Our people, our planet: T'Challa and Wakanda are green examples to follow

on May 29, 2018 at 3:17 pm ×

CINCINNATI — “The good news is that we don’t have to wait for a vibranium wrapped brother to help us out. We can, however, follow his lead. Environmental justice is not a not new issue nor is it a new term. Communities of color have been on the frontline of the [...]

Kroger should stop selling canned goods with toxic chemicals in the linings, UC Professor Heather Zoller says

on July 20, 2016 at 2:19 pm ×

CINCINNATI — “As the largest grocery chain in the U.S., Kroger has the market power to have toxic chemicals like BPA removed from food packaging and products sold in its stores. To its credit, Kroger has recognized this is a problem and pledged action on BPA. Five years ago, Kroger [...]

Ohio Citizen Action Board of Directors – Ann Knotek

on February 26, 2015 at 7:17 pm ×

What was your first contact with Ohio Citizen Action? I attended a community meeting concerning the proposed Cleveland incinerator. I didn't know at the time, but Ohio Citizen Action was involved in organizing that meeting — which then led to my further involvement with the Cleveland Incinerator campaign and Ohio [...]
