Ladies and gentlemen! Follow the Call of the Disco Ball!!

Come catch some Boogie Fever at the MSSLC Volunteer Council Gala. This year's theme is "Saturday Night Fever." Dig out your leisure suits, your platforms and boogie shoes or just come dressed casual! Join us for an evening of food and fun on Saturday, August 17th at 6:00 p.m. (doors open at 5:30) at the First Baptist Church, Christian Life Center in Mexia. As always, there will be great silent and live auction items. Ticket prices are 25.00 per person. Funky Town Sponsors are 200.00 for a table of eight. The Stayin' Alive Sponsorships are available for 500.00 and above. This includes a table for eight and a framed certificate with your business or personal name, as well as photo in our local newspapers, and social media posts. This year our Gala will also be highlighted on Waco's KXXV, channel 25.

MSSLC is a residential facility for more than 250 people with intellectual and developmental disabilities from throughout the state. The facility serves individuals with mild to moderate impaired cognitive functions as well as those who are medically fragile and the elderly.

The mission of the Volunteer Council of the Mexia State Supported Living Center (MSSLC) is to improve the quality of life for its residents by securing volunteer contributions of time, money and goods to enhance person-centered services, environmental conditions and special activities.

Proceeds from the Gala will be used to enhance the daily activities we budget for the individuals we serve. We try to make life as normal as possible and we hope to enhance daily activities, graduations, birthdays, special events, including the Operation Sunshine, Fall and May Fest. This year funds will also be used for updating our facility Recreation Equipment to promote a healthier lifestyle and wellness program for our individuals. In addition, money raised will be used for the purchase of a sign / billboard or advertisement and business expansion for our downtown General Store. Our General Store provides vocational training for our individuals such as woodworking, gardening, money handling and customer service skills.

Any monetary donations or donations for the Gala's Live and Silent Auction would be greatly appreciated. Contributions to Mexia State Supported Living Center Volunteer Council, Inc., a 501 C (3) charitable organization, are tax deductible. For your records, our tax identification number is 746062828

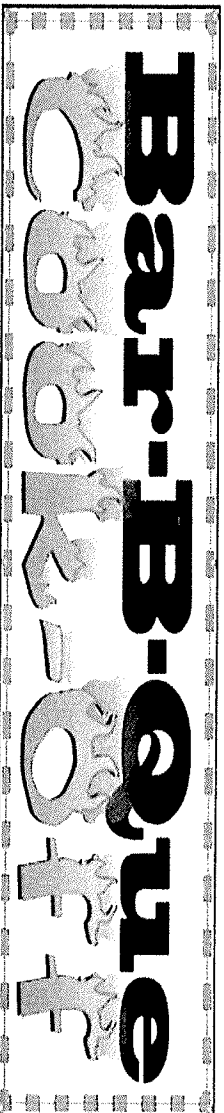

If you need further information or have any questions, please contact the Community Relations Department at (254) 562-1300. Check out our Facebook page: Mexia State Supported Living Center Volunteer Council @msslvc.

Sincerely,

Bill Ward, President
MSSLC Volunteer Council

August 1 from 9-4 the Carter BloodCare Bus will be set up at Freestone Medical Center. Only half of the appointment times have been filled. Call 903-389-1618 to get your time slot!

Carter BloodCare says the community blood supply, especially the red blood cell inventory, has hit a crisis level that ranges beyond the expected summer lows. Any unanticipated surge in blood needs by a local hospital could deplete the inventory in a matter of minutes. If your life depended on it, you would receive a blood transfusion. But there is a shortage, so there is no guarantee. Blood cannot be stocked indefinitely and there is no substitute for it. It must come from altruistic community members. That means someone's life or health is depending on volunteers.
