Many brands were available for display with environmental information available at the event. Harbor View Park in Oxnard was the location for the event.</p>
<p>Program Name/Segment – Issues & Programs - Viewpoints</p>	<p>Date: 09/10/16 Time: 5:30 pm Duration: 11 minutes</p>	<p>Program Format/Content Description: With all of the rumor mills out there online, how do you fight back if your name is smeared? And who are these people who take great pleasure – and often make money – out of spreading rumors about others? Our guests discuss how gossip websites operate and how to protect yourself and your family from false and/or embarrassing information that appears online. Guests: Adam Levin, chairman and founder of Identity Theft 911 and author of the book <i>Stirped</i>; Joseph Finder, author of the new novel, <i>Guilty Minds</i>.</p>
<p>Program Name/Segment – Issues & Programs - Viewpoints</p>	<p>Date: 09/10/16 Time: 5:45 pm Duration: 10 minutes</p>	<p>Program Format/Content Description: There have been news stories all summer about wildfires destroying thousands of acres of forest in the West and elsewhere. Most of the time we hear about the devastation, but our guests says that fires actually <i>help</i> forests stay healthy and can even bring them back to their natural states by removing non-native plants. Guests: Dr. Nancy French, is a senior scientist at the Michigan Tech Research Institute in Ann Arbor, part of Michigan Technological University; Dominick DellaSala is chief scientist at the Geos Institute in Ashland, Oregon, and author of the book, <i>The Ecological Importance of Mixed-Severity Fires: Nature's phoenix</i>.</p>

<p>Program Name/Segment - Issues & Programs - KVTA Morning Show</p>	<p>Issue Addressed - Fundraiser for CSUCI Scholarships</p>	<p>Date: 09/12/16 Time: 7:40am Duration: 10 minutes</p>	<p>Program Format/Content Description: Marny Brook and Eva Gomez were in studio talking about the new university president of CSUCI, Dr. Beck, and the need for new universities to establish scholarship programs for students. Much of the monies raised are local and not state funds. 83% of the enrolled students need financial aid. This is why we must have fundraisers for funding for many of the students needs. The concert is 10/8 at Libby Bowl featuring Bruce Hornsby.</p>
<p>Program Name/Segment - Issues & Programs - KVTA Morning Show</p>	<p>Issue Addressed - Patient and Doctor Relationships. <p>Program Name/Segment - Issues & Programs – Viewpoints</p>	<p>Date: 09/17/16 Time: 5:30 pm Duration: 12 minutes</p>	<p>Program Format/Content Description: With the baby boomers transitioning into retirement in record numbers, and <i>their</i> parents living longer, we're facing an eldercare challenge that's bigger than we've ever seen before in this country. Who will take care of all of the older Americans who will need medical and end-of-life assistance in the coming decades? And how will we ensure that elder citizens will be able to live in comfort and dignity during their senior years? We talk to an activist about her own experiences with the system, and learn about strategies for dealing with the eldercare challenges that face us. Guests: Ai-Jen Poo, co-director of Caring Across Generations, author of the book, <i>The Age of Dignity: Preparing for the elder boom in a changing America.</i></p>
<p>Program Name/Segment - Issues & Programs – Viewpoints</p> <p>Issue Addressed – mental & physical health, employment, family issues</p>	<p>Date: 09/17/16 Time: 5:45 pm Duration: 9 minutes</p>	<p>Program Format/Content Description: When something happens that weighs on your mind and affects your relationships, your work and your life, how do you escape from the feelings? What can you do if you are working toward a goal, but your emotions get in the way of achieving it? Or you can't quite get out of a rut you're in with your job or a relationship? Our guest talks about how to develop "emotional agility" to deal with the thoughts, emotions and the stories we have in our lives, so we can attain the goals we set for ourselves, and live a more fulfilling life.</p>
<p>Program Name/Segment - Issues & Programs – KVTA Morning Show</p> <p>Issue Addressed – Litter, pollution, hazardous clean-up, community involvement</p>	<p>Date: 09/19/16 Time: 8:12 am Duration: 5 minutes</p>	<p>Program Format/Content Description: We spoke to John Hankins with Ventura County Coastal Commission and the Ventura Hillside Commission. John described the successful Coastal Clean-up event. 658 pounds was taken from The Santa Clara River area. Homeless shelters were the main trash producers. Batteries, plastic, paper cups, and human waste were the biggest issue. The Sierra Club was also involved in the Coastal Clean-up which was held 9/17 from 9a to noon.</p>

<p>Program Name/Segment - Issues & Programs – Viewpoints</p>	<p>Date: 01/07/17 Time: 5:30 pm Duration: 12 minutes</p>	<p>Program Format/Content Description: With new gadgets and programs being invented every day, the technologies used in solving crimes are changing constantly. We reached out to leading experts on the subject, including a programmer, a 3D printing specialist, and best-selling crime author Patricia Cornwell. Through these interviews, we got the inside scoop on how mobile devices, 3D models, and even “smart home” devices like a refrigerator can be used to crunch the data, solve crimes, and present cases in court. Guests: Lee Reiber, COO for Oxygen Forensics Inc.; Jerry Ropelator, CEO of White Clouds; Patricia Cornwell, bestselling crime author, author of “Chaos.”</p>
--	--	--

<p>Program Name/Segment - Issues & Programs – Viewpoints</p>	<p>Date: 01/07/17 Time: 5:45 pm Duration: 9 minutes</p>	<p>Program Format/Content Description:</p> <p>We see it everywhere: time travel. The concept has dominated our books, movies, and television for decades. We even saw a time travel ethics question dominate our primary election coverage. So what is it about these stories that we find so irresistible? We talk to Dr. Travis Langley, a pop culture psychologist, to uncover what lies underneath the fantasy we've all indulged from time to time: traveling backwards and forwards through time. Guests: Dr. Travis Langley, author of a series of pop culture psychology books including, "Doctor Who Psychology: A Madman with a Box."</p>

<p>Program Name/Segment - Issues & Programs – KVTVA Morning Show</p>	<p>Date: 03/08/17 Time: 8:40 am Duration: 13 minutes</p>	<p>Program Format/Content Description: The Ventura Police Department will be partnering with Forever Found to assist in the training, recognition and investigation of Human Trafficking crimes in Ventura County. Forever Found is a local non-profit organization that has been fighting to protect victims of Human Trafficking both domestically and abroad since 2010. The crime of Human Trafficking continues to be a concern in Ventura County. Law Enforcement officers may inadvertently encounter Human Trafficking victims during routine calls for service or may receive reports from other agencies of minors being exploited for commercial sex in Ventura County. Training and resources are vital to identifying potential victims, and conducting successful investigations. Funding for law enforcement to adequately respond to the problem continues to be a significant challenge. Deputy Judith Porter was in studio to lead the discussion.</p>
