Brought to you by the Hill County Extension Office. Questions/comments call (254) 582-4022

*Texas A&M AgriLife Extension provides equal opportunities in its programs and employment to all persons, regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity.*

*The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating*

As you all know, we are living in an interesting time right now. I wanted to give you an update and provide you with some information as we navigate the current situation of social distancing, limited movement, and craziness.

My office continues to be open with a skeleton crew in place and the following sign on the door. We have developed a rotation where the office is manned by a minimum of at least two people while others team members are working remotely.

**Due to the current conditions as a result of the COVID-19 virus, the Texas A&M AgriLife Extension Office of Hill County will be closed to public access. The County Extension Staff IS and WILL be available to assist you with your Extension related needs, however, we ask that you call the office first (254) 582-4022 or contact the agents by email.**

AgriLife Extension has all face-to-face programming on hold through May 4<sup>th</sup> at the earliest. With that, many events and educational activities will not be conducted in the same manner as we had originally planned. Several County Extension Agents in the area are scrambling to offer programs and CEU's through internet-based webinars (Zoom, Microsoft Teams, WebEx, etc.).

We have received word from TDA that licensed applicators with expiring licenses or needing CEUs will be allowed to renew their license even if they have not met their CEU requirement for their current licensing period through December 31, 2020. Due to the restrictions of meetings in place by the Governor and many cities. The TDA will work to insure all the state's pesticide applicators are able to acquire their licenses and required continuing education courses in a safe and effective manner during this time frame. Once the restrictions have been lifted and courses are scheduled again, **applicators will be required to obtain their required CEUs for their respective license classification for each licensing period.** By allowing a CEU exemption, this will allow the applicators to maintain their ability to perform pesticide applications for pests, weeds, insects etc., without disrupting daily business functions. Applicators are encouraged to complete online courses even if online courses were completed the previous licensing period.

## **For CEU Credits**

### **You must attend entire program**

**(we can see your name, when you logged in and when you log out)**

1. Email your Name, License Number, County of Residence to [sherri.shoaf@ag.tamu.edu](mailto:sherri.shoaf@ag.tamu.edu) or [ztdavis@ag.tamu.edu](mailto:ztdavis@ag.tamu.edu)
2. Use the "tinyurl" address to attend. You will be redirected to Zoom Meeting. Zoom will play through your web browser or the app on you computer, if you have it.
3. We will email you an invoice for \$10 at the conclusion.
4. Remit payment to:  
Hill County Extension Office, Forage Webinar  
P.O. Box 318  
Hillsboro, TX 76645
5. We will email or mail you certificate.

# NEWS RELEASE

The Farm Service Agency (FSA) is now accepting applications for emergency farm loans due to damages and losses caused by drought occurring on November 1, 2019 and continuing in Anderson, Cherokee, Gregg, Henderson, Rusk, Smith, Upshur and Van Zandt Counties. Smith County Farm Loan Manager, Clinton Warrick, asks farmers who want to apply for emergency loans to submit their applications as soon as possible. The deadline for applications is November 7, 2020, but Warrick says if farmers wait too long, a backlog will develop and cause delays

Generally, farmers who have lost 30% of their production or any physical loss due to the disaster are eligible for the emergency loans.

The FSA office is located at 4209 Republic Drive, Tyler, TX 75701. The telephone number is (903) 405-5676 with office hours from 8:00 am to 4:30 pm. Additional information regarding Disaster Assistance Programs may be found online at <http://disaster.fsa.usda.gov>.

Move to Done

Nate Smith

11:31 AM

Hi Nate! Please let us know how we can help you.

This is Nate. I need the following out on the air and on your facebook page please.

1. There's some that believe that City Hall is closed due to the COVID-19 pandemic. No, we are not. Misty Richardson and I are still here and are practicing social distancing, as we all should be doing right now. We are available via phone at 903-389-2633, email [contact@fairfieldtexas.net](mailto:contact@fairfieldtexas.net), or send us a message here on Facebook. We will get to your request as soon as possible.

2. Many residents have asked about dump passes. The weather is nice and some would like to take advantage. By order of the mayor, the city dump will be open free of charge to city residents. Residents need to bring their water bill as proof of residency. If you are having difficulty or do not have a water bill handy, call us at 903-389-2633.

Thank you for using social distancing and following the guidelines.

- Nate
