Hi,

Attached is an open position for Continuity Coordinator. It's such a niche position that the hiring manager said "as long as they have work experience". Love That!! And he's looking more for personality.

Have a fantastic weekend,

tered the standard three-dose hepatitis B vaccine; the first and second dose were administered a month apart, followed by a booster dose at six months.

The researchers found that people who slept fewer than six hours on average per night were far less likely to mount antibody responses to the vaccine and thus were far more likely (11.5 times) to be unprotected by the vaccine than people who slept more than seven hours on average. Sleep quality did not affect response to vaccinations.

schools in four school districts, West Contra Costa, Oakland, Berkeley and Albany. The program focuses on serving students in underserved public schools.

Run by an umbrella non-profit group called the Community Alliance for Learning, WriterCoach Connection was started in 2000 by parents in Berkeley who were unhappy their children were not learning to express themselves well in writing.

They decided to take this matter into their own hands and formed WriterCoach Connection, modeled after a similar program they observed in Montclair, NJ called The Writers Room.

A key part of the program is the training that volunteers re-

relationship that develops between the student and the key to the program's success," said Menzimer. Each coach tutors for 8-14 sessions a school year.

Another important part of the program is that coaches to every student are identified as needed. Not labeled as remedial, students tend to look forward to the meetings with adults.

The program has a record of producing reducing a huge impact on students' SAT scores and school performance, said.

"Writing is a key life skill. Students

the 1990s, the number of people who have been employed in the public sector has increased in all countries.

There are a number of reasons for the increase in public sector employment. One of the main reasons is the increasing demand for public services, such as health care, education, and social security. Another reason is the increasing need for public infrastructure, such as roads, bridges, and public housing.

The increase in public sector employment has led to a number of challenges for governments. One of the main challenges is the increasing cost of public services. Another challenge is the increasing need for public infrastructure, which requires significant investment.

There are a number of ways in which governments can address these challenges. One way is to increase taxes. Another way is to reduce public sector employment. A third way is to increase public sector efficiency.

The increase in public sector employment is a complex issue that requires a number of different solutions. Governments need to find ways to increase public sector efficiency and to reduce public sector employment where possible.

Hi Edith

Nice to hear from you again!

Your help: Wanted ad is 1 col x 4 inches = 4 col. inches x \$            col. inch = \$            to run in the Post  
and 4 col. inches x \$            per col inch = \$            to run in El El Mundo.

Total cost to run the ad in the Post and El Mundo is \$

See attachment for proof.

Please confirm if this is OK to run on 10-12-11 in the Post and 10-13-11 in the El Mundo.

Thanks.

# Marvin X's Streets

## Book Review: "Ties" by Marvin X

By Ishmael Reed

Marvin X is not only a terrific writer but a Black Power historian.... However, if I had to pin down the influences upon Marvin X's, "The Wisdom of Plato Negro, Parables/Fables," I would cite the style of Yoruba texts: texts in the Yoruba language reveal that didacticism is a key component of the Yoruba story telling style.

Africans use proverbs to teach their children the lessons of life. Marvin X acknowledges the Yoruba influence on his book. He imparts wisdom by employing cautionary tales and uses his own life and mistakes to counsel the young to avoid mistakes.

Moreover, unlike some of the books written by popular African American writers, his book does not look backward to the period of slavery, though some of that is here. He writes about the contemporary problems of a community under attack.

He blames crack for causing "a great chasm between adults and children, children who were abandoned, abused, and neglected, emotionally starved and traumatized."

Marvin X exposes the situation of other ethnic groups invading Black neighborhoods and making the lion's share of profits from vice, while the media focus upon the mules of the operation, the pathetic and disgusting pimps, the drug dealers who

the study. The first author (SM) was the primary investigator and was responsible for the design, data collection, data analysis and writing of the manuscript. The other authors (MM, SM, and SM) were involved in the design, data collection, data analysis and writing of the manuscript.

## 2. Methods

### 2.1. Design

The study was a descriptive study with a cross-sectional design. The data were collected from 1000 participants.

### 2.2. Participants

The study was conducted in a large university in Tehran, Iran. The participants were students of the university who were enrolled in the first semester of the academic year 2010-2011.

### 2.3. Instruments

The study used three instruments: the Beck Depression Inventory (BDI), the Beck Anxiety Inventory (BAI), and the Beck Hopelessness Scale (BHS).

The BDI is a self-rated questionnaire that assesses the severity of depression. It consists of 21 items, each with a score from 0 to 4, ranging from no depression to severe depression.

The BAI is a self-rated questionnaire that assesses the severity of anxiety. It consists of 21 items, each with a score from 0 to 4, ranging from no anxiety to severe anxiety.

The BHS is a self-rated questionnaire that assesses the severity of hopelessness. It consists of 10 items, each with a score from 0 to 4, ranging from no hopelessness to severe hopelessness.

The Cronbach's alpha coefficient for the BDI, BAI, and BHS in this study were 0.92, 0.91, and 0.88, respectively.

The data were analyzed using SPSS 16.0 for Windows. The results are presented in the following sections.

The study was approved by the ethics committee of the university. All participants gave their informed consent before participating in the study.

more choices. Medicare will notify beneficiaries about plan performance and use its online Plan Finder to encourage enrollment in quality plans.

Costs are lower. Average premiums for 2013 for prescription drug coverage and Medicare health plans will remain stable. People who are in the "donut hole" in Medicare's prescription drug benefit will enjoy 53-percent discounts on covered brand-name drugs and 21-percent discounts on generic drugs.

Your health needs change from year to year and your health plan may change benefits and costs. That's why it's important to evaluate your Medicare choices regularly.

# Earl "Jackham" Burroughs

By Tanya Dennis

Earl Burroughs, dancer and songwriter who earned fame with "Great Balls of Fire" and "Yakety Yak," celebrated his 87th birthday last week with family and friends.

Burroughs says his only regret is that he did not patent his nickname, "Happy Feet," during his tap dancing days in San Francisco.

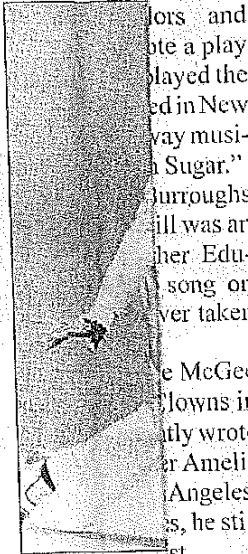

"Oh my, I'd be one rich man right now," he said with a wide smile.

Burroughs, who speaks German, French, Spanish and Italian, worked during his career as a songwriter for Nat King Cole, Ritchie Havens, Mac West, Tiny Tim, Sha Na Na, Nina Simone, Dolly Parton, and Chubby Checker.

Born in New Orleans, he knew at an early age that he had a destiny.

"When I was born, even as a child I was an entertainer," he said.

His grandmother Ella Butler, a full-blooded Indian, was responsible for the title of his number one hit.

Earl "Jackham" Burroughs

the 1990s, the number of people who have been employed in the public sector has increased in all countries.

There are a number of reasons for the increase in public sector employment. One reason is that the public sector has become a more important part of the economy. In many countries, the public sector now provides a significant portion of the total output and income. This has led to an increase in the number of people who are employed in the public sector.

Another reason for the increase in public sector employment is that the public sector has become a more attractive place to work. This is due to a number of factors, including the fact that the public sector is often seen as a more stable and secure place to work than the private sector. Additionally, the public sector often offers better benefits and working conditions than the private sector.

There are also a number of other reasons for the increase in public sector employment. For example, the public sector has become a more important part of the economy in many countries, and this has led to an increase in the number of people who are employed in the public sector. Additionally, the public sector has become a more attractive place to work in many countries, and this has also led to an increase in the number of people who are employed in the public sector.

**JUAN ELIAS SERRANO, 1418 150TH AVE APT D, SAN LEANDRO, CA 94578**

This business is conducted by AN INDIVIDUAL.

The registrant(s) commenced to transport business under the fictitious business name or names listed above on N/A.

The registrant(s) used/used vacation leave balances for unrepresented management employees, is hereby amended to read as follows:

For employees hired prior to July 8, 2012, maximum vacation leave balances allowable prior to the pay period containing January 1st of each year beginning the year 2010, shall be no more than two times the employees' vacation accrual rate, and shall be as follows:

Vacation Accrual Rate in Pay Period Prior to January 1st	Maximum Balance in Pay Period Containing January 1st
10 days/20 days	20 days/40 days
15 days/30 days	30 days/60 days
20 days/40 days	40 days/80 days
25 days/50 days	50 days/100 days

For employees hired on or after July 8, 2012, the accrual of vacation leave will cease effective with any pay period in which the employee's vacation accrual reaches its maximum balance and shall not recommence until the employee's vacation leave balance falls below this maximum. While employees shall have the primary responsibility to schedule and take sufficient vacation to reduce their accrued vacation leave balances to levels which do not exceed their maximum balance, Department Heads will make a reasonable effort to accommodate written vacation leave requests submitted by employees which state that the purpose of such request is to reduce accrued vacation leave balances to a level below their maximum accrual.

The following maximum balance for each accrual rate shall be as follows:

Vacation Accrual Rate	Maximum Balance in Pay Period
10 days/20 days	20 days/40 days
15 days/30 days	30 days/60 days
20 days/40 days	40 days/80 days

### NOTICE TO CONTRACTORS

Sealed proposals will be received in the office of the Purchasing Manager, Municipal Utility District, 375 11th Street, First Floor, Oakland, CA 94612, from 10:00 a.m. to 4:00 p.m. Wednesday, July 18, 2012 and will at that hour be publicly opened in the Board Room, Second Floor, of the District's Administration Building, 1000 Lakeside Drive, Oakland, CA 94612. The project is for the Treatment Plant Power Generation Station 1 Exhaust Heat Recovery under SD-345.

Work includes demolition and removal of three (3) existing exhaust stacks and associated piping, including temporary removal of appurtenant equipment, and installation of three (3) new District-furnished exhaust heat recovery silencers, piping and valves.

Estimated cost of this work is between \$550,000 and \$650,000. The contract shall be completed within Two-Hundred Sixty (260) calendar days of the Notice to Proceed. In accordance to Supplementary Requirement 05, the Contractor is not allowed to perform any work on the site during the plant shutdown until after January 1, 2013, unless approved by the Engineer. The District will conduct a pre-bid jobsite conference/inspection on July 19, 2012, at 10:00 a.m. Bidders/bid walk attendees (Attendees) will be allowed. The District will take photographs, as restricted to the work zone. The District will release photographs, walk, pending review by District. All Attendees are required to have a confidentiality agreement not to share, sell, or publish photos. Their subcontractors are strongly encouraged to attend the jobsite conference. Requirements of the District's Contract Documents will be discussed and explained at the pre-bid meeting.

Project information, including plans, specifications, plan holders, and bid information, can be found at <http://www.ebmud.com/current-construction-bids>. The District will make every effort to include information provided by bidders obtaining plans at the bidder's names, addresses, phone and fax numbers, and email addresses in the website plan holders list.

Prospective bidders may obtain the contract documents by either downloading the documents from the District's website, obtaining a CD-ROM, or by requesting a hard copy. Bidders who download the documents from the website shall register online on the Plan Holders List. **Note, in order to submit a bid, bidders must obtain a District-issued hardcopy set of the plans and specifications.** Bidding documents include the General and Technical Specifications, and half-size drawings (Volume II). Prospective bidders may obtain a hardcopy set of SD-345 for the proposed work by calling the Project Management Section at (510) 287-1754. Specifications may be obtained at the address below, and written requests for Specifications shall be forwarded to the address below.

Proposals to perform the work shall be made on the forms provided, complete, including bid bond and list of subcontractors, in accordance with the Specifications to be submitted with each Proposal. Bidders shall have an active Class A (General Engineering) license from the State License Board at the time of bid submission, which must remain valid through the completion of the contract. Refer to Article 16 of the Instruction to Bidders, Document SD-345. A bidder's bond for not less than 10% of the total bid dollar amount and payment bonds for not less than 100 percent of the contract price are required in Section 22300 of the Public Contract Code of the State of California. The District may substitute securities for monies withheld by the District to ensure performance. In accordance with Public Contract Code Section 3400, the District will follow the procedure which permits bidders to have their proposed unlisted "or equal" products or services evaluated prior to the project bid opening. See Instruction to Bidders, Document SD-345, Article 3 - "Submittals Prior To Opening Bid." This procedure is not applicable to products or services that have been limited by specific designation per Section 3400 (b). The intent of the prequalification process is not to

# Singer Charlene Moore Birthday Celebration at 57th Street Gallery

By Camryn Crump

Bay Area gospel musician, singer and songwriter Charlene Moore celebrated her 61st birthday on Friday, Nov. 2 by treating family, friends and fans to a night of her sultry, soulful storytelling voice and skilled piano playing.

Appearing at Floyd Pellom's 57th Street Gallery in Oakland, Moore quickly had the crowd hand clapping, foot stomping and snapping their fingers. Appearing with her was special singing guest Derrick Hughes.

"Singing songs that are relatable and a testimony is what I do, especially songs that remind people where we've come from," said Moore.

At an early age, Moore was supported in her career by her parents Rev. Charlie Moore and gospel singer Darlene Moore.

Influenced by gospel singer Aretha Franklin and Gladys Knight, Moore's voice may remind listeners of the early days when soul music was performed by real singers.

Moore performed overseas as the headliner of Café Dolphin in Yokohama, Japan for a record breaking three months and was also the featured performer in a tribute to Michael Bolton though the National Association of Black Female

# World AIDS Day Zero

## Help Wanted

By Jesse Brooks

Dec. 1 is World AIDS Day, an opportunity for people to come together globally, demonstrating international solidarity in the face of the HIV/AIDS pandemic.

"Getting to Zero" has been chosen as the theme for the years between 2011 and 2015, signifying a push towards greater access to treatment for all: zero new HIV infections, zero HIV/AIDS discrimination and zero AIDS related deaths.

In 1981, doctors began to see gay men come into hospitals stricken with a mysterious disease. By 2008, that disease we now know as AIDS had claimed the lives of 2 million people around the world, gay

President Barack Obama and straight. Over 33.4 million are living with the disease and in 2008 alone, 2.7 million people became infected.

After decades of awareness education and research, the tide is finally turning. According to a recent UNAIDS report, the number of people receiving antiretroviral therapy (ART) is increasing, with over 6.6 million patients in middle-income and low-income countries receiving treatment by the end of 2010.

In the same year, nearly

care due to fears of disclosure.

For the young it is the feeling of invincibility, thinking HIV cannot happen to them. Pressures on women in some countries make it difficult for them to protect themselves, and condom-free sex feels good.
