Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
Real Life 101 presents real people pursuing real jobs and careers in an educational and informational format designed to help its viewers make important decisions about preparing for the future. The careers and people featured are carefully selected in order to present vivid impressions that can be used by the series' young audience. The series is currently being provided to schools and libraries across the USA by one of the nation's quality educational distributors.			

### Non-Core Educational and Informational Programming

5. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and informational program.

[There are no analog non-core program reports.]

### Sponsored Core Programming

6. List Core Programs, if any, aired by other analog stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no analog sponsored core program broadcast reports.]

[There are no analog sponsored core program detail reports.]

### Digital Core Programming

- 7. (a) State the average number of hours of Core Programming per week broadcast by the station on its main program stream.
- (b) Did the Licensee broadcast on its main digital program stream the same Children's Core Programming provided on its analog channel?
- (c) If Yes to 7(b), the Licensee certifies that the representations and children's program information provided with respect to its analog channel apply equally with respect to its main digital program stream.  
If No to 7(c), submit as an Exhibit a Statement of Explanation.
- 8. (a) State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream.
- (b) State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. §73.671.
- 9. (a) Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. §73.673?
- (b) Identify publishers who were sent information in 9(a).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
Aqua kids Adventure provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Not only does the show teach biological topics, but it aims to enrich children's lives by making them aware of the role they play now, and for generations into the future, with the biggest ecosystem on earth—the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the earth.

11. (a) Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?
- (b) If No, submit as an Exhibit a Statement of Explanation setting forth the number of repeats in excess of the repeat limit and the times and dates the episodes involved were aired.

Y
(None Required)

### Non-Core Educational and Informational Programming

12. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and information program.

[There are no digital non-core program reports.]

### Sponsored Core Programming

13. List Core Programs, if any, aired by other stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no digital sponsored core program broadcast reports.]

[There are no digital sponsored core program detail reports.]

### Other Matters

14. Complete the following for each analog and digital program that you plan to air for the next quarter that meets the definition of Core Programming. Complete chart below for each Core

Program, identifying whether it is to be broadcast on the station's analog or digital channel or both channels.
