Elderly

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
3.1	Environment	5 a.m.	10/10/2019	1:40	Kansas Today	An effort to help the environment, by cutting down on food waste, leads to the packaging of ugly fruits and vegetables. A new subscription service will rescue produce from farms that may be off in size, color or shape, so it is not tossed and instead is sent to consumers.
3.1	National Security	10 p.m.	10/13/2019	2:00	KSN News at 10	US getting out of Syria, as Turkey makes rapid advances in its war against US Allies. As more militia forces push into Syria, all 1,000 US troops leave, as the National Security team determines it is not in the best interest of US Security. Concerns that Kurds will be ethnically cleansed, leading to ISIS strength which could impact US national security.
3.1	Elderly	10 p.m.	10/24/2019	3:00	KSN News at 10	A new kind of dementia called "LATE" and mimics alzheimers. Explain the new diagnosis, how it impacts memory, thinking and behavior in older adults. Spoke with a woman who lost both of her parents to memory diseases and Alzheimer's association about resources for families coping with the diagnosis.
3.1	Politics	5 pm	10/30/2019	1:30	KSN News at 5	Interest and controversy in race for Wichita Mayor expected to have impact on turnout, according to Wichita State Univ. professor. Controversy over an attack ad against one candidate and questions over the current mayor's policies lead to interest from voters.
3.1	Business & Industry	5 p.m.	10/31/2019	1:20	KSN News at 5	Spirit AeroSystems in Wichita is spending \$1B to expand and diversify operations, buying a business line from Bombardier. The move adds stability to the business as it also expands the production of Airbus lines A220 and A320.
3.1	Environment	5 p.m.	11/08/2019	1:30	KSN News at 5	Report shows all water utilities in Kansas were testing high for at least one contaminant. However Kansas Dept for Health and Environment says the water Kansans drink is still safe, and meet guidelines.

Quarterly Issues and Program List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
3.1	Business & Industry	6 p.m.	11/18/2019	1:20	KSN News at 6	After a fire at the Tyson Meat packing plant in Southwest Kansas, local butchers say they've taken a hit to their business, as they've had to travel longer distances to get the meat to sell. Trucking companies also impacted by the lack of processing at the plant, with hopes to have the plant up and running by Jan . 2020.
3.1	National Security	5 p.m.	11/19/2019	2:00	KSN News at 5	Lt. Col Vindman, National Security Council, testified about what he heard in the call between President Trump and the president Ukraine, saying he was concerned that military aid to Ukraine was implied to be held up by Trump because of a political request.
3.1	Politics	10 p.m.	11/20/2019	1:45	KSN News at 10	Secretary of State Mike Pompeo the focus of a day of impeachment hearings held by the US House intelligence committee, as several people who testified commented on what Pompeo knew about whether there was a "quid pro quo" regarding allegedly exchanging political information in exchange for military aid to Ukraine.
3.1	Elderly	5 p.m.	11/25/2019	1:45	KSN News at 5	Help for aging veterans should come thanks to new efforts to improve Veterans Affairs medical care in Kansas. The VA Secretary was in Kansas to discuss expanding health care benefits and access to rural veterans, including elderly veterans across the state.
3.1	Politics	6 a.m.	12/19/2019	1:40	Kansas Today	Democrats vying for the presidential nomination squared off in a democratic debate. They discussed the impeachment of President Trump and problems to be addressed including trade, the economy and trade.
3.1	Environment	5 p.m.	12/19/2019	1:55	KSN News at 5	City of Lawrence Kansas plans to run on 100% renewable energy in about 30 years. The city plans to change all city buildings to run on renewable energy. The cost still to be determined, but the city is working with local Energy provider EVERGY to make the changes and fulfill the plan to help address climate change concerns.

Quarterly Issues and Program List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
3.1	Business & Industry	5pm	12/23/2019	1:50	KSN News at 5	Boeing's CEO is stepping down amidst concern about the 737 Max safety, as the production of the plane is put on hold. Analysts say the action should help the relationship between Boeing and the FAA to work to get the 737 max flying again, because of a renewed faith in the company with new leadership. Local aviation companies including Spirit AeroSystems hopeful it will be good news for long-term business supporting Boeing.
3.1	Elderly	6 am	12/31/2019	3:45	Kansas Today	Senior Citizens share their advice for new year's resolutions. They share their decades of experience and give advice including eat healthy, lose weight, stay healthy, enjoy life, go out with friends and have fun, and keep your mind sharp with puzzles, learning something new, trivia.
3.1	National Security	Noon	12/31/2019	2:00	KSN News at Noon	Iraqi Shiite Militia supporters stormed the US Embassy, amidst protests from Iran-backed fighters in Baghdad. This followed attacks from Iran on an American contractor. President Trump responded saying the country will respond strongly to defend America and its interests.
