- Today on Insight, John and Josh Rosenstern discuss the debate over gun reform legislation. Brother Josh says he believes Congress is doing its best to get some kind of legislation enacted at any cost, unfortunately bringing it in on the shirrtail of emotions, and thus are wanting to capitalize on that.
- We must make good constitutional decisions without just emotionalizing the legislation and put pressure on politicians. Brother Josh says every problem America faces, politicians respond with more government control, more oversight, more taxation, and more regulation.
