From: William Stepp <WEStepp@outlook.com>
Date: 7/15/2018 4:55 PM
To: "tradingpost@texas99.com" <tradingpost@texas99.com>

Ms. Judy Moon,

The Palestine Chapters of the VVA and DAV are starting to annually honor Korean War Veterans by hosting a luncheon for them in Palestine. Last year the DAV was the host. This year the VVA and AVVA (Associates of the Vietnam Veterans of America) have the honor of hosting the luncheon on 27 June, the 65th anniversary of the end of the Korean conflict. We are submitting PSAs and community notice request to a wide range of East Texas media outlets in order to reach as many of these Vets as possible. Would you please broadcast the attached PSA on your stations during next week.

Thanks in advance / Bill Stepp
President, VVA Chapter 991, Palestine

**PUBLIC SERVICE ANNOUNCEMENT / COMMUNITY BULLETIN BOARD NOTICE
KOREAN WAR VETERANS MEMORIAL LUNCHEON**

Friday, July 27th will be the anniversary of the Armistice that marked the end of fighting in Korea. That conflict has become known as the "Forgotten War." But it has not been forgotten by the Palestine chapters of the Vietnam Veterans of America Chapter 991 (the VVA) and the Disabled American Veterans Chapter 63 (the DAV). We are honoring veterans of that conflict with a luncheon on Friday the 27th, the 65th anniversary of the Armistice. This year, VVA Chapter 991 has the privilege of hosting the luncheon. All Korean War veterans from the East Texas area in and around Palestine are invited to attend with your spouses and family members. In addition to lunch, we will have a ceremony to honor your service to our country. Lunch will be served at noon at the VVA/DAV Hall at 927 Gardner Drive in Palestine. The Hall is located in Palestine on Gardner Drive which is behind the Mattern Tire Company on Texas Highway 155 North. A response with your name and the number of those persons that will be attending will help us in planning for the meals. Please call our coordinator, Ms. Hattie Kitchens, at 903-724-9596 for information and directions. It is our honor to serve you and "THANK YOU" for your service.

BIG SALE & BBQ September 22 at Southern Oaks

For those who love the hunt for and finding of great bargains on unique items, and for those who are simply looking for a specific item for a particular place in your home, Southern Oaks presents its annual "Big Sale & BBQ" event.

The big day is Saturday, September 22, and the sale is open from 8 am to 2 pm. It's held at the Southern Oaks Clubhouse in the Southern Oaks subdivision, located just north of the Shell Station on FM 416.

"We're a community of lake-lovers and fun-seekers," said event coordinator Mary Schutz, who also serves on the Southern Oaks Property Owners Association board of directors. "This fundraiser helps our property owners association with financial support for our various community-wide events-- including our "Coffee & Conversation" series, the "Lunch, Learn & Play" summer reading program for area kids, our nostalgic dances (with live music) and our monthly jam sessions for all levels of players."

Part rummage sale, part garage sale and part flea market, the Big Sale will include a variety of items--furniture (including several upcycled pieces), shop tools, patio items, kitchen stuff, home décor, linens, kids' stuff, artwork, holiday items and much more. It's all donated by area residents who are cleaning out storage rooms or redecorating their homes. Most items will be displayed inside the Clubhouse, with outdoor items displayed in front of the building. There will be a few booth spaces hosted by private sellers as well. Sale times are 8 am to 2 pm. Any items that remain at 1 pm will go to half-price.

4-H Enrollment is Open, Club Meetings begin in September

What is 4-H

4-H is a dynamic, youth organization that provides a safe environment for kids between the ages of 8 (and in the third grade) or 9 to 18 to grow and develop life skills that will follow them into adulthood. 4-H offers learning experiences in such areas as animal, food & nutrition, science, photography, health and leadership through hands-on, fun, educational monthly club and project meetings.

What does 4-H Cost?

In Texas, if a youth enrolls in 4-H between September 1 and December 31, the fee is only \$20 per year. After December 31 the cost increases to \$25. This fee covers a young person's participation fee at the state level, however, depending on the project(s) the 4-H member wishes to participated in, additional costs could be incurred.

How do we join 4-H?

4-H is managed at the county level by the County Extension Office. Freestone County Extension Office is located at 440 E Main Suite 10, Box 5, Fairfield TX 75840 or at 903-389-3436. The best way to learn more and to join is to visit a community 4-H club meeting.

Freestone County 4-H Club Meetings:

- Dew 4-H meets the 2nd Tuesday of Every Month at 6:00pm at the Dew ISD Cafeteria
- Eagle Country 4-H meets the 2nd Monday of Every Month at 6pm at the Fairfield Conference Center out at the Fairgrounds
- Fairfield 4-H meets the 1st Monday of Every Month at 5:30pm at Fairfield Civic Center out at the Fairgrounds
- Faith Academy 4-H club meets the 2nd Tuesday of Every Month at 3:30pm at Faith Academy School (afterschool club only)

Harmony Presbyterian Church 119 W Main St, Fairfield, will be hosting a prayer vigil for Case Robinson tomorrow evening Tuesday, September 4th from 6 p.m. to 6:30 p.m. We would love to have anyone in the community that feels lead to pray with us as they will likely be doing testing Wednesday. We will meet and pray in the sanctuary. Please share.

Public Notice to Boil Water

Due to loss of pressure during main line distribution repair on 8/7/18, the Texas Commission of Environmental of Texas requires Donie Water Works, Inc. /PWS ID 0810022 to notify customers of the need to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking and making ice should be boiled and then cooled prior to use.

The water should be brought to a vigorous, roiling boil and then boiled for two minutes. In lieu of boiling, you may purchase water or obtain water from some other suitable source.

When it is no longer necessary to boil the water, the water system officials will notify you that the water is safe for consumption. Instructions to discontinue boiling will be issued in the same manner as this notice.

If you have questions concerning this matter, you may contact Jim Ashley@ 903-388-4679.

Tim Lee, Executive Director of Texas Retired Teachers, to Speak

We are very excited to invite you to join us on Tuesday, October 2, 2018 to listen to Tim Lee, Executive Director of Texas Retired Teachers. He will speak at 5:00 p.m. in the Fairfield High School Cafeteria. There will be plenty of room for everyone.

Please make the commitment to take a road trip to Fairfield and help us fill up the cafeteria for Tim's program. Feel free to invite anyone. Active teachers need to hear what's going on with public education, retirement, and healthcare issues. Tim can update us about the candidates in the November election that will be representing teachers or not in the 2019 Legislative Session. The address is: 631 Post Oak Road, Fairfield 75840

Look for and enter the double glass doors at the top of the stairs at the southwest corner of the school. Go across the courtyard on the sidewalk down the covered corridor to the cafeteria. Someone will be there to greet you and also give directions to a handicap assessable entrance should it be needed.

Please contact Alicia Smith, Freestone County Retired Teachers Legislative Chair, at 903-388-0950 or als75840@yahoo.com with any questions or for more
