

Please see attached. This is the order that we couldn't run the spot at first and then re-booked later.

Viero orders are below...

1110093357

1110093355

Thanks!

---

Thanks- I think this supports the claims for now, so we can start airing. If you hear from Householder's campaign, please let me know (always possible they'll have materials that show the claims were unfounded).

---

Revised spot attached for H&P PAC. Chris, per Target, they have addressed all concerns with the previous spot and offer up this revision to air moving forward.
