October is bullying prevention month. We informed the community about the signs students might be faced with at schools. The story featured a local principal, Mrs. Garner, at Arkansas Connections Academy, who explained different signs her students show when they are being bullied, and how to prevent them to become cyberbullies as well.

October 2018

Fire risks

Sleeping with your door closed at home reduces the risk of death when there's a fire. A national fire group posted a video that demonstrates how quickly a room with the door open can catch into fire and smoke, while the one with closed doors experienced less smoke and suffocation, leading to better chances of survival.

October 2018

Saving money during fall

During fall and winter electric companies like Ozarks Electric report higher amount of gas and electricity bills compared to summer and spring, this is due to the amount of electricity consumers use to stay warm. We gave some helpful tips to save money on these bills. We also explained how to maintain their utilities by changing air filter, cleaning fireplaces, and having a smoke detector to avoid accidents at home.
