Host/Sponsor of Activity: Oklahoma Christian University

Brief Description of Activity and Station Participation: We were invited to be guest of the Oklahoma Christian University School of Business Administration. This event allowed us to renew and develop acquaintances with local business leaders and rededicate our commitment to the corporate community of the Oklahoma City area. We were also introduced to OCU's 2006-07 seniors as prospective employees. We spoke about job openings in our station as well as internship programs available for their students. We also talked about career opportunities in the broadcasting industry in general.

Date: 11/4/06

Time: 11:00AM

Location: 120 David L. Boren Blvd, Norman OK 73072 - National Weather Center

### Participating

Employee: Greg Whitworth

**Brief Description of Activity:** A group of mostly students  
and a few adults gathered around a weather balloon to  
watch it being launched. I explained how the weather balloon  
sends its information back to earth and the types of data it  
collects. Several kids helped release the balloon. This event  
was advertised in the Oklahoman and at schools by NOAA.
