**Topic:** You cannot hate Israel and say you love God. Today on Frances and Friends, Sister Swaggart and panel discuss the current war in Israel and the plight of the many innocent civilians that have been put in harms way because of the evil terrorist group Hamas, which attacked Israel, unprovoked, on October 7th. Brother John shares scripture that confirms National Israel as God's chosen land and people, and exposes the false teachings of Replacement Theology. Brother Josh explains the term Zionist, and how it only means the person using the label is Anti-Semitic. National Israel, currently, is in rebellion, but God, in His Word, says there is going to be a regathering of the Jewish people. When Christ returns, His kingdom will reign in Israel, and Jerusalem will be the capitol. The panel discusses the precedent setting civil fraud trial in New York against Donald Trump and the excessive bond that has been set, and how Trump is advised to go for an 8th amendment constitutional appeal.
