0:32	4/26/16	11:06p	technology	a mysterious green light over southern california tonight raising a question. the light seems to be streaking towards the ground. "people in san bernardino county," downtown los angeles and down at the beach in san clemente report seeing the light
0:22	5/18/16	11:33p	technology	66,000 pound space shuttle fuel tank is sitting in marina dell ray after a month-long journey at sea. it's on display after arriving today from a nasa facility in louisiana.
2:42	5/20/16	11:01p	technology	three, two, one and there you see it, the backup begins. traffic trouble as space junkies try to get a glimpse of the shuttle history. the tank is about to take off. reporter: and we are t-minus 60 until that tank takes off. then what happens? streets are going to close. power lines are going to come down and for drivers it's going to be a saturday sacrifice. once the trailer carrying this tank starts moving, it cannot go backwards and it cannot make wide turns.
0:36	5/27/16	11:18p	technology	it is three in a row for space x and began at cape canaveral, florida. the real accomplishment here is what happened about ten minutes after this launch.
0:28	6/20/16	11:33p	technology	it seems these days anybody can launch a rocket. the real challenge is to land a rocket. that is blue origin a competitor of space x and it is getting used to this. this is the fourth successful test of a reusable rocket.
0:29	6/24/16	11:16p	technology	this new system is called data com using text communication instead of radio to relay information to the pilots. the idea is to reduce human error that comes to radio communication. lax officials are hoping the upgrade will help reduce flight delays.
0:29	6/30/16	11:14p	technology	this happened in florida back in may, the car was a tesla model s. it happened when a tractor trailer made a test on the highway. the driver had the so called system engaged at the time. tesla released a statement saying the autopilots is still a testing mode and drivers need to put their hands on the wheels at all time.
0:24	4/20/16	11:33p	Transportation	take a break. why drive when you can ride a bike? today l.a. city council panel rolled out the bike. it allowed people to rental a bike. "there are about a 1,000 bicycles" available.
0:26	4/27/16	11:16p	Transportation	a scare out of seattle after multiple bird strikes caused an emergency landing. look at the large dent on the nose of this jet. several birds hit after take off.
0:31	5/4/16	11:09p	Transportation	dozens of passengers injured "and terrified, they were living" their final moments as a flight to indonesia hits severe turbulence. "in the video, you can hear" "people praying, children are" crying.
0:52	5/5/16	11:03p	Transportation	will kohlschreiber has been out there for hours tonight. what is the situation at this point? we have the two right lanes closed on the eastbound side of the 91 free past the 241 around green river and the traffic is still taking a good long time before it really empties out here. look at that. it is just slow.

## KNBC Los Angeles Quarterly Issues Report

0:26	5/9/16	11:33p	Transportation	at times driving in southern california is enough to give anyone road rage. and los angeles has it bad. in fact it's the wonder. the auto insurance center says that l.a. is the home to the most posts containing the words
0:32	5/12/16	11:17p	Transportation	there is some good news for travellers. a screening system is back online but not before it caused a massive luggage backup. this is sky harbor in phoenix. ""more than 3,000 checked bagged"" filled an entire parking lot.
0:21	5/19/16	11:33p	Transportation	the wait is finally over. starting tomorrow you can catch a train all the way to the coast. seven new mel metro stations will open in about 12 hours.
0:32	5/26/16	11:09p	Transportation	more than 100 flights were delayed or cancels at l.a.x. because of a computer software problem that forced the faa to declare a ground stop. the problem eridge nated at san diego approach control at 8:00 a.m. and held up flights as far away as denver.
0:28	5/31/16	11:05p	Transportation	interstate 5 is california's primary north/south highway but a fast-growing sinkhole has shut down a portion of the freeway. the northbound lanes south of tracy and east of san jose will be closed until thursday.
0:25	5/31/16	11:17p	Transportation	a passenger on board a united airlines flight captured this video moments after several panels come off of the plane mid-flight. he says the plane was about to land at newark airport when the pilot jerked the plane back up into the air and two ceiling panels fell off.
0:50	6/8/16	11:16p	Transportation	department of transportation has cut down on the number of speeding tickets. that could put you at risk. they have to view the streets and use the speed guns. but those have expired.
0:23	6/10/16	11:33p	Transportation	it is pride weekend here in la if you plan ongoing anywhere near west hollywood, traffic will be a problem we talked to the city council members who say it is a basically three days celebration out there. 400,000 people to the area especially on the parade on sunday. right now on our nbc app, you can find information on all road closures.
0:59	6/22/16	11:05p	Transportation	new at 11:00, a reported gun threat forces a delta flight bound for lax to divert to tucson with military fighter escorts. the cell phone video shows a passenger being detained after he threatened that he had a gun during the flight from san antonio, to l.a. f-16 fighters were called in to escort the plane to tucson, all 80 passengers and crew members were removed as they searched the luggage, they landed at lax around 9:30 tonight.
