aired on *Maine Things Considered* prompt our listeners to effect positive changes in their lives and in the state of Maine.
