Dear Mr. Persh:

We have completed our review of the response of your client, Kentucky Authority for Educational Television ("Kentucky"), licensee of the above-noted station, to the February 24, 2016 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find no further action is required. In accordance with Section 73.3527(e)(10), if commercial, or Section 73.3527 (e)(11), if non-commercial, of the Commission's rules, Kentucky must place a copy of this letter, our February 24 audit letter, and its audit response in station WKSO-TV's public inspection file. It must maintain the material in the file until grant, by final order, of the next renewal application of its license. Additionally, pursuant to Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3526(e)(11) for non-commercial stations, Kentucky must upload a copy of this letter, our February 24, 2016 audit letter, and its audit response in WKSO-TV's online public inspection file. The material must remain in the online public file until the next grant of the renewal application of its license.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
