Buzz can you make this announcement today, please.

As a precaution, we will temporarily close the Butler, Fairfield, and Teague Senior centers until further notice as of Tuesday, March 17th. Staff will still provide lunches to Homebound clients and those that eat at the centers can pick up their meal to go with a 24 hour notice by calling our office at 903-389-5800. Pick up times will be between 11:30 and 12:00. Our senior population is at high risk for the Covid-19, and we are working closely with all agencies and will update when we can return to normal operations.

Thank You,

Stephanie
