Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
Real life jobs and careers are explored in an energetic style as an education and information presentation for teenage viewers. A co-host approach allows for interchange of questions and responses adding viewer's stimulation and insight. Real Life 101 has been found to be one of the highly educational programs.			

### Non-Core Educational and Informational Programming

5. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and informational program.

[There are no analog non-core program reports.]

### Sponsored Core Programming

6. List Core Programs, if any, aired by other analog stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no analog sponsored core program broadcast reports.]

[There are no analog sponsored core program detail reports.]

### Digital Core Programming

7. (a) State the average number of hours of Core Programming per week broadcast by the station on its main program stream.
- (b) Did the Licensee broadcast on its main digital program stream the same Children's Core Programming provided on its analog channel?
- (c) If Yes to 7(b), the Licensee certifies that the representations and children's program information provided with respect to its analog channel apply equally with respect to its main digital program stream.
- If No to 7(c), submit as an Exhibit a Statement of Explanation.
8. (a) State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream.
- (b) State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. §73.671.
9. (a) Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. §73.673?
- (b) Identify publishers who were sent information in 9(a).

Kid Guides is series "for" kids "by" kids. This award-winning, action packed series takes kids behind the scenes of some of the top zoo, aquariums, museums, and other destinations in the world. Our kid guides learn about the workings of the locations as well as the science behind what it takes to run the places. Whether it is learning about how to care for a white tiger, how to be a zoo keeper, how to handle snakes, or how to take underwater pictures, our hosts dive right in. Specific educational segments also enhance the learning opportunities. Our Book			

Corner discusses books that are relevant to what we saw at the week's location. Explorer's Corner covers a wide variety of educational topics that fascinate children. Our Animal Star segment highlights a particular animal that may be overlooked, but presents a variety of educational experiences.

### Non-Core Educational and Informational Programming

5. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and informational program.

[There are no analog non-core program reports.]

### Sponsored Core Programming

6. List Core Programs, if any, aired by other analog stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no analog sponsored core program broadcast reports.]

[There are no analog sponsored core program detail reports.]

### Digital Core Programming

7. (a) State the average number of hours of Core Programming per week broadcast by the station on its main program stream.
- (b) Did the Licensee broadcast on its main digital program stream the same Children's Core Programming provided on its analog channel?
- (c) If Yes to 7(b), the Licensee certifies that the representations and children's program information provided with respect to its analog channel apply equally with respect to its main digital program stream.
- If No to 7(c), submit as an Exhibit a Statement of Explanation.
8. (a) State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream.
- (b) State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. §73.671.
9. (a) Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. §73.673?
- (b) Identify publishers who were sent information in 9(a).

Kid Guides is series "for" kids "by" kids. This award-winning, action packed series takes kids behind the scenes of some of the top zoo, aquariums, museums, and other destinations in the world. Our kid guides learn about the workings of the locations as well as the science behind what it takes to run the places. Whether it is learning about how to care for a white tiger, how to be a zoo keeper, how to handle snakes, or how to take underwater pictures, our hosts dive right in. Specific educational segments also enhance the learning opportunities. Our Book Corner discusses books that are relevant to what we saw at the week's location. Explorer's Corner covers a wide variety of educational topics that fascinate children. Our Animal Star segment highlights a particular animal that may be overlooked, but presents a variety of educational experiences.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
My Bedbugs is a quality children's program that unites education and entertainment. Each episode delivers a collection of songs and playful adventures for young audiences to enjoy and is designed to strengthen developmental skills.			

11. (a) Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?
- (b) If No, submit as an Exhibit a Statement of Explanation setting forth the number of repeats in excess of the repeat limit and the times and dates the episodes involved were aired.

Y
(None Required)

**Non-Core Educational and Informational Programming**

12. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and information program.

[There are no digital non-core program reports.]

### Sponsored Core Programming

13. List Core Programs, if any, aired by other stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no digital sponsored core program broadcast reports.]

[There are no digital sponsored core program detail reports.]

### Other Matters

14. Complete the following for each analog and digital program that you plan to air for the next quarter that meets the definition of Core Programming. Complete chart below for each Core Program, identifying whether it is to be broadcast on the station's analog or digital channel or both channels.

<p>Kid Guides is series "for" kids "by" kids. This award-winning, action packed series takes kids behind the scenes of some of the top zoo, aquariums, museums, and other destinations in the world. Our kid guides learn about the workings of the locations as well as the science behind what it takes to run the places. Whether it is learning about how to care for a white tiger, how to be a zoo keeper, how to handle snakes, or how to take underwater pictures, our hosts dive right in. Specific educational segments also enhance the learning opportunities. Our Book Corner discusses books that are relevant to what we saw at the week's location. Explorer's Corner covers a wide variety of educational topics that fascinate children. Our Animal Star segment highlights a particular animal that may be overlooked, but presents a variety of educational experiences.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

What's Up! ¿Que Pasa is a fast-paced bilingual, multicultural show with an emphasis on language development, cross-cultural awareness and positive health choices. "What's Up! ¿Que Pasa" is a weekly multi-cultural show that emphasizes what we have in common with other cultures while teaching today's youth to appreciate our differences. Every week, the show bilingually presents a new theme, such as cross-cultural understanding, the dangers of drugs and smoking, and reading appreciation, to name a few, through a hip combination of rap and humor.

### Non-Core Educational and Informational Programming

5. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and informational program.

[There are no analog non-core program reports.]

### Sponsored Core Programming

6. List Core Programs, if any, aired by other analog stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no analog sponsored core program broadcast reports.]

[There are no analog sponsored core program detail reports.]

### Digital Core Programming

- 7. (a) State the average number of hours of Core Programming per week broadcast by the station on its main program stream.
- (b) Did the Licensee broadcast on its main digital program stream the same Children's Core Programming provided on its analog channel?
- (c) If Yes to 7(b), the Licensee certifies that the representations and children's program information provided with respect to its analog channel apply equally with respect to its main digital program stream.  
If No to 7(c), submit as an Exhibit a Statement of Explanation.
- 8. (a) State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream.
- (b) State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. §73.671.
- 9. (a) Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. §73.673?
- (b) Identify publishers who were sent information in 9(a).

Kid Guides is series "for" kids "by" kids. This award-winning, action packed series takes kids behind the scenes of some of the top zoo, aquariums, museums, and other destinations in the world. Our kid guides learn about the workings of the locations as well as the science behind			

what it takes to run the places. Whether it is learning about how to care for a white tiger, how to be a zoo keeper, how to handle snakes, or how to take underwater pictures, our hosts dive right in. Specific educational segments also enhance the learning opportunities. Our Book Corner discusses books that are relevant to what we saw at the week's location. Explorer's Corner covers a wide variety of educational topics that fascinate children. Our Animal Star segment highlights a particular animal that may be overlooked, but presents a variety of educational experiences.

**Non-Core Educational and Informational Programming**

- 5. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and informational program.

*[There are no analog non-core program reports.]*

### Sponsored Core Programming

- 6. List Core Programs, if any, aired by other analog stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

*[There are no analog sponsored core program broadcast reports.]*

*[There are no analog sponsored core program detail reports.]*

### Digital Core Programming

- 7. (a) State the average number of hours of Core Programming per week broadcast by the station on its main program stream.
- (b) Did the Licensee broadcast on its main digital program stream the same Children's Core Programming provided on its analog channel?
- (c) If Yes to 7(b), the Licensee certifies that the representations and children's program information provided with respect to its analog channel apply equally with respect to its main digital program stream.  
If No to 7(c), submit as an Exhibit a Statement of Explanation.
- 8. (a) State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream.
- (b) State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. §73.671.
- 9. (a) Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. §73.673?
- (b) Identify publishers who were sent information in 9(a).

- 10. Complete the following for each program that you aired during the past three months that meets the definition of Core Programming. Complete chart below for each Core Program.

*[There are no digital core program reports.]*

- 11. (a) Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?
- (b) If No, submit as an Exhibit a Statement of Explanation setting forth the number of repeats in excess of the repeat limit and the times and dates the episodes involved were aired.

### Non-Core Educational and Informational Programming

- 12. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and information program.

*[There are no digital non-core program reports.]*

### Sponsored Core Programming

- 13. List Core Programs, if any, aired by other stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

*[There are no digital sponsored core program broadcast reports.]*

*[There are no digital sponsored core program detail reports.]*

### Other Matters

- 14. Complete the following for each analog and digital program that you plan to air for the next quarter that meets the definition of Core Programming. Complete chart below for each Core

Program, identifying whether it is to be broadcast on the station's analog or digital channel or both channels.
