Teacher Appreciation - Bus Loop Bash!

Fairfield Elementary administrators will host a "drive thru" teacher appreciation party in the school's bus loop on May 4th at 1:30 pm. The bus loop is located on the west side of the building off highway 75 between W Main and W College streets. Teachers and paraprofessionals are invited to drive through the bus loop and collect a special gift from campus administration. The driveway will be decorated with appreciation banners and festive party decor. KNES 99.1, the local radio station, will be on hand to liven up the party. They will provide music and conduct teacher interviews.

Local media are invited to document the occasion. Monday, May 4th kicks off national Teacher Appreciation Week. FES is so grateful for our wonderful staff. Our teachers always go above and beyond. Their dedication has never been more evident as during the Covid 19 pandemic. School administrators wanted to plan something special to let teachers know how much they are loved and appreciated.

###

If your organization is sending a photographer or reporter to cover the party, they may park in the parking lot in front of the school off W Main St and walk to the bus loop area.

If there are any questions, please contact Betsy Wright.

Hey buzz, I was wondering if you get a chance during the trading post this morning if you could make an announcement that the Fairfield volunteer fire department is looking for new members. We take anyone that is 18 years or older, it doesn't matter how old, we have members that are 70+, male or female, and no experience required. Learn everything on the job. It's a great way to serve your community and be involved in helping people. They can send us a message to our fb page or can call chief Baggerly 903-644-6995. We also have a meeting tonight at 7 PM at the fire station in which membership applications can be submitted. Thank you so much.

If your to bust we totally understand!! Thanks as always buzz

After much consideration of the health of our community, and meeting with the County and City Officials, at this time we are still moving forward with the 2020 Freestone County Fair Association **Livestock Show** and **Ag Mechanics Show**! We are cancelling all other activities associated with the county fair and rodeo. We will keep you updated with any changes that may come up for us to be compliant with state and local regulations. As always, we thank you for your understanding and continued support.

The Premium Livestock Sale will still take place on Saturday at the conclusion of the livestock show, as well.
