

## WENR Issues 3rd quarter 2023

Stations we own largely focus our public services efforts on local events.

1. Economic Development. We regularly aired messages promoting the activities of the Athens Area Chamber of Commerce. We also aired at least 6 spots per day promoting shopping locally. We also participated on site in two downtown events designed to draw in consumers. We promoted and broadcast from a local job fair.
2. Education. We aired announcements for school events as well as local educational outreach for the local United Way. We also aired announcements for the local CASA organization promoting representation of school age children in the court system. WENR promoted a Junior Achievement recognition program. We also participated in the Stuff the Bus program to help children get school supplies. We also promoted a scholarship program for Tennessee Wesleyan University.
3. Drugs and Alcohol Abuse. WENR regularly airs announcements about the perils of Meth and opioid adiction.
5. Environment. WENR airs regular announcements from Keep Tennessee Beautiful.
7. Local culture. during the third quarter we promoted multiple local community festivals including the Etowah 4th of July Festival, the Niota festival and Pumpkintown. We also aired announcements multiple events for the Athens Area Arts Council and Athens Community Theatre.
8. Health. WENR regularly airs announcements for Medic Regional Blood Center. We also aired specific announcements soliciting donations due to Type O and platelet shortages. We also regularly aired announcements about health department Covid vaccinations. We also promoted the McMinn Co Relay for Life for Cancer Research. We ran announcements for the Etowah VFD.
