I am Bill Stepp, President of the Vietnam Veterans of America (VVA) Chapter 991 in Palestine. We are the local chapter for Anderson County and the surrounding counties, including Freestone. I am attempting to increase the level of information and communications within our area of responsibility. Naturally, local radio is one of the most important media. So, we would like to have our meetings and other events publicized by having our PSAs broadcasted in your Trading Post show the Friday and Monday prior to our meetings. This month those dates would be the 8th and 11th (and as many other times as you like). If submission by email like this is OK, we will continue to send them on a regular basis. If you have other methods or requirements, please let me know.

Thanks in advance/Bill Stepp
