

## **KNBC-TV**

### **Quarterly List of Programming Providing the Most Significant Treatment of Community Issues**

**April - June 2012**

## **Quarterly Issues and Programs Report**

### **April – June 2012**

Through formal and informal ascertainment of the general public, community leaders, public officials - inclusive of different ethnic organizations and service organizations, the following list emerged as issues needing media attention and support.

The programs produced to meet the needs of the public included locally produced shows and newscasts as well as national programs, public service announcement campaigns, and sales marketing campaigns.

### **Community Issues**

Accidents and Disasters	Environment
Business & Industry	Foreign News
Children & Youth	Funerals and Memorials
Consumer	Government and Politics
Court and Legal Decisions	Health and Medical
Crime and Law Enforcement	Housing
Cultural	Immigration
Deaths	Lifestyle
Diversity	Religion
Education	Safety
Elderly-Seniors-Retirement	Severe Weather
Employment/Labor	Technology
Entertainment	Transportation

## REGULARLY SCHEDULED PROGRAMS

Our locally produced, regularly scheduled programs are aired specifically to address community issues, concerns and needs. The programs are as follows:

### **NBC 4 News Conference**

The Channel 4 News Conference is a weekly program airing on most Sundays from 9am-9:30am featuring topical, informative interviews with public figures, community leaders, and government officials. The Channel 4 News Conference also airs on Sundays at 11:35pm.

### **NBC 4 News – Daily Local News Programs**

KNBC's daily newscasts devote considerable time to local issues and community problems. Regularly scheduled newscasts include:

<u>Length</u> Length	<u>Date</u> Date	<u>Time</u> Start	<u>Category</u> Category	<u>Story</u> Notes
1:23	4/2/12	11:00p	Accidents and Disasters	it's eleven o'clock.. and we begin with breaking news near santa clarita... a huge back-up caused by a deadly accident... you're looking live at the 14 freeway.... and... firefighters who raced to the scene... were injured. let's go to alex calder... in "newschopper 4"... live over the scene. alex.
0:18	4/3/12	11:07p	Accidents and Disasters	and today...the d-w-p scrambled to repair six water main breaks in the fairfax district and west hollywood. a spokesman explained they were caused by a change in pressure that stressed the pipes. the water flooded neighborhoods.. leaving many people without running water for hours.
0:13	4/4/12	11:02p	Accidents and Disasters	new... tonight at 11... in lancaster... reports of 14 people... hurt. an "antelope valley" transit bus and a police car... collided at an intersection. medics treated some at the scene... and transported two deputies to the hospital.
1:46	4/6/12	11:00p	Accidents and Disasters	the scene in virginia beach, virginia today... when a fighter jet slammed into an apartment complex! tonight... we're learning more about the crash... the pilots... and what may have happened right before the plane went down. it's a miracle that so far... no deaths have been confirmed... i'm alycia lane. colleen is off tonight. and i'm chuck henry. although the crash was a shock... for some, because they lived so close to a naval air station, it was no surprise. tonight... in virginia beach... three people are still unaccounted for... this is a look at the apartment complex tonight... the search for those missing residents will continue tomorrow but there is a chance.... they could be away on vacation!
0:29	4/6/12	11:07p	Accidents and Disasters	it looked like a scene out of a "heist" movie *today* on a freeway overpass in boyle heights. there it was... an armored truck teetering on the edge of a big drop! the driver lost control of the truck and smashed through a concrete guard-rail... it happened where the 5 and 10 freeways meet... part of the freeway was closed for about an hour... while tow trucks moved in. i know what your thinking... and, no we don't know how much cash they were carrying... and this was not an attempted robbery. 9
0:20	4/13/12	11:08p	Accidents and Disasters	looking live at l-a-x... there are reports that lightning hit a united flight from new york to los angeles earlier today. joan rivers tweeted she was on the plane when it happened... and that everyone is fine. a united airlines spokesperson acknowledged the report... and said maintenance crews are inspecting the plane for damage.
2:14	4/16/12	11:03p	Accidents and Disasters	tonight... a real mystery... involving a 66 year old man who went kayaking... and vanished... leaving behind only a capsized kayak and a life vest... but there are a lot of questions tonight about what may have really happened to him! nbc4's beverly white is live in malibu... beverly...
0:45	4/17/12	11:00p	Accidents and Disasters	there is breaking news at 11 on the 405 freeway... let's go right up to alex calder in newschopper 4.
2:05	4/19/12	11:02p	Accidents and Disasters	...you've heard the saying... timing is everything... and this is a perfect example of that. an off-duty firefighter.... happened to come across a house on fire. and what happened next... has some people ...calling him a hero. nbc four's angie crouch is live in long beach... where she spoke to that firefighter, angie!

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:25	4/19/12	11:07p	Accidents and Disasters	this accident stunned people inside and outside a dental clinic today... a car through the front door... left one person in critical condition .. two others are listed as "serious." police say an 82-year-old woman lost control of her car when she swerved... to miss another car this morning in reseda... she hit a pedestrian in the parking lot before driving through the dental clinic and pinning two employees. the driver was not seriously hurt...
0:27	4/23/12	11:14p	Accidents and Disasters	we have new video tonight of several underground vault explosions in yorba linda.. that we told you about last night. this video shows just how powerful those explosions were. one of the blasts landed two firefighters in the hospital with minor injuries. the explosions also knocked out power to more than three-thousand homes in the area. there's still no word tonight just what triggered the blasts.
0:19	4/25/12	11:09p	Accidents and Disasters	and now to a story creating a buzz tonight in altadena. these are firefighters helping to remove a hive... after an attack by a swarm of bees. two adults suffered moderate stings. a dog wasn't as fortunate... he was stung and had to be taken to an animal hospital.
0:36	4/27/12	11:02p	Accidents and Disasters	breaking news... a bad wreck on the five freeway... lets go quickly overheard... to alex calder in newschopper 4
0:20	4/27/12	11:12p	Accidents and Disasters	new video tonight... of a pickup truck fire last week at a mcdonald's in coachella. the flames were fueled by a propane tank in the back of the truck. the driver was badly burned while two children in the truck escape unharmed.
1:22	4/30/12	11:02p	Accidents and Disasters	tonight there are new details on the three people killed in the newport to ensenada yatch race.. when their 37-foot sailboat was hit by a large tanker... we now know that one crew member "drowned"... the others died from blunt-force trauma. and a fourth member is still missing. nbc4's ted chen reports.
1:06	4/30/12	11:08p	Accidents and Disasters	we're learning what *one* of the factors in the crash over the weekend in new york... that killed seven family members... it was *speed* just last year... that section of road was listed as one of new york's most accident prone stretches...
0:15	5/1/12	11:02p	Accidents and Disasters	breaking news from downtown la! firefighters just knocked down a large fire... at this home on 23rd street in downtown no one was hurt... and firefighters were able to keep the flames from spreading to nearby buildings.
0:12	5/4/12	11:09p	Accidents and Disasters	the cleanup continues on the u-s-c campus... where gas leak toughed off this inferno early today. a one inch gas line ruptured. one person was burned... fortunatley his injuries were not life-threatening.
1:34	5/8/12	11:08p	Accidents and Disasters	but first... a wildfire in the acton area scorched more than a hundred and twenty acres... and tore through several buildings. firefighters are still on the scene... nbc4's beverly white is live in acton... beverly...
0:22	5/9/12	11:06p	Accidents and Disasters	breaking news out of manhattan beach... a big power outage effecting over 16-hundred people. you can see the big black hole... where the lights are out... it may have been caused by a blown transformer. estimated restoration time around midnight

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:32	5/11/12	11:00p	Accidents and Disasters	we start tonight with breaking news in the antelope valley! tonight... a fire has been burning and it spread.... very quickly between tahachapi and rosamond in the antelope valley... here's what it looks like from newschopper 4... so far it has burned about 150 acres... firefighters are hoping to have it contained in a couple hours. no homes are threatened... but firefighters say they will stay on the lines throughout the night... and tomorrow.. keeping an eye on hot-spots... we'll keep you posted...if the situation changes...
1:45	5/11/12	11:04p	Accidents and Disasters	tonight they finally plugged that ruptured water main in venice... but not before the water damaged homes, flooded streets and left an enormous mess! nbc4's angie crouch is live in venice... angie...
1:57	5/14/12	11:07p	Accidents and Disasters	if you like to swim in the ocean or go boating... it has to be something you think about... a shark attack.... and it happened to a man from paso robles... who was kayaking off the coast over the weekend.... he lived to tell the tale.... nbc4's kim baldonado is live near the coast-line with the details... kim...
0:30	5/16/12	11:07p	Accidents and Disasters	an expensive crash... at this exotic car shop in mid-city. the driver of a lincoln town car slammed into "specialty car craft" on la cienega boulevard... then ran away. the crash damaged several cars inside the store... including a yellow ferrari with a lakers logo... and "baller-24" on the windshield. "24" is kobe bryant's number... and he is known to drive a yellow ferrari... but so far... no one has confirmed... who owns this one.
4:32	5/21/12	11:00p	Accidents and Disasters	we're on the scene of a plane crash it's breaking news at 11 o'clock in a glendale neighborhood! it's our top story. i'm chuck henry. and i'm colleen williams. we're told the pilot reported having problems near el monte... he was was trying to make it to van nuys airport... before he crashed in a neighborhood in glendale. nbc4's robert kovacik is live in glendale with more on this breaking news. robert?
0:53	5/21/12	11:05p	Accidents and Disasters	alex calder is live above the scene in newschopper 4. alex?
0:20	5/22/12	11:05p	Accidents and Disasters	breaking news... a power outage in parts of west hollywood tonight. the dark building you see... next to the bright billboard... that's the "chateau marmont" hotel. d-w-p says an outage has knocked out power to about one-thousand customers in this area... mostly homes. no word yet what caused all of this.
0:20	5/24/12	6:06a	Accidents and Disasters	we're following a developing story this morning ...a fire aboard a nuclear submarine. the flames injured seven people aboard the u-s-s miami. it caught fire while in dry dock in portsmouth, maine. the military says the fire did not threaten the ship's nuclear reactor and no weapons were on board. the cause of the fire is still unknown.
0:25	5/25/12	11:03p	Accidents and Disasters	a developing story happening right now at the los alamitos race track. we've just learned of an accident on the track... just a few hours ago... involving at least a pair of horses and their jockeys. the horses collided during tonight's fourth race... sending the jockeys flying off the horses...to the ground. we've been told at least one of those jockeys is in critical condition. the other jockey appears to be okay... no word yet on the condition of the horses involved.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
1:01	5/28/12	11:02p	Accidents and Disasters	she spent the night at a friends house... to avoid possible drunk drivers overnight... when she got on the road at 7:00 a-m...she never imagined... that a suspected drunk driver would take her life... and the lives of her two young daughters. 30 year old "liz jane martinez" and her family were turning at an intersection in willowbrook... when a driver in a cadillac... slammed into them. martinez and her two daughters were ejected from the van... and died from head trauma. her 'one year' old son and the driver of the van survived. just a few hours ago at that same intersection.... a vigil was held for martinez and her daughters. several dozen people came out to support the family.... and some left money in a donation box. a young woman we spoke with tonight... said she helped pull one of the daughters out of the van. ***sot*** ***sot*** witnesses said the suspect tried to run away... but they stopped him and held him... until police arrived.
2:05	5/30/12	11:00p	Accidents and Disasters	it's quiet tonight at the intersection where... hours earlier... a speeding pick up truck plowed into a group of high school students. a pick up truck plowed into a large group of high school students. good evening...it's eleven o'clock! i'm colleen williams. and i'm chuck henry. and it was right outside hemet high... tonight several students are in critical condition... nbc four's beverly white is live in hemet... beverly!
0:20	5/30/12	11:07p	Accidents and Disasters	breaking news from newport beach... the c-h-p says one person was killed tonight when two cars collided head-on along pacific coast highway. it happened just before eight o'clock in the 600 block of p-c-h near el morro. one person was pronounced dead at the scene. and one other person is hospitalized.
1:33	5/31/12	5:00a	Accidents and Disasters	Students Injured- truck runs light, broken brakes hits students in cross walk

0:17	5/31/12	6:48a	Accidents and Disasters	students injured
0:53	5/31/12	6:57a	Accidents and Disasters	students injured

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:21	5/31/12	11:14p	Accidents and Disasters	it was like a bomb went off in this bar in minnesota.!!! a pickup truck smashing through the wall... pinning some patrons . the amazing thing here is that nobody was seriously hurt.. this happened yesterday... police say the driver had some sort of medical problem... and that is why she lost control.
0:21	6/1/12	11:06p	Accidents and Disasters	'new' tonight at 11... a baby rescue in "san dimas." little "janell"... was in "bonelli park" tonight with her mom... when 'suddenly'... the baby girl began 'choking' on a 'cookie'... and couldn't breathe. . luckily... a couple sheriff's deputies were at the park and knew just what to do... they gave janell a few pats on the back and now... she's fine.
0:23	6/4/12	11:14p	Accidents and Disasters	a school bus accident... caught on tape... it happend last month in indiana the driver hit a bump and fell out of his seat... he was the only person on the bus... he struggled to regain control... but the bus crashed into a house... fortunately no one was hurt... but the driver was ticketed for not wearing a seatbelt.
0:53	6/13/12	11:00p	Accidents and Disasters	a developing story... right now... originating in "orange county"... but felt in points beyond. ***sot*** ***sot*** ***sot*** a 'four-point-oh' earthquake (downgraded from a 4-1) struck just north of "yorba linda"... at 8:17 p-m tonight. here's what showed up... on our 'seismocam.' we got phone calls and emails from people throughout orange and parts of los angeles county, and even from the inland empire... saying they felt it.. it surprised many in anaheim... who were at the red carpet premiere of the new "cars land" attraction at disney's california adventure. many of you were commenting on our web site, it felt quick, and violent... like something slamming into the house.... ***sot*** ***sot*** the quake was also followed by a 2.4 aftershock minutes later so far, no reports of damage or injuries...
1:49	6/13/12	11:01p	Accidents and Disasters	and we have a developing story in downtown l-a..... where an explosion "ripped" through a business 'four' people sent to the hospital... and... one of them... has died. nbc 4's kim baldonado is live in "downtown los angeles." kim... what have you learned?
0:46	6/14/12	11:00p	Accidents and Disasters	BREAKING- Santa Fe springs fire
2:00	6/18/12	11:03p	Accidents and Disasters	new at 11... a retired firefighter comes to the rescue of a drowning baby girl! in an n-b-c-4 exclusive... ted chen spoke with that retired firefighter and the family. he is live in coto de caza.
0:24	6/18/12	11:05p	Accidents and Disasters	new at 11... we now know what happened seconds before a fatal fall at staples center. a woman whose two year old son fell to his death at a lakers game... says she perched her toddler on a ledge... to take his picture... when he fell 50 feet to his death. it happened in 2010... now she is suing staples center for wrongful death. staples center lawyers have asked a judge to dismiss the case.
1:04	6/19/12	11:04p	Accidents and Disasters	the 9-1-1 call... from rodney king's home in rialto ... early sunday morning... has been released... the frantic call... reveals a lot about what happened... after his fiancee discovered him at the bottom of the backyard pool... police say he showed no signs of trauma and there was no blood near the pool. toxicology tests were done... and the results... will take several weeks.
0:13	6/19/12	11:07p	Accidents and Disasters	new tonight... fire has raced through a metal fabrication business in boyle heights... flames burned through the roof.. and heavy smoke could be seen for miles. there's no word yet on what caused it.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:19	6/20/12	11:09p	Accidents and Disasters	and... tonight...investigators don't know what started this fire.. that badly damaged a san francisco landmark. this is pier 29... along the embarcadero. it was built ... in 1915. the building has been vacant lately... but it was supposed to be re-developed.. for use during next year's america's cup yacht race.
0:15	6/22/12	11:07p	Accidents and Disasters	a 'massive' back-up right now... on "the 710" freeway... near "the 5". a truck carrying 'wet' asphalt ... lost part of its load... sending a mess... all over the freeway. you definitely want to avoid this... right now... 'no' word on when crews will have that area cleaned up.
0:24	6/22/12	11:07p	Accidents and Disasters	and it was a rough ride to las vegas today! a chemical spill on interstate 15... near the california-nevada state line... backed up traffic in both directions. it all started around 6:30 this morning.... but drivers faced a back-up ... well into the evening. it took a hazmat team more than six hours to clean up the mess. tonight... all lanes are open again.
0:44	6/22/12	11:31p	Accidents and Disasters	breaking news - officer invloved crash in hollywood
0:11	6/25/12	11:04p	Accidents and Disasters	a small brush fire... a little too close for comfort tonight... for homeowners in benedict canyon. the fire broke out on west angelo drive. the fire burned about half an acre... before being knocked down.
0:17	6/25/12	11:05p	Accidents and Disasters	and... a small fire broke out tonight at the americana shopping mall... in glendale. sprinklers put out most of the fire... before the crews even arrived... shoppers were briefly evacuated... no one was hurt. apparently it started in a dumpster somewhere near the theaters...
2:14	6/26/12	5:00p	Accidents and Disasters	19 car pile-up on 14 freeway, 15 injured
2:21	6/26/12	5:02p	Accidents and Disasters	People injured in 14 freeway pile-up talk about the crash. Most injuries minor, no fatalities.
1:31	6/26/12	5:58p	Accidents and Disasters	19 car pile-up on 14 freeway near agua dulce. Lanes closed for hours.
0:43	6/26/12	6:00p	Accidents and Disasters	19 car pile-up on 14 freeway near Agua Dulce leads to southbound lanes being closed for hours.
2:21	6/26/12	6:01p	Accidents and Disasters	elevator death investigation at Cal State Long Beach finished. No defects with the elevator, university will not be cited.
0:29	6/26/12	11:04p	Accidents and Disasters	we have breaking news tonight from colorado... that glow in the distance is an out of control fire destroying homes around colorado springs. it won't be until tomorrow morning that we know how many homes were lost tonight as flames close-in on the air force academy just 5 miles away. colorado, new mexico, montana and utah have been plagued by massive wildfires.. with hundreds of homes already destroyed.
0:54	6/26/12	11:07p	Accidents and Disasters	the california highway patrol says a truck was responsible for a huge pileup on the antelope valley freeway this morning. 19 vehicles were involved .. many of them piled on top of one another... in the southbound lanes of the freeway near agua dulce. investigators say the driver of the big rig was going too fast... and couldn't avoid the traffic that was stopped in front of him.... the c-h-p halted traffic to clear debris from the freeway. although alot of vehicles were totaled - no one was killed... although 17 people were injured...two of them critically. it all began around 9:30 this morning... and it took hours to clear the carnage and re-open all lanes of the freeway.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:26	6/27/12	11:04p	Accidents and Disasters	breaking news! looking live at the athens area... where people are suddenly having to move their horses out of a stable that appears to be dilapidated. two sundays ago there was a bad fire there... and we're told that's what led to this wild scene tonight with horse owners collecting their animals. they claim animal control gave them 24 hours to move their horses out.
0:16	6/27/12	11:05p	Accidents and Disasters	a 16-year-old girl from livermore in northern california was bitten by a shark in maui. her mother says she was close to shore... on the beach in lahaina... in about 3 feet of water when it happened. it left a gash on her calf... about five inches deep. doctors say she'll be fine.
0:19	6/27/12	11:08p	Accidents and Disasters	wildfires continue to rage tonight in colorado... the most dangerous is a 18-thousand acre blaze that's destroyed 257 homes and forced the evacuation of 36-thousand people near colorado springs. it's only 5 per cent contained. president obama plans to visit the area friday.
0:18	6/28/12	11:07p	Accidents and Disasters	tonight... the c-h-p has identified two people who drowned today in the california aqueduct. 48 year old fino hernandez and his nine year old nephew, miguel ortiz junior... both of hesperia... the boy apparently fell into the water... the uncle jumped in to save him... and they were both swept away.
1:31	6/28/12	11:09p	Accidents and Disasters	a body has been found inside one of the hundreds of homes destroyed by raging wildfires! and tonight the best hope at containing those fires reamins are the fightfighters who've been working around-the-clock... nbc's miguel alma-gair reports... several staff members of the u-s olympic facility there... are also out of their homes .... but the headquarters... and the olympic training center are not in danger.
2:10	6/29/12	11:02p	Accidents and Disasters	breaking news in beverly hills... a huge -mansion... once owned by a reality tv star catches fire! ***sot*** ***sot*** ***sot*** and tonight... hours later... fire crews are still on scene! it's eleven o'clock! i'm colleen williams. and, i'm chuck henry. nbc4's janet kwak is live in beverly hills, janet?
1:37	6/29/12	11:04p	Accidents and Disasters	as we said the mansion is the former home of reality star lisa vanderpump... and ... in fact...the mansion was used in her show... "the real housewives of beverly hills"... this is vanderpump ... hosting a video tour of the mansion when she still lived there... our robert kovacic talked with vanderpump and her husband ken todd tonight... at "sur"... the restaurant they own in west hollywood . lisa talked about seeing the fire at her former home... for more dramatic picturs of the mansion fire... go to our website... nbcla.com
0:27	6/29/12	11:07p	Accidents and Disasters	help is enroute from california...! california is sending two big firefighting planes to colorado to help fight those enormous wildfires there. about 30-crew-members will also make the trip. the waldo canyon fire near colorado springs has burned 26-square miles...2 bodies have been found... ...the fire has destroyed at least 350-homes.... with 20-thousand still threatened!

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:44	4/5/12	11:10p	Business & Industry	after all the talk... a-e-g has finally gone public with its environmental impact report on the proposed downtown football stadium. it has now released a 10-thousand page report which attempts to answer concerns over traffic... if the field is built near the convention center. a-e-g says it's goal is to have 25-percent of those coming to games using alternative transportation.... like "light-rail" and "buses." it also plans to spend 35-million dollars to add more lanes to the the 101-harbor freeway and expanding an existing light rain station. the goal is to have the stadium ready for the 2017 season.
0:22	4/6/12	11:15p	Business & Industry	side note on that... coca-cola probably won't be served at a lot of seders this year! last year, coke changed its process... to reduce the levels of a certain chemical questioned by the state of california. the changes didn't affect the formula or the taste... but the resulting product no longer meets jewish dietary laws for passover coke is promising a product for passover next year.
2:39	4/6/12	11:15p	Business & Industry	and if you love pizza... listen to this! people are packing into a new restaurant in westwood that promises gourmet pizzas... in sixty seconds! n-b-c-4's angie crouch is live there tonight! angie!
1:16	4/9/12	11:06p	Business & Industry	facebook is expanding... the social media giant announced they are buying "instagram." that's a cell phone app that allows users to quickly post pictures they take with their phones. the selling price reportedly is one billion dollars. nbc4's cary berglund reports.
0:19	4/17/12	11:14p	Business & Industry	billionaire investor warren buffett said today that he has prostate cancer. buffett says doctors caught it in its earliest stages... and that it is .. quote... not remotely life threatening. he said he will undergo two months of radiation treatment this summer... and his travel will be restricted during that treatment.
0:37	4/19/12	11:10p	Business & Industry	and it appears that luck has run out for a new california lottery tv commercial. maybe you've seen it... with "lady luck" slapping a winner?? this ad is being pulled by the lottery commission, after complaints from sacramento lawmakers. they weren't happy that it showed a woman slapping the man... which symbolized being struck by lady luck... one lawmaker said it glamorized violence. a new version will show lady luck blowing a much softer, kiss.
0:26	4/23/12	11:23p	Business & Industry	disneyland already has those tea cups... and now... it's going to have coffee cups as well... starbucks is coming to the magic kingdom... the seattle-based coffee chain says it'll open a store inside each of the six disney properties in florida and california. the first will open this summer at california adventure. financial terms of the deal have not yet been disclosed.
0:33	4/30/12	11:24p	Business & Industry	mcdonald's is super-sizing a new restaurant that it's opening for the upcoming london olympics. it's the "biggest" mcdonald's ever built. this is what it will look like. more than 32-thousand square feet .. about half the length of a football field. there'll be seating for 15-hundred people. the restaurant will be open for six weeks for the olympics and para-lympics. mcdonald's expects to serve more than 50-thousand big macs
0:19	5/3/12	11:22p	Business & Industry	move over i-phone!! samsung today rolled out its new "galaxy-s-three" smart phone. in a ceremony that would have made steve jobs proud... samsung's president unveiled the sleek device in london. it's got a lot of features.. including activation by voice, touch.. and even "by eye" contact!!
0:21	5/10/12	11:06p	Business & Industry	developing news... stock in j-p morgan chase fell more than six percent tonight... after chase said it lost two billion dollars over the past six weeks from bad investments. the biggest u-s bank says the losses came from investing in risky credit defaults.

0:42	4/5/12	11:06p	Crime and Law Enforcement	a big problem tonight in an area of sun valley... said to be plagued by prostitution! dozens of people who live in that area... took to the streets tonight... to raise awareness. police tell us... prostitutes can be found... any night of the week.. near lankershim and san fernando road. to make matters worse... authorities say the area has so much traffic... pimps are actually "bussing" girls in to "work" the area. many sun valley residents want to know.... what gives? ***sot*** ***sot*** police say they've made arrests and have posted names in newspapers to try and detour "johns".
0:45	4/5/12	11:07p	Crime and Law Enforcement	that mom we've heard a lot about... the one he allegedly had her baby in her lap while driving on the 405... she appeared before a judge today. police arrested 29-year old "shawn-dee-ah" bowen tuesday... after officers were tipped-off by another driver. besides the baby in the front of the car... officers say in the back seat bowen had a two year old in an unsecured car seat and a four year old girl without a seat belt bowen was booked for child endangerment and the three children were taken into protective custody. it turns out bowen is already on probation for 2010 child abuse case... and has been cited several times for driving with a suspended license. ***sot*** ***sot*** it turns out bowen is already on probation for child abuse from 2010... and has been cited several times for driving with a suspended license.
2:09	4/5/12	11:08p	Crime and Law Enforcement	tonight, the independent investigation is now underway... in the killing of kendrec mcdade. he's the 19-year-old who was shot to death two weeks ago by pasadena police. n-b-c4's beverly white is live in pasadena tonight with the latest. beverly!
0:28	4/5/12	11:10p	Crime and Law Enforcement	a suspected drunk driver is facing a long list of charges tonight... after a tragic crash in baldwin park. this s-u-v hit and killed a caltrans contract worker, connor penhall, along the 10-freeway. the victim is a member of the famous penhall motorcycle racing family. his father, bruce, is a former world champion and an actor. investigators say connor penhall was killed.. when the driver of that s-u-v drove into a coned-off section of the freeway.
2:03	4/6/12	11:02p	Crime and Law Enforcement	in westminster tonight... police are still looking for a truck driver... who may have been "street racing" last night... and who may have been part of a horrible accident... nbc-4's beverly white is live in westminster... beverly...
0:28	4/6/12	11:04p	Crime and Law Enforcement	an orange county doctor will be arraigned monday for allegedly writing false prescriptions. according to prosecutors: doctor brain swan, wrote prescriptions for his "girlfriend" and "ex-girlfriend"... and then kept the drugs for himself! . swan's attorney says client has a personal problem with "adderall".... a drug used for adult deficit disorder. the doctor is free tonight on a 25-thousand dollars bail.
0:27	4/6/12	11:09p	Crime and Law Enforcement	a former central california teacher who was in trouble about a month ago.... is in hot water once again... and, this time, it's landed him behind bars. this is christopher james hooker and an 18-year-old student, who he moved-in with, back in february. he quit his job in order to do so. tonight, hooker is accused of sexually abusing a different female student... a 17-year-old... back in 1998. he was arrested today.. and is being held tonight on 50-thousand dollars bail.
0:19	4/6/12	11:10p	Crime and Law Enforcement	and this is a moreno valley school board member in court today.. pleading *not* guilty to felony sex-related charges. mike rios is accused of pimping, pandering and rape. prosecutors say he forced three women to work for him as prostitutes.. and tried to get three others to do the same... including two 17-year-old girls.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:21	4/9/12	11:01p	Crime and Law Enforcement	breaking news... in "montebello"... police say several "sears" customers called 9-1-1... saying two armed men... had just robbed them. the men were wearing 'bandanas' and 'ski masks'... and took about '15-thousand dollars.' they got away... driving... 'southbound' on "montebello boulevard." police are now checking out surveillance tape from the store. no one's hurt... just shaken up.
1:47	4/9/12	11:02p	Crime and Law Enforcement	in "downtown los angeles"... 'road rage'... in the bike lane. tonight... a woman is in the hospital... after she says she was allegedly chased down by a driver... while she was riding her bike. nbc4's angle crouch is live in downtown l-a with the story.
0:25	4/9/12	11:05p	Crime and Law Enforcement	you've got to be careful of what you buy... especially on the internet. these look like the real thing... but... they're not. and... now a "lakewood" man... faces major jail time... accused of hawking fake "microsoft" software 'online.' "collier bennett harper" faces up to 60 years in prison... if convicted of "smuggling" and "trafficking counterfeit goods."
0:33	4/9/12	11:05p	Crime and Law Enforcement	what about a counterfeit house party? it was definitely a party... but it wasn't their house. we showed you this surveillance video... of hundreds of people swarming a house in "holmby hills"... a few weeks ago. turns out... what prompted it was a "tweet." a teen sent out a "tweet"... that he and his parents... were going out of town. so someone decided to party at his empty home. in fact... that's a new trend spawned on "facebook" and "twitter." of course... breaking into someone's home and throwing a party... is illegal. so... a small reminder of the obvious tonight... don't announce your vacation plans on the web... bad idea.
0:20	4/9/12	11:07p	Crime and Law Enforcement	tonight... a 'new' push to make it nearly 'impossible'... to use a 'stolen' mobile phone. major phone companies are teaming up with the federal government... to gather a data-base of "i-d numbers"... unique to 'each' phone. ... kind of like "vehicle identification numbers." that would let "mobile carriers"... 'permanently' disable a phone... once it's reported stolen.
0:53	4/9/12	11:08p	Crime and Law Enforcement	the trayvon martin case will not go before a grand jury. that announcement made today by the special prosecutor assigned to the case. that means it's now solely up to prosecutor... angela corey... as to whether george zimmerman will be charged with any crime in the february shooting death of trayvon martin. corey said in a statement that for now... the investigation continues. the martin family attorney also released a statement saying the family was not surprised by the decision and is still hopeful for the arrest of george zimmerman. and zimmerman... has now launched a website. "the real george zimmerman dot com" asks for donations to help with living and legal expenses for george zimmerman. the former neighborhood watchman...says on the site ... he needs help because he was forced to leave his home, job and family. he also called the website an outlet to speak directly to supporters.
0:39	4/9/12	11:33p	Crime and Law Enforcement	breaking news - police pursuit ends in sylmar tonight.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:29	4/10/12	11:02p	Crime and Law Enforcement	another developing story... the special prosecutor in the "trayvon martin" case said tonight... she's planning to release... 'new' information on the investigation... sometime in the next '72' hours. that announcement came... a few hours after... the 'lawyers' for "george zimmerman" said... they've lost touch with their client... and they're withdrawing from the case. they said they haven't talked to "zimmerman" in at 'least' two days... that he's not answering his phone. zimmerman is the "community watch" volunteer who's admitted he shot "martin"... in february.
2:05	4/10/12	11:02p	Crime and Law Enforcement	there's a new warning tonight... about thieves... targeting something most of us carry... all the time! police say there's been a spike in crime in venice beach... and the suspects appear to be after cell phones! nbc4's patrick healy has more on this new warning... plus... what carriers are doing to make it harder to sell stolen phones... patrick.
3:54	4/11/12	11:00p	Crime and Law Enforcement	a shootout on the 101. i'm lucy noland... chuck henry is off. and i'm colleen williams. let's get right to this breaking news! nbc4's john cadiz klemack... live in woodland hills.
2:03	4/11/12	11:04p	Crime and Law Enforcement	the investigation continues tonight... into the murders of two u-s-c grad students near campus! and tonight... security at a vigil... was tight ... hundreds of people turned out to remember those 2 young students from china. nbc four's ted chen is live on campus... ted...
1:42	4/11/12	11:07p	Crime and Law Enforcement	george zimmerman is behind bars tonight... the neighborhood watch volunteer now faces second degree murder charges in the shooting death of trayvon martin. his arrest comes after more than a month of protests... marches... and multiple investigations.. the first hearing in the case is set for tomorrow afternoon.
2:49	4/11/12	11:10p	Crime and Law Enforcement	new details tonight in a story we brought you last night. it seems... two l-a-p-d officers witnessed a cyclist falling off her bike... and severely hurting herself... contradicting her earlier story. nbc 4's angie crouch is live in downtown l-a. angie.
0:35	4/11/12	11:16p	Crime and Law Enforcement	the "101 freeway" is shutdown... in both directions in "woodland hills." alex calder.... in newschopper 4.
1:43	4/11/12	11:17p	Crime and Law Enforcement	charles manson says he's a "very dangerous man." that's what he told a prison psychiatrist... and so today... the parole board 'turned down'... his latest bid for freedom. no surprise... to "mary neiswender" ... a former reporter who has followed the manson case since the 19-70's.... over the years... they became pen-pals... of sorts. nbc four's gordon tokumatsu has more.
2:26	4/12/12	11:01p	Crime and Law Enforcement	and you saw it first last night... on our news... that police shooting on the 101 freeway... a teenager... shot and killed by police... as he ran down the middle of the freeway... at the end of a wild pursuit. tonight... we're finding out more about that young man... 19 years old... and the 9-1-1 calls he made right before dying. police say they shot at him with more than 90 rounds. nbc four's lolita lopez is live in woodland hills... lolita!
2:15	4/12/12	11:04p	Crime and Law Enforcement	u-s-c is stepping up security tonight... as police try to solve a deadly shooting... near campus... 'two' grad students... shot and killed... early yesterday morning. nbc 4's john cadiz klemack is live near campus... at a "safety kiosk"... john.
0:19	4/12/12	11:06p	Crime and Law Enforcement	developing news out of new hampshire tonight... where a small town police chief... apparently only one week from retiring... was shot and killed during a drug raid. this happened in greenland, new hampshire... four other officers were wounded... late tonight... the suspected gunman was still barricaded inside the home where the raid took place.

2:32	5/24/12	6:32a	Crime and Law Enforcement	<p>happening right now! missing fox executive gavin smith may have been spotted on california's central coast. let's go to "vision-plus!" michael brownlee has more on this n-b-c-4 exclusive. we continue to follow this developing story... gavin smith has been missing since may 1st and may've been spotted up the coast in morro bay. so... n-b-c 4's robert kovacik took a camera crew and headed up the coast to get some answers. he spoke exclusively with two people who claim to have seen the six-foot-six "smith" on the same night... in the same place... in fact... just six days after he went missing. marcy carney works at the "taco temple" restaurant on "highway one." she believes she served "them" on the night of may 7th... i say "them"... because the guy marcy believes is gavin smith was with a woman that night. david brill was also at the restaurant - and right away noticed the tall man and woman who walked in. brill says the guy's striking features could'nt go unrecognized - from his stature and good physical build... to his extremely white teeth. "brill" was in morro bay on business and sat just two tables down from the couple... and at the time... didn't know that he may've spotted a man who is at the center of an ongoing missing person's investigation. marcy told the couple she was originally from orange county... they said they were from "down south." the two asked for a restaurant recommendation for the next night. based on their brief conversation... "marcy" says she got the feeling they were going to stay in morro bay for at least a little while... but talked about heading up "north." as you know... "smith" was last seen may 1st leaving a friend's house in "oak park." smith's family has set up a "find gavin" website and his son "evan" has even turned to "twitter" in an attempt to find his dad. now... that possible witness... david brill says he contacted the l-a county sheriff's department shortly after seeing the man he believed is gavin smith... but says he hasn't heard back from detectives. meanwhile... i put a call into the department this morning. the deputy i spoke to appeared to be aware of this "new" information... but couldn't confirm whether detectives are following up. just so you know... our colleague robert kovacik is still up in morro bay and continues plug away at this developing story. we expect to have more from him later this afternoon on n-b-c four.</p>
2:47	5/24/12	11:00p	Crime and Law Enforcement	<p>an nbc4 exclusive! the l-a-p-d... wants to look at newly discovered manson family tapes! that could possibly hold evidence linking charlie manson and his followers to even more murders. it's our top story. i'm colleen williams. and i'm chuck henry. and tonight... the l-a-p-d is interested in recordings between one manson family member, charles "tex" watson ... and his attorney! nbc4's patrick healy broke the story... patrick is live at lapd headquarters in downtown l-a!</p>
1:59	5/24/12	11:03p	Crime and Law Enforcement	<p>tonight... a former long beach high school football star... wrongly convicted of rape... says he wants to get his football career back on track. now that his accuser has finally admitted... she made the whole thing up! nbc four's beverly white is live in long beach... bev!</p>

0:33	6/4/12	11:06p	Crime and Law Enforcement	now an update on a story we've been following very closely the family of missing fox executive gavin smith is now offering a 20-thousand dollar reward for any information... that will help to find him. the l-a sheriff's department will hold a news conference tomorrow... asking for your help in finding him... 57-year old smith was last seen a month ago. adding to the mystery... we've talked with several people... who claim to have seen smith and a woman... just a few weeks ago... in the central coast town of "morro bay."
0:41	6/4/12	11:07p	Crime and Law Enforcement	new at eleven... police may know the reason why the mother of an lapd officer... was shot to death in her home. investigators now say **robbery** may be the motive for the murder of 79 year-old cleo hughes. miss cleo...the neighbors called her. she was found shot to death inside her home in south l-a on sunday. her son... who is an l-a-p-d officer... discovered her body. the victim's son trains recruits for the l-a-p-d.
0:29	6/4/12	11:08p	Crime and Law Enforcement	the teenaged driver accused of plowing his truck into a crowded school crosswalk is free tonight but that may change shortly. the c-h-p says 18 year-old daniel carrillo was driving over 50 miles per hour in a school zone when he ran a red light outside hemet high last wednesday. eight students were hurt. at the time carrillo told officers his brakes failed... but an inspection later showed they were working fine.
0:29	6/4/12	11:09p	Crime and Law Enforcement	now to the war next door! coast guard officials say drug runners from mexico are using "panga boats" more than ever.... to smuggle 4-to-5 tons of drugs into southern california...on each run! these boats sometimes go out to sea one-hundred miles... before heading back to shore... to avoid the coast guard. the california national guard has set up surveillance teams on high ground overlooking the coast to and catch the boats and their cargo before they hit shore.
1:32	6/5/12	11:05p	Crime and Law Enforcement	but first... some of the other stories in the news tonight... there are some new developments in the murder of a retired english teacher in simi valley... janice sample's (like the name "tom") body was found last week inside her home.... now investigators say they'll have new information tomorrow.... nbc4's beverly white is live in simi valley.... beverly...
0:33	6/5/12	11:09p	Crime and Law Enforcement	police are desperate to find a suspect... in the shooting death of an infant... in a south la neighborhood. they are worried... violence could escalate ... if the shooter is not caught. one year old angel cortez was killed... while being held by his father... police say a gunman on a bicycle... opened fire. police say rival gangs run these streets and they believe the shooting is gang related. earlier the l-a city council approved a 50-thousand dollar reward for information leading to the killer. that reward has now doubled to 100-thousand dollars with a donation from the l-a kings.
0:25	6/5/12	11:22p	Crime and Law Enforcement	this picture was released by police... it shows a car belonging to a woman in colorado... who was pulled over... as you can see... her toddler is sitting free... while a gas can is safely strapped into the car seat... the driver told police that the child lets himself out of the safety seat all the time... but police weren't impressed... and cited her for an illegal turn... and of course the car seat violation.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:54	6/6/12	11:07p	Crime and Law Enforcement	tonight... the murder of a simi valley teacher... has been solved... and the details are bizarre... police say they know who did it... but they may never know why... and they will never arrest him! police said today that retired high school teacher janice somple was killed last week by paul porter... a 66 year old arizona man. investigators say the two dated ... several years ago. but... they they also said that after the murder... as porter was leaving the scene... he died! he had a heart attack behind the wheel... and crashed his truck. police were still being tight-lipped today... about exactly what they found at the crime scene...
0:46	6/6/12	11:08p	Crime and Law Enforcement	this was day four of the preliminary hearing for two suspects in the beating of bryan stow... and they played 9-1-1 tapes from that day at dodger stadium! this hearing will determine if suspects louie sanchez and marvin norwood should stand trial for stow's beating. so far... the most incriminating testimony has come from norwood's own words at a police interrogation. that could change tomorrow when sanchez's sister... the alleged get-away driver... is scheduled to testify.
0:42	6/7/12	11:07p	Crime and Law Enforcement	crucial testimony... in the "bryan stow beating" case... as prosecutors try to show... that suspects "louie sanchez" and "marvin norwood"... 'should' stand trial. today for the first time... a witness today... pointed her finger at "sanchez" and "norwood"... as "stow's" attackers. witness "mary dolores donley" identified "sanchez" and "norwood" as the men 'she' saw 'beating' then 'walking away' from "stow"... left 'critically' injured. also today... "sanchez's" sister testified... "norwood" had blood on his hands... as he hurriedly arrived... at her waiting car. the hearing could wrap up tomorrow.
1:33	6/7/12	11:08p	Crime and Law Enforcement	tonight... a manhunt is underway... for the suspect who kidnapped a woman... **while** she was driving on the 10 freeway! lets get right to nbc 4's kim baldonado live in downtown l-a with the latest. kim.

1:48	6/11/12	11:09p	Crime and Law Enforcement	there was other news tonight.. including the driver who first swerves... then hits a person. as horrible as it looks it could have been worse! nbc four's beverly white... live with the search for the driver... beverly!
0:40	6/11/12	11:15p	Crime and Law Enforcement	tonight "n-b-c news" is reporting... prosecutors are considering 'criminal charges' against former 'top'... "penn state university" officials. they believe those former officials may have 'hid' what they knew... about 'ex' assistant football coach "jerry sandusky." an emotional day filled with graphic testimony on this first day of "sandusky's child abuse trial." the first witness said he was '13' when he met "sandusky." and... that "sandusky" showered him with gifts... but 'also' molested him... in 'locker-room showers' and in 'hotels.' "sandusky's" attorney says... giving young boys gifts... was simply part of the 'football culture' and 'not' a crime.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:23	6/11/12	11:15p	Crime and Law Enforcement	an "oregon" woman is in big trouble... accused of filing a fraudulent tax return... a big one... as in 'two million dollars' big. prosecutors say "krystle reyes" used "turbo tax" software to do it. she claimed she earned more than 'three million' dollars in 20-11... and it worked... until authorities hauled her off in 'handcuffs'... after prosecutors say she went on 150-thousand dollar shopping spree.
0:29	6/12/12	11:00p	Crime and Law Enforcement	we're starting off... with 'breaking news.' a wild police chase... through the "san fernando valley." it started in "sylmar"... for "grand theft auto." at one point... the driver was going nearly '80' miles an hour... on surface streets. this chase ended about 30-minutes ago with this dramatic spin-out near topanga and victory in woodland hills. the suspect took off running... but was caught a short time later.
1:44	6/12/12	11:03p	Crime and Law Enforcement	last night we first showed you dramatic video of this hit-and-run... where a car seemed to deliberately hit a man crossing the street... sending him flying.. he survived.. now, we have the 9-1-1 tapes of what police say was no accident! nbc4's beverly white is live in buena park... beverly...
0:19	6/12/12	11:07p	Crime and Law Enforcement	the body found in a parked s-u-v in the fairfax district saturday was no accident. we called the l-a county coroner's office tonight... and they confirmed the cause of death was... a gunshot. the body was discovered when somebody smelled a really bad smell coming from the vehicle. it's now being investigated as a homicide.
0:26	6/12/12	11:07p	Crime and Law Enforcement	also tonight two con-men dressed as women allegedly bilked at least 40 businesses out of merchandise... hotel rooms... and even an s-u-v! and... now... "manhattan beach police" have arrested them. these are photos of the suspects. police say they 'tricked' store employees into accepting 'bogus' credit cards... by posing as 'customers' and credit card company employees. police say... they wore 'make-up' and 'dressed-up'... like women. they also used "fake i-d's."
0:20	6/12/12	11:08p	Crime and Law Enforcement	the search is on tonight a group of crooks... dressed as city employees.... these s0-called "distraction burglars" have hit several homes in the foothill area... they tell the victims they need to enter the house to check wires... one distracts... while another one robs... so... if somebody wants to enter your house... check on them first with the city...
1:05	6/12/12	11:08p	Crime and Law Enforcement	it started with an armed robbery in texas...then a high speed police chase.... and what came next... suprised everyone! both parents are in police custody. family members say the child is now staying with other relatives.
0:24	6/12/12	11:09p	Crime and Law Enforcement	as the trial of "jerry sandusky" heads into "day three"... the jury is left with the testimony from former "penn state" assistant football coach "mike mcqueary." mcqueary said in 2001... he heard what sounded like "sandusky" sexually assaulting a boy... then 'saw' what appeared to back that up... in a locker room shower. he says he told others... including the late head coach "joe paterno"... he saw something 'improper'... but nothing ever happened.
0:17	6/12/12	11:10p	Crime and Law Enforcement	in massachusetts... the longtime girlfriend of "boston" mobster james "whitey" bulger... will spend eight years in prison. a judge sentenced "catherine greig" today... for "harboring a fugitive." the couple lived a quiet life... posing as retirees in "santa monica"... until the "f-b-i" found them... last year.

"the band". his website says helm died today... having lost a long battle with throat cancer... he was 71 years old. "the band" first came to fame backing up bob dylan.. and then they became stars in their own right. helm was also an accomplished actor, appearing in such movies as "coal miner's daughter" and "the right stuff."

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:21	4/20/12	11:14p	deaths	conservative commentator andrew breitbart died of heart failure last month... from coronary disease... that's the official word from the l-a county coroner's office. the coroner's report says that while he *did* have alcohol in his system... there was no sign of prescription or illicit drugs. foul play was also ruled out and the case was closed.
2:08	5/2/12	11:00p	deaths	tonight... the memorial grows outside the oceanside home of former u-s-c and nfl star junior seau. the all-pro linebacker... found dead earlier today.. of an apparent suicide. it's our top story. i'm chuck henry . and i'm colleen williams. fans loved him.... opponents feared him... tonight... he's missed by all... nbc4's beverly white reports from oceanside, bev?
1:30	5/2/12	11:02p	deaths	when you think about standouts from u.s.c.... junior seau's name goes to the top of the list. not just on the field... he was the kind of player who was a standout with everyone and everything he touched. fred roggin -- with more now on the legacy he leaves. junior seau spent parts of 20 seasons in the nfl but he first made his name at usc where he was an all american linebacker under then head coach larry smith.. he played 2 years with the trojans where he led s-c to victory in the 1990 rose bowl against michigan.. he then left after his junior year for the nfl where he was selected by the chargers with the 5th overall pick.. in san diego, he was a 12 time pro bowler helping the chargers to their only super bowl appearance against the 49'ers, a game which they lost.. in 2003, he was then traded to the miami dolphins where he played for 3 seasons before being released.. in fact in august of 2006, he announced his retirement at an emotional news conference but then just 4 days later, he returned to football signing with the new england patriots where he finished out his stellar career.. seau made a lasting impression especially for all linebackers playing for usc.. that includes redshirt sophomore hayes pullard who met seau two weeks ago at their spring game at the coliseum..
0:44	5/2/12	11:04p	deaths	more than a few football fans have noted that junior seau death is just the latest in what some are calling... the curse of the "1994 chargers." the 94 team is the *only* time the chargers reach the super bowl. a game they ended up losing. now... with seau's death .... *eight* players from that 94 team have now died... and *all* were under the age of 45.... several players died from natural causes. then there were the freak accidents.... like the case of rodney culver. he was on that valujet... that crash in the florida everglades in 1996. david griggs was killed in a car accident in the mid-90s. and backup linebacker doug miller was hit by lightning *twice* during a camping trip!
0:34	5/3/12	11:06p	deaths	an autopsy conducted on n-f-l star junior seau confirms that he committed suicide. ***sot*** ***sot*** friends and fans were out again today to remember seau.. outside his home in oceanside. and the seau family is said to be considering donating his brain to a study... to determine if repeated concussions as a player, had anything to do with his committing suicide. the former u-s-c star was found dead yesterday inside his home.
0:30	5/4/12	11:07p	deaths	one of the founding members of the iconic rap group "the beastie boys" has died. ***sot*** ***sot*** adam "mca" yock ... wearing the leather jacket in this video... died this morning after a three year battle with cancer. the beastie boys burst onto the music scene in 1986 and sold more than 40-million albums. yock was 47-years old.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:46	5/4/12	11:08p	deaths	oceanside police today released the 9-1-1 call placed by junior seau's girlfriend. a warning... this may be hard for listen to... but it reveals the frantic moments immediately after she discovered his body. late today...jr. seau's family agreed to donate the former n-f-l star's brain for research into football-related head injuries. the family says they want people and athletes to understand the damaging effects of tackles and hard hits...and repeated concussions.
0:16	5/7/12	11:07p	deaths	the results of an autopsy are out tonight... for renowned painter, thomas kinkade. it confirms the bay area artist died of an accidental overdose of alcohol combined with valium. his brother says the 54 year-old relapsed in his battle with alcohol.
0:26	5/9/12	11:09p	deaths	hair stylist vidal sassoon... who really changed the way women viewed their hair... died today at his home in bel air . he was 84. sassoon just recently received an award at l-a city hall. it honored a man who came from poverty to conquer the world of fashion... and hair...it was almost architectural in style. sassoon --who had leukemia --apparently died of natural causes at his home in bel air.
0:37	5/17/12	11:10p	deaths	***sot*** ***sot*** she had been battling both breast and lung cancer.... she was 63-years old. some of summer's biggest hits... "last dance"... "love to love you baby"... and "bad girls"... became 'anthems' of the disco era. she had *19* "number one" dance hits... second only to madonna. in hollywood tonight... grauman's chinese theater dimmed the outside lights in honor of donna summer. no stranger to hollywood. she received her star on the "walk of fame" in 1992.
0:02	6/12/12	11:13p	deaths	infamous former mobster henry hill has died. we're told he died at a hospital here in los angeles today from an undisclosed illness. if his name doesn't ring a bell... maybe his story will. hill was portrayed by ray liotta in the martin scorsese classic "goodfellas" he was 69-years old.
0:28	6/20/12	11:23p	deaths	artist leroy neiman... known for his colorful paintings of great athletes and sporting events... has died at the age of 91. neiman's paintings and sketches gave events like the super bowl and the olympics a fresh, impressionistic look... and he often executed his work in minutes!! neiman also contributed to playboy magazine from its start in the 1950s. he died in new york... the cause of death was not disclosed.
0:20	6/25/12	11:03p	deaths	we know more tonight about the two people found dead friday night in an apparent murder-suicide at the bevelry hilton!! police say the victims were a 69 year old man and 56 year old woman who had been living at the hotel on a long-term basis!! both victims suffered gun shot wounds... their names have not yet been released.

0:14	6/29/12	11:09p	Entertainment	now, to london 2012... the opening ceremonyhere on n-b-c-4 is now less than 28 days away... this is our olympic countdown clock there.
1:17	6/29/12	11:09p	Entertainment	and in tonight's u-s olympic team trials we had lots of excitement! fred's here now to show us some major highlights! fred! nastia liukin won 5 medals at the 2008 beijing summer games, including the all-around gold...but that was 4 years ago...right now, she is starting from scratch trying to make team usa. tonight in san jose...first of 2 rounds at the olympic trials...liukin trying to qualify for the team as a specialist in balance beam and the uneven bars...her first event was on the bars..and it all went horribly wrong...liukin has recently been trying to make a comeback...but her endurance is clearly not there yet...she got tired during her routine...knees buckled at the top...and then the dismount was even worse...there is still another day of trials...but that fall has most likely eliminated nastia liukin from making the london team...still a great champion...just not meant to be this time around. but the story is completely different at the u.s. swim trials in omaha...huge underdog scott weltz won the 200-meter breaststroke with an amazing finish..he surged ahead in the final 20 meters to finish the race in 2 minutes and 9 seconds..clark burkle finished second...but the two favorites, eric shan-toe and brendan hanson finished 3rd and 4th..which means no 200 for them in london
1:19	6/29/12	11:17p	Entertainment	tom cruise jumped over a couch on the "oprah show" just thinking about his future wife, katie holmes. tonight, six years later..the couch is gone and katie holmes has served tom cruise with divorce papers.
0:20	6/29/12	11:34p	Entertainment	the opening ceremonyhere on n-b-c-4 is now less than 28 days away... this is our olympic countdown clock there.
0:37	4/11/12	11:09p	Environment	rattled nerves tonight... after earthquake followed by earthquake... struck along the ring of fire today... the quakes hit in "oregon"... "mexico"... and "indonesia"... a '5 point 9' struck about 160 miles off the oregon coast. no reports of damage. a 'six-point-five'quake shook buildings in mexico city. no initial reports of casualties. and... this... was the third big earthquake... to hit mexico... in less than a month. but... the strongest quakes rattled indonesia... the worst one? an eight-point-six. it sent people running into the streets. but... so far... no reports of major damage... or casualties. and... tsunami alerts have been canceled.
2:11	4/17/12	11:04p	Environment	tonight... another whale is tangled in some type of fishing net off the coast! it's a story we first told you about at five o'clock. to find out whats happened since then let's go out to n-b-c-four's john cadiz klemack in malibu. john!
0:27	4/23/12	11:14p	Environment	people in orange county were shaken up a little this morning... thanks to a magnitude 3-point-9 earthquake... the quake hit around 10-30... and was centered near san juan capistrano.... people in dana point... san clemente... and as far away as riverside and temecula all reported feeling the temblor. there have been no reports of damage or injuries.... and fortunately many of the adobe buildings at the mission at san juan capistrano have been retrofitted to withstand earthquakes like the one that hit the area today.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:26	4/25/12	11:09p	Environment	a dana point fishing charter ran into a bigger fish than anyone on board was expecting!! early this morning... 14 people encountered a very large and rare shark!! a 20 foot long, basking shark... with a mouth as big as a trash can. but this shark feeds on tiny fish... and plankton.. not humans. it swam around the boat for about 8-minutes.... giving everyone board a great fish story... and this one is true.
0:45	5/7/12	11:13p	Environment	there now saying the shark bite in a young woman's paddleboard was probably a great white shark. this photo shows the 15-year-old girl's board and you can see the "teeth" marks and the bite taken out of the board... it happend off catlaina. the paddle boarder wasn't bitten. one expert thinks the bite marks show this was sort of a taste test for the shark. the attack occurred about a mile from the harbor at avalon.
0:21	5/22/12	11:13p	Environment	a mountain lion that somehow found its way to the streets of santa monica was shot and killed this morning by wildlife officers. at first tried to tranquilize the big cat but that didn't work... concerned that it pose a threat to people they shot it. many are asking if there wern't other options. 80 pound lion probably wandered down from the mountains overnight...
0:21	5/24/12	6:12a	Environment	a large bear found roaming a residential neighborhood in hesperia has been tranquilized and returned to the forest. one of the local residents took these photos of the animal! california department of fish and game agents responded and tranquilized the bear. it was taken to the fawnskin area, near big bear. officials say no one, including the bear, was hurt.
0:27	5/24/12	11:16p	Environment	just in time for the holiday weekend... "heal the bay" has released its annual rankings... of the state's dirtiest beaches. seven of the top ten are in l-a county. the dirtiest beach on the list is "avalon harbor" on catalina island. that's a title it's held... four of the past five years. but the news isn't all bad. 92-percent of the beaches across the state received grades of "b" or higher.
1:02	5/29/12	11:00p	Environment	we begin tonight at 11 with breaking news... an earthquake just off the coast of malibu...it hit about 10-15 it has now been downgraded to a 4... from the initial report of 4.1... it was centered out in the ocean near the channel islands... in an earthquake of this size physical damage is not expected
0:18	6/14/12	11:13p	Environment	yosemite national park is closing more cabins in its historic "curry village." the park just finished a study... into a rockslide in 2008... at the time... many cabins were fenced off. tonight... more cabins have been closed for good... because of the risk of falling rocks.
1:38	6/26/12	5:19p	environment	black bear on the loose in San Dimas. captured and released back to angeles national forest
0:28	6/26/12	6:10p	environment	bear loose in San Dimas; subdued with a tranquilizer dart.
1:51	6/26/12	11:00p	Environment	it's a scene most visitor to the zoo will never forget. they watched...stunned... as an adult chimp... killed a baby chimp right before their eyes... it's 11 o'clock. i'm colleen williams. and i'm chuck henry we're told that baby chimp was being gradually introduced to the adults chimps when it happened... nbc4's beverly white is live in griffith park... beverly...

0:17	5/31/12	11:05p	Government and Politics	earlier tonight, governor romney and his wife met with former first lady nancy reagan... who gave the candidate her endorsement. mrs. reagan said... she believes her husband would have liked romney's business background... and his strong principles.
1:25	5/31/12	11:06p	Government and Politics	after nearly six-weeks of testimony that included the most intimate details of john edwards life... it's over... the federal government failed to convince a jury of any of the six corruption charges against him. a law enforcement official tonight says it's unlikely that the justice department will retry john edwards.
2:06	5/31/12	11:07p	Government and Politics	cracked and uneven and sometimes... dangerous sidewalks... like this... are all over l-a. now... all of a sudden...the city doesnt want to pay for the repairs. so who will end up footing the bill? nbc four's beverly white is live in studio city... beverly...
0:19	5/31/12	11:15p	Government and Politics	imagine this... the government wants to tell you how much soda you can have... that could soon be reality... in "new york city." mayor michael bloomberg wants to 'combat' obesity... and he's proposing a '16' ounce limit on soda... and other sugary drinks... sold at restaurants... movie theatres... ball parks... and other public places.
0:29	6/1/12	11:03p	Government and Politics	embattled "l-a county tax assessor"... "john noguez" is taking a "leave of absence"... while prosecutors investigate the 'pay-to-play' allegations' against him. noguez is suspected... of 'lowering' tax assessments for 'wealthy' donors... saving them 'millions' on property tax bills. prosecutors have already charged one of his former employees... with '60' felonies. 'noguez' says he's done 'nothing' wrong... and he is 'not' resigning. he says he's stepping down 'voluntarily'... in the 'interest' of the office.
1:37	6/1/12	11:07p	Government and Politics	some of the jurors in the john edwards case are now speaking publicly about their deliberations... and what went on in the jury room.... what do they think of edwards... and why were they deadlocked on most of the charges?. here's nbc's lisa myers.
0:18	6/1/12	11:09p	Government and Politics	as for reille hunter... she's got a new book coming out at the end of the month! the book titled: "what really happened: john edwards, our daughter, and me"... is billed as a tell-all about the events that destroyed edwards' political career. hunter's memoir comes on june 26-th.
1:27	6/4/12	11:09p	Government and Politics	tomorrow.... it's our turn to participate in decision 2012... it's the california primary and a number of key items are on the ballot. and a lot of money is being spent to convince you to vote yes. nbc4's conan nolan has a preview...
2:01	6/5/12	11:00p	Government and Politics	primary night in california! we're looking live here at san pedro where supporters have gathered for carmen trutanich... candidate for l-a district attorney.. one of the hotter races tonight... it's 11 o'clock... on election night... i'm colleen williams. and i'm chuck henry... and we have the latest the numbers for you... and... here are the latest numbers in the race for l-a county district attorney. jackie lacy with a 9-point lead nbc4's patrick healy is live in san pedro with the trutanich camp. patrick?
0:25	6/5/12	11:02p	Government and Politics	two controversial statewide measures are on the ballot. and the first... prop 29... is a tight one... this is the one that would add a dollar to the tobacco tax to fund cancer research... here are the results... the tobacco tax... would add 5 cents for each cigarette... dollar for a pack. lance armstrong very vocal about yes on 29
0:15	6/5/12	11:03p	Government and Politics	and this one has been declared a winner! prop 28... term limits... this would reduce the time in office from 14 to 12 years... but all the time could be spent in either the assembly or the state senate. again... we've declared it a winner.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:24	6/5/12	11:03p	Government and Politics	and now... lets look at the democratic and republican presidential candidates... these races of course were settled before tonight! even though he had enough delegates coming into the california primary... tonight mitt romney added to his delegate count. and president obama . who'll be in town tomorrow for more fundraising... is the un-challenged democratic nominee.
1:52	6/5/12	11:03p	Government and Politics	and in a race with national implications in the november general election... the wisconsin recall... incumbent republican governor scott walker was the clear winner. nbc four's conan nolan is live in the newsroom to tell us about those implications... this was a very bad night for public employee unions... and it started with the recall vote of republican governor scott walker in wisconsin. walker was targeted for re-call by organized labor and the democratic party after he forced state labor unions... including the teachers union... to pay more for their own health care and pensions... and reduced their power at the collective bargaining table. walker easily beat back the recall... and democrat tom barrett the mayor of milwaukee. the attempted recall of six republican lawmakers in the state also failed. the bad news for labor was felt here as well. voters in conservative san diego... and liberal san jose... both overwhelmingly backed measures which cut back on public employee pensions. these votes... and what happened in wisconsin... could pave the way for more efforts as cities struggle with budget deficits and bankruptcy.
0:39	6/5/12	11:13p	Government and Politics	now to fullerton... where three members of the city council are on the verge of being recalled... as fallout from the death of kelly thomas... this is surveillance video showing homeless man kelly thomas... being beaten by police... within days... he was dead. an issue on today's ballot... askedg fullerton voters if they want those three council members recalled... and now tonight... it looks like the three council members... richard jones, pat mckinley and don bankhead are going to be recalled... many people feel they failed to act aggressively or communicate to the public in the aftermath of the thomas death.
1:19	6/5/12	11:13p	Government and Politics	redistricting in california has put two veteran democrats in a closely watched race for the 30th congressional district. it is berman versus sherman in the san fernado valley. our kim baldonado is in encino with the sherman folks.
1:01	6/5/12	11:15p	Government and Politics	the berman-sherman race among the top races trending on social media. lets go live to mekahlo medina... live at vision plus. the berman-sherman showdown in the valley is what it's being called. all agree... we've just got a taste of the drama... the big fight comes in november. where users say they will see more of these flyers... more of these mudslinging youtube videos... and of course, more millions spent. the other race being talked about... the d-a's race. a surprise... trutanich's not steller outcome. and the rise of alan jackson... it may have to do with the medical marijuana vote... they blased social media supporting jackson because he supports the medical marijuana law. in a low turnout election... that burst could have really made a difference.
0:29	6/5/12	11:32p	Government and Politics	here are the latest numbers in the race for l-a county district attorney. prop 29... a close call tonight... the tobacco tax... would add 5 cents for each cigarette... dollar for a pack. lance armstrong very vocal about yes on 29

3:22	4/9/12	11:15p	lifestyle	it was the big weekend... the one when we were asked to stay off the roads.... carmageddon! well.... that was nine months ago.... and that got us thinking.... could we see a spike in the local birth rate? nbc4's robert kovacik has this exclusive report.
0:28	4/9/12	11:24p	lifestyle	she ignored the warning signs... and took a 'nasty blow' to the head. the scene... a beach... next to an airport... on a caribbean island. keep an eye... on the woman... trying to hold onto the fence... as a jetblue plane... powers up for takeoff. the woman loses her grip... and goes tumbling into a cement wall... head first. she was treated on the spot. that airport has a very short runway... which is why people can get so close.
0:32	4/10/12	11:04p	lifestyle	the man... once called the 'only' suspect... in the 'near-fatal' beating of "giants" fan "bryan stow"... made it "the dodgers" home opener. giovanni ramirez posed for pictures... and signed autographs... at today's game. police chief "charlie beck" once called "ramirez"... the 'only' suspect in the "stow beating"... which happened in the parking lot... after 'last' year's home opener. "ramarez" was eventually cleared... and two 'other' men arrested. however... "ramirez" ended up in jail... for '10 months'... because of a parole violation. he got out last month... just in time... for today's game.
4:22	4/10/12	11:14p	lifestyle	southern california is defined by its diversity. different ethnicities, different parts of town, even different languages. it's those differences... that make the "southland" so rich... it's those differences that can... in fact... bring us together... and make our lives connect. that's at the heart... of a special series of reports... we call life connected... tonight... we look at three people... from different backgrounds... who found volunteer work in a kitchen... connected their lives in ways... they never could have imagined. lolita lopez joins us with their story. project angel food relies on the 54-thousand hours volunteers put in each year to feed those in need. one of the volunteers we spoke with says in a city like l-a where everyone is rushing around... its hard to meet people... its great to come in the kitchen and feel grounded. and there's also a connection to those they serve. goddess tells us she was wearing her project angel food t-shirt at the doctors once... and a man kneeled in front of her and said thank you for keeping me alive for two years. volunteers aren't the only ways coming together. find the story of daniel and john, two of the organization's chefs one from el salvador... the other from the west adams section of la... who have also connected. only at nbc la.com
0:25	4/10/12	11:24p	lifestyle	nothing like catching a 400-pound black bear... wandering through the neighborhood... to get your blood pumping. residents in the "montrose-la crescenta" area... spotted a somewhat regular visitor this morning... a bear they call "meatball"... hopping over fences... jumping on top of car. wildlife officials had to use three tranquilizer darts... to subdue him... then released him... deep inside the "angeles national forest."
0:27	4/12/12	11:16p	lifestyle	in los angeles... we're unfortunately familiar with road rage... but... 'nothing' like what happened saturday... at a 'car dealership'... in moscow. a doctor who was unhappy... after waiting '20' minutes to get his vehicle... got into his "loaner" vehicle... and drove right into the showroom. then... he put it in reverse... he drove forward... total damage? about 33-thousand dollars.

3:13	4/24/12	11:14p	lifestyle	20 years ago... as parts of los angeles burned... three people... from three communities... who loved this city... stepped up to begin the healing... one took to the pulpit... one began building bridges... and... one picked up a broom. nbc4's lucy noland... has tonight's story of "life connected."
3:18	4/25/12	11:13p	lifestyle	now: the l-a riots... 20 years later! many people killed or injured in 19-92... but the youngest victim of all hadn't even been born yet. jessica evers was still in her mother's womb during the riots... when her mother was shot in the stomach! how did they survive? nbc4's john cádiz klemack has their amazing story...
0:46	4/25/12	11:23p	lifestyle	would you like to travel the world for free? if you meet the criteria... you can... but there's a big controversial catch! a new website... let's you explore the world.... and claims you don't need money.... because quote: "beautiful people can travel for free!" the website is called "miss travel". here's how it works: women who want to travel... but can't afford it... fill out a dating profile... and a list of places they'd like to go. then... wealthy men who are looking for travel buddies... browse the profiles... select a woman... and the men pick up the travel bills. and... so you can see the catch.
3:55	4/26/12	11:13p	lifestyle	and now: we continue or week long look at the l-a riots 20 years later! colleen..... for rodney king... the turmoil of the past 20 years never really goes away. he was 27 years old and unprepared for what happened. he's very candid about that in his new book... and he speaks candidly ...in our conversation. king suffered. .. a broken eye socket and jaw... fractured ribs... a broken leg... contusions... and abrasions... all from the beating. his eye socket... and cheek bone are now held together now with a metal plate. today he suffers from migraines... and memory loss.\
0:29	4/26/12	11:17p	lifestyle	this next story starts off a little rough, but has a happy ending... it's about a puppy in arizona... named "cactus jack..." the 8-week-old terrier mix got caught up in cactus last sunday. he had enough cactus spines in him to fill a bucket! cactus jack was taken to an animal hospital... where they fixed him up... and now the happy ending... dozens of people showed up today for a lottery to adopt jack...into a loving home!
0:32	4/27/12	11:04p	lifestyle	tonight... a dolphin remains trapped in shallow water....in the bolsa chica wetlands... but a marine animal rescue team hopes that high tide tomorrow morning...will change all that... and sent the dolphin back out to sea. we got this video of the dolphin late this afternoon. a swimmer and two lifeguards.... got in the water to try and get some sort of reaction out of the dolphin... but no go... it wouldn't allow them to get close. the dolphin is not hurt... just a little lost... so the decision was made to let it try and find its way out tomorrow during high tide.
0:23	4/27/12	11:13p	lifestyle	and they're living on skid row... fifty cats and kittens... desperately in need of new homes... so... the l-a-p-d... and a animal rescue group are stepping in to help. for years a skid row church has been feeding the cats... but now the church is closed... and the new owner wants the cats gone... several off-duty police officers will hit the streets tomorrow to try and trap the cats... and place them in no-kill shelters.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
3:59	4/27/12	11:13p	lifestyle	so... the l-a-p-d... and a animal rescue group are stepping in to help. for years a skid row church has been feeding the cats... but now the church is closed... and the new owner wants the cats gone... several off-duty police officers will hit the streets tomorrow to try and trap the cats... and place them in no-kill shelters. now to the l.a. riots.... 20 years later. within hours of the acquittal of 4 lapd officers in simi valley... parts of the city erupted ... arson... looting and chaos. initially... rodney king says he felt vindicated...felt like it was pay back for the beating he received...the year before... .. until he saw the pictures on television... and heard about people loosing their lives. sergeant stacey koon and officer laurence powell were convicted of violating king's civil rights... and served time in federal prison. king has been arrested several times since 1992... some of those arrests...fueled by his well-known battle with addiction. he says his fiance cynthia...has helped him curb that problem. she was a juror in his civil rights case... and they connected after the trial. king no longer lives in l-a... but in a nearby community in the inland empire.
0:22	4/27/12	11:33p	lifestyle	take a look at this video from downtown l-a earlier tonight... these cyclists took the streets of l-a with police escort! it's all part of the monthly ride around the city... called "critical mass"... riders gather on the corner of wilshire and western... every last friday of the month! it's free and anyone can get in there and ride with them!
0:15	4/30/12	11:07p	lifestyle	and that dolphin trapped in the bolsa chica wetlands will be left alone a while longer. a pod of other dolphins tried to attack the wayward dolphin this weekend... when it tried to make it out to sea. the dolphin is eating and breathing normally.
0:31	4/30/12	11:14p	lifestyle	the new world trade center building in new york reached a milestone today! it's now taller than the empire state building... with the attachment of this 12-ton steel column... the building reached a height just past 12 hundred and 70 feet.... that makes it new york city's tallest skyscraper. the empire state building now comes in second. the world trade center tower isn't done yet... there's still another 500 feet to go before construction is finished some time next year.
0:22	4/30/12	11:14p	lifestyle	and... the century long fascination with titanic continues... today an australaian billionaire announced plans to build a replica of the titanic that will be called... the titanic ii. it's scheduled to re-create titanic's maiden voyage in late 2016..... and this new ship will, of course, have state-of-the-art navigation and safety systems.
0:33	4/30/12	11:33p	lifestyle	and... something to give you a laugh. one family singing queen's "bohemian rhapsody" on the way to school every day. take a listen. the family says it's become a morning habit.. they start singing the song as soon as they pull out of the driveway... and depending on traffic... the song often ends just as they're pulling into school.
3:21	5/1/12	11:14p	Lifestyle	a chino couple has practically spent a lifetime... offered a safe place to stay for dozens of kids... who were in pretty bad situations. not only have they offered a save place to stay... they've helped shape the lives of these kids... ....as you're about to see in tonight's "life connected."

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:34	5/2/12	11:32p	Lifestyle	video of a very big kitty and a very small human visiting a zoo in oregon has gotten a lot of attention online... it shows an encounter between a lioness and a small boy... that must have looked like a zebra... take a look... as a child sat against a thick glass wall wearing a black and white jacket.... the lioness tried everything she could to get to that striped creature.... zoo keepers say it's not uncommon for lions to interact with little kids peering through the glass. they say the boy was never in any danger.
2:02	5/3/12	11:04p	Lifestyle	tonight... a wayward bear and her two cubs are headed for the hills after spending the day in the trees of a foothill neighborhood. nbc four's angie crouch is keeping watch for us.. angie..
0:49	5/3/12	11:23p	Lifestyle	it seems there's an app for anything these days... including keeping track of your pet. now you can monitor the location of your cat or dog... anywhere in the world... by using g-p-s. clydesdale the great dane... loves to run. his human owner has attached a "garmin pet tracker" to clyde's collar... and can now keep track of his movements on a smart phone. free tracking service for one year from at&t is included in the cost of the device... and there's no activation fee.
0:34	5/4/12	11:05p	Lifestyle	people in and around trabuco canyon ... had to be captivated by what they saw today... 2 horses...stranded in a ravine... had to be air evac'd out by chopper. the pictures are pretty amazing... there were 4 horses and riders...trapped... rescuers cut a trail down to one horse... and were able to walk it back to the main trail... the two other horses were sedated.... then airlifted out...to a nearby campground. the 4th horse didn't make it. their riders were also hoisted up from the bottom of the ravine... they all made it out.... is good shape.
0:53	5/4/12	11:14p	Lifestyle	it's a exclusive club that's about to take in new members for the first time in a decade. disneylands club 33 at disneyland has had a waiting list for nearly a decade. now a few of those on the waiting list may actually have the chance to become a member of the most exclusive club at disneyland... this is what the club looks like - in a video taken by one of those lucky members. new memberships are being offered as part of the club's 45th anniversary... in addition to gourmet food and drinks... members will also have access to a new lounge at disney's california adventure. but if you want to join... be prepared to pay... an individual membership has an initiation fee of 25-thousand dollars... and costs and additional 10-thousand dollars a year in dues. you'd have to make alot of visit to the magic kindgom to make that work out.
0:54	5/4/12	11:24p	Lifestyle	it's a mystery that's lasted generations and across two countries... it involves a wallet... a thrift store... an old cabinet... and the kindness of strangers... in 1949 burbank resident donald townsend slipped his wallet into a drawer inside a cabinet and forgot about it. the cabinet was sold... then re-sold.... eventually winding up in a shop in canada. fast forward to now where workers found the wallet... they were unable to return the wallet to it's owner... unfortunately donald townsend passed away in 2005... but to his son the wallet is a treasure trove of family mementos. a cherished glimpse of the parents dale townsend loved dearly.
0:12	5/7/12	11:07p	Lifestyle	this was a huge night in new york... it's known as the oscars for fashion... the met gala was held tonight with the likes of beyonce...rihanna...scarlette johansenn... and cate blanchett... to name a few...

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:40	5/7/12	11:14p	Lifestyle	as promised... we have a look at the head-turning haute couture on the red carpet for tonight's met gala! billed as the oscars of fashion- the metropolitan museum of art costume gala -- never disappoints when it comes to dramatic, whimsical gowns. new mom, beyonce, showed up in a curve-hugging, sheer lace givenchy gown. model karolina kurkova sparkled in a rachel zoe design. and actress chloe sevigina and ivanka trump-- also wearing eye-popping dresses for the event.
3:20	5/8/12	11:14p	Lifestyle	... now the story of a man by the of name...john nikkas he has set out on a journey he knows will be full of hope and heartbreak . it's a -cross country... 50-state ... 50- thousand mile trip... to "drive away cancer." the story of john and his constant companion grace ... is tonight's "life connected." john told us earlier tonight he is "slightly brokendown" in shamrock texas...(which is the norm) we will continue to follow john and grace as they make way around the country... meeting people... whose lives connect through the struggle of cancer. for more on "drive away cancer" go to our website and search "life connected"
0:27	5/8/12	11:24p	Lifestyle	sexting scandals have taken down celebrities... and politicians... now... a new app allows people to send self-destructing photos! the app... called "snapchat"... lets users set a time... between one and ten-seconds... before the photo deletes itself. of course... recipients can always take a screenshot if they're quick enough... although... the app will notify the sender if that happens.
0:29	5/9/12	11:14p	Lifestyle	a candidate for congress in mexico has made an international name for herself by taking off her shirt in a campaign poster. nतालlia juarez... and some of her supporters... are seen topless in the ad. they did cover most of their private parts with their arms... which you can't quite see here. juarez... who teaches philosophy at a local university... said she did it to show that she wants to fight prejudices... and to run... quote... a fun and innovative campaign.
3:40	5/9/12	11:15p	Lifestyle	a recent poll found nearly 15-percent of people believe the world will end during their lifetime. some people with deep pockets plan to be safely ridding out the distruction in style. nbc4's john cadiz klemack is here... with these secret shelters. what you're about to see tonight, could very well be the talk of the earth tomorrow. the question is this: what if the end was near? what if an earth-extinction event was about to happen? would you have all you needed to survive? "could" you survive? a southern california man says - yes: and he has the way to do it. i know some of you watching think, "this is crazy." well, before anyone jumps to buy one of these, i do want to point out again, the vivos group would *not* allow us access to the indiana shelter which they claim is finished. and as for other shelters still in the works: if you believe he has them, they're supposedly in wyoming, nebraska, somwehre in the rockies, new york and the carolinas.
0:22	5/10/12	11:19p	Lifestyle	it's not uncommon to see people throwing a frisbee at the beach... but the middle of a freeway?? someone posted this video on youtube of an impromptu game of frisbee... on the 405 in fountain valley today. the lanes were empty... because workers were picking up a power line that had fallen across the freeway.
0:28	5/10/12	11:24p	Lifestyle	we're seen a lot of things on our freeways... but nothing like this! this man decided to try and cross a busy bridge... riding his unicycle... naked! police were able to nab him near the middle of the bridge. he reportedly told officers he just likes the feeling of naked cycling.

0:28	5/17/12	11:24p	Lifestyle	for decades climbing mountains was an extreme sport... but for a new generation... reaching the summit is only the beginning. they're called speed-flyers.... after long climb up the slopes they combining paragliding and skiing to fly back down reaching speeds of 60 miles per hour... this group is the first to successfully speed-fly down italy's mount etna... mount etna is an active volcano... its erupted four times since the beginning of this year.
2:13	5/18/12	11:05p	Lifestyle	a rare event in the heavens this weekend... a total eclipse of the sun... that will be visible here on the west coast. but... you have to be very careful how you observe it!! nbc four's angie crouch is live at griffith observatory... with important viewing advice:
0:43	5/18/12	11:07p	Lifestyle	fritz coleman reporting
2:57	5/22/12	11:14p	Lifestyle	in the lotto of life... one albuquerque firefighter got a raw deal: a brain tumor that nearly killed him. tonight... in our continuing "life connected" series... nbc4's john cadiz klemack explains how the tumor connected the firefighter with a world-renowned doctor here in l-a.
0:25	5/23/12	11:15p	Lifestyle	new at eleven... the controversy over a former marine who named his new pub after his old battalion.... the second battalion... fourth marines... is known to many as "the magnificent bastards"... and that's what nick vel-ez named his bar. but city officials in downey say they've been getting a stream of complaints about the name from residents... even so, the city says it has no plans to get involved.
0:42	5/24/12	6:17a	Lifestyle	a dog demonstration for a new pet program spiraled out of control. check out what happened when an enthusiastic corgi got a little too close to the cleaning products. the owner of yogi quickly moved the dog out of the blast area. but it's not over yet. while she was checking to make sure yogi wasn't injured, another crisis in the kitchen. thankfully, they were able to put the fire out. and most importantly, the dog and its human companions were not hurt.
0:50	5/24/12	6:51a	Lifestyle	it is a lesson one high-school graduate learned the hard way. that lesson? - that there's a time and place for "tebowing." high school graduation probably isn't the time or the place... c-j shriner was punished the night of graduation for tebowing on stage ...and did not receive his diploma with his classmates. his mom, who is a teacher at the school.. made him clean the high school gym before he got his diploma. some criticized c-j's mother for his punishment... but the important thing is that c-j has his diploma and is a high school graduate.
0:29	5/25/12	11:15p	Lifestyle	a small t-v station in nebraska is being invaded! not by people... by *moths!* they're called miller moths... and outside the n-b-c station in north platte... they gather by the thousands around the lights. the moths made their way inside.. crawling all over the windows... desks... and t-v monitors... and some of them even made an appearances on the air.. flying in front of the cameras during live broadcasts.
0:40	5/25/12	11:15p	Lifestyle	and... talk about "party animals!" a bunch of cows left their pasture... and crashed a backyard party near-by! it happened in boxford... massachusetts... this week. six cows got loose... and wandered aimlessly through the streets. then they seemed to make a b-line for a backyard party where there were plenty of women... and beer. police helped the owner steer the cows back to their beerless garden. the owner say he's putting up an electric fence... meaning... for these cows... the party's over!

0:32	5/3/12	11:09p	safety	al-qaida is encouraging followers in the united states to set wildfires... as a new form of terrorism. an online newsletter... linked to al-qaida... calls for western muslims to wage war on the u-s. the newsletter provides a step-by-step guide... on how to start wildfires. it even highlights the american southwest as a prime target. there's no specific threat... but a cal-fire battalion chief says the idea is not that far-fetched... since fires can cause extensive damage.
0:31	5/4/12	11:13p	safety	health officials say fourteen people have been sickened by dog food tainted by salmonella. the food originated at this "diamond pet food" plant in south carolina. it's the same plant that produced dog food tainted by toxic mold back in 2005. that incident killed dozens of dogs. the salmonella outbreak has not taken any lives... and so far.. the sickness has only struck people... and not dogs. none of the incidents was in california.
1:15	5/7/12	11:05p	safety	tonight... we're learning how the c-i-a broke up a terrorist plot to bomb a u-s bound airliner...with a new type of underwear bomb. president obama was told about the plot last month...the f.b.i now has the device and the suspect is no longer a threat - whether that means he was killed or captured no one is saying.
0:26	5/8/12	11:03p	safety	these southwest threats comes just one day after the c-i-a stopped a potential terrorist bombing aboard a u-s bound plane! and tonight... we've learned that that would-be suicide bomber... was actually an informant for the c-i-a! the c-i-a isn't releasing many details on the operation. that double-agent was given an under-wear bomb.... which is said to be a more sophisticated device than the type used in a bombing attempt in detroit in 2009.
0:23	5/24/12	6:36a	safety	a new review of the best and worst beaches in california is due out later this morning. heal the bay will release its 2012 beach report card. the environmental group grades 441 beaches throughout the state. the rankings are based on the levels of harmful bacteria levels found in the water. the locations on this year's "beach bummers" list will be revealed at a 10:30 am news conference at will rogers beach, near santa monica.
0:25	5/24/12	6:41a	safety	costco is recalling dried mushroom slices sold at west coast stores. there are concerns the mushrooms may have been contaminated with chemicals. the voluntary recall affects the shitake-ya brand gourmet shitake mushroom slices with a sell-by date of april 16, 20-13. the company says it discovered the mushrooms may have been contaminated with carbendazim and other chemicals.
2:12	5/28/12	11:00p	safety	tonight: food safety concerns! radiation... apparently from those earthquake damaged nuclar reactors in japan... is showing up in some fish caught off the coast of california! it's our top story. i'm chuck henry. and i'm colleen williams the extra radiation is being found in tuna caught off the california coast... the question tonight... is it safe to eat? nbc4's beverly white is live in studio city... beverly...
0:24	5/29/12	11:14p	safety	now to orange county... and efforts to stop the spread of potentially dangerous typhus disease! health officials in santa ana fear "typhus" may be spread by fleas on feral cats. thats why traps have been set out near two schools. so far, two cases of typhus have been reported in orange county this year. animal control officers will round up cats found without tags... and they will test their fleas for typhus.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:29	6/7/12	11:07p	safety	tonight... a warning about the dangers of something called "bath salts"... but 'these' salts are 'not' the ones for your tub. they're 'synthetic' drugs... psychiatrists say... can turn a person into a 'wild' beast... and kill you. "miami police" blame the salts... for a 'viscious' assault... in which a "user" attacked a homeless man... biting off part of his face. the drugs are banned for sale in stores in 'many' parts of the u-s... but they are still available online.
0:21	6/11/12	11:14p	safety	new at eleven... a warning tonight... about 'two' brands of soup... sold at 'local' farmers markets. health officials say... they may contain the bacteria... that causes botulism. the "pacific palisades farmer market" sold the brand "one gun ranch" out of "malibu." and... farmers markets in "calabasas" and "studio city" sold the brand "organic soup kitchen" out of santa barbara.
1:50	6/14/12	11:04p	safety	if you like 'shellfish'... beware... tonight... the "f-d-a" wants shellfish from "south korea"... taken 'off' our dinner plates immediately. nbc 4's michelle valles has been looking into where this seafood is being sold. michelle...?
0:22	6/14/12	11:07p	safety	new at 11! regulators have uncovered security problems at the troubled san onofre nuclear plant... according to the nuclear regulatory commission... an inspection in may found apparent violations... edison, operators of the plant... says it treats any such reports seriously.... san onofre has been closed for more than four months because of equipment problems.
0:22	6/18/12	11:06p	safety	also new tonight... southern california edison says the san onofre nuclear power plant will remain closed indefinitely. edison joined nuclear regulatory commission representatives tonight for a public forum on the troubled plant. regulators say a design problem is making tubes wear out faster than they should... and both parties agree... san onofre can't re-open until that problem can be addressed.
0:23	6/25/12	11:05p	safety	and we've learned san francisco police officers went undercover tonight! dressing up as dodger fans... at the dodgers-giants game. they said they're trying to minimize potential problems between fans... like last year's beating of giants fan bryan stow at dodger stadium. san francisco police will have those undercover officers at the ballpark for the remainder of the series.
2:14	6/26/12	5:33p	safety	4 your health-water safety-two kids almost drowned over the weekend; drowning accidents more common in summer.
1:18	4/3/12	11:05p	severe weather	unbelievable images from northern texas... when the sky turned dark at mid-day and a half dozen toradoes moved across dallas fort worth. and the damage they caused was as unusual... as it was sporadic. after looking at the damage... you might say it's nothing short of a miracle that no one was killed and only a dozen people were hurt.
0:52	4/9/12	11:00p	severe weather	we start tonight with a storm alert...in the middle of april...rain and possibly snow. i'm colleen williams, and i'm lucy noland. it's a one-two punch -- and we're tracking the trouble on the radar. let's get right to fritz in the weather center.
1:03	4/10/12	11:00p	severe weather	the storm is about to hit southern california.... good evening... it's 11 o'clock. i'm colleen williams . and... i'm lucy noland... in for chuck henry. newschopper 4 over .... "port hueneme" (y- nee' mee) in "ventura county." rain... expected to hit our area... in the next few hours. fritz coleman ... what do you think... a wednesday wash-out? fritz does weather

0:18	5/2/12	11:16p	transportation	there was sort of a "fender bender" today at john wayne airport. authorities say.. a pilot lost control of his twin-engine plane this afternoon while doing a pre-flight check... his plane then drifted into two other parked aircraft. the damage was minor.... and nobody was hurt.
0:29	5/3/12	11:14p	transportation	low cost carrier spirit airlines says it will hike its baggage fees starting in november... and if you don't plan your trip carefully... the fees could cost you more than the ticket!! the most dramatic jump is for carry-on bags.. when arrangements are made at the gate. that cost will jump from 45 to 100 dollars per bag!! the cost for checked bags will start at 20 dollars per bag.
2:29	5/3/12	11:14p	transportation	a new airline promises never to charge a baggage fee.... some might say they are "crazy" to start up an airline in this economy - but that hasn't stopped two brothers with a unique idea. if you'd like to fly through out california, as-much-as -you-want...for one price..this might just be your ticket. pending faa approval, surf air should take off later this summer.
0:51	5/4/12	11:02p	transportation	right now... a huge traffic warning -- if you are heading out of town this weekend... a major freeway is shutting down. alex calder is live above the freeway construction project in newschopper 4. alex!
1:55	5/4/12	11:03p	transportation	it's called "lane splitting" -- that's when motorcycles cut through traffic on the freeway. although it's dangerous... it is legal. and some drivers try to stop it from happening. nbc4's angie crouch is live in hollywood to explain. angie?
1:06	5/8/12	11:01p	transportation	breaking news! we're monitoring reports of a bomb threat... involving a plane at john wayne airport in orange county. alex calder is live overhead in newschopper four... alex.
0:57	5/8/12	11:02p	transportation	now let's head to the ground... vikki vargas... live at john wayne airport... vikki.
0:27	5/11/12	11:15p	transportation	santa monica is installing some new parking meters... with some "interesting" new features..... the new meters allow you to use credit cards and mobile phones to pay... you'll even get a text message when your time runs out. but there are sensors on the spaces... so every time a car drives away... *that* resets the meter... so in other words... you **can't use another persons unused time**!! the meters roll out, monday..
0:18	5/15/12	11:23p	transportation	you'll soon be able to call and text while *flying* on virgin atlantic! the airline introduced its new in-flight calling service today on a flight from london to new york. virgin hopes to have twenty phone friendly planes in service by the end of the year.
1:42	5/21/12	11:07p	transportation	there is a stretch of local highway called the snake... it's a winding section of mulholland... in malibu... popular for drivers looking for danger. but after so many spin outs and smash-ups... the c-h-p is now cracking down. we sent n-b-c-4's kim baldonado to check it out.
0:47	5/23/12	11:06p	transportation	breaking news... an unruly passenger on a flight
2:29	5/24/12	6:00a	transportation	we're follwing breaking news this morning! that big mess on the 2-10 in sylmar! crews are cleaning-up charred metal and packages from this u-p-s big-rig that was hit by a wrong way driver.. flipped, and burst into flames! it happened early this morning, near the "roxford street" exit. annette arreola is there, with the latest. annette!

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
1:45	5/24/12	6:04a	transportation	the controversial vote on that westside, "subway to the sea" goes to the m-t-a board this morning. the big question is whether or not it's safe to tunnel under beverly hills high. more on today's controversial meeting from toni guinyard, live at beverly hills high school.
1:37	5/24/12	6:30a	transportation	we're following breaking news this morning! we're watching that closure on the 210-freeway in sylmar! right now, a u-p-s crew is picking-up packages that spilled from this big-rig that collided with a wrong-way driver! it happened early this morning, near the "roxford street" exit. annette arreola is there, with the latest. annette!
0:51	5/24/12	6:31a	transportation	there's another big traffic problem, this one of the five! will kohlschreiber is live in newschopper 4 with details.
1:01	5/24/12	6:57a	transportation	c-h-p says its almost ready to re-open a stretch of the 210 freeway in sylmar.. where a fatal crash left a big mess on the road. an 18-wheeler collided with a wrong-way driver and flipped over the center divide. annette arreola is live in sylmar, with the latest. annette!
0:56	5/24/12	6:58a	transportation	the controversy continues this morning ...over the subway to the sea. the m-t-a will address criticism over plans to tunnel under beverly hills high school. toni guinyard is live in beverly hills...with more. toni...
0:24	5/24/12	11:07p	transportation	the metro transit board today approved a subway under beverly hills high school... despite lots of opposition. one man was even thrown out of the meeting. opponents claim the tunnel will endanger students... even creating the potential for a gas explosion. the transit authority rejected that argument... now, opponents say they'll fight it in court.
0:53	5/25/12	11:05p	transportation	and... switching now the big holiday weekend... which is now officially underway! at lax tonight... they say that before the memorial day weekend ends on monday... more than 760-thousand passengers are expected to pass through the terminals. that may seem like a lot but it's actually... down...7 and a half percent... compared to last year. a problem that has everything to do with rising air fares. triple-a says an estimated 2.6-*million* people in southern california will be driving over the three day weekend on a trip of at least 50 miles. and... we're seeing a small break in gas prices this weekend. prices dropped today for the ninth straight day. triple-a says the average for regular in l-a county is now \$4.32 a gallon... and... slightly lower in orange county... 4-29.
0:18	5/28/12	11:09p	transportation	a southwest flight that left bob hope airport this afternoon for las vegas was forced to return to burbank... because passengers said they smelled smoke and heard an unusual noise.... coming from the back of the plane. no word on ...what the problem was.... the passengers were put on another plane to las vegas.
1:25	5/28/12	11:09p	transportation	in toronto.... an air canada jet... lost power in one of it's two engines after take-off... and at the same time... metal parts started raining down on cars at a gas station near the airport! the boeing built 777 - is designed to fly and land on just one of it's two engines.
1:24	5/29/12	11:03p	transportation	a flight risk that "slipped" right through tsal a man just released from a san diego jail... was able to board a plane bound for l-a... *without* a ticket.. there will be an investigation to determine how he got so far.. and why no one responded to the emergency door alarm.

<u>Length</u>	<u>Date</u>	<u>Time</u>	<u>Category</u>	<u>Story</u>
0:29	5/31/12	6:38a	transportation	Beverly hills subway lawsuit- putting metro underneath school
0:41	6/4/12	11:08p	transportation	there been a house cleaning of tsa agents at a major florida airport. five front-line security officers were fired and 38 others suspended at the fort myers international airport. the tsa says they "violated safety procedures." according to nbc news... tduring a two month period last year... several t-s-a employees at southwest florida airport... chose not to conduct random checks. luggage was screened... but more in-depth random searches were not done. the transportation security administration contends safety was never compromised... but those random searches are supposed to be done... as a critical part of protecting the public.
2:07	6/8/12	11:00p	transportation	fire stops traffic on the 5- Fire along the free way 7 hour shutdown.
0:26	6/8/12	11:14p	transportation	Gay Pride festival this weekend, road closures
0:18	6/12/12	11:22p	transportation	another big sale by "southwest airlines". it's offering some round-trip flights for less than '100' bucks. these fares are for certain flights... from august to november. they start at '49' dollars each way... on flights of '500' miles or less. but... you've got to act quickly... the sale runs through thursday.
0:34	6/12/12	11:22p	transportation	instead of flying in 'cramped coach'... one airline has an alternative. singapore airlines is now offering luxury suites on some of its aircraft.... but they don't come cheap. the private cabins have sliding doors... seats that turn into beds... and you can watch a 23-inch tv. passengers even have their own air hostess to wait on them... all this luxury comes with a hefty price... a suite on a round trip flight from new york to singapore will set you back nearly 16-thousand dollars per person.
0:17	6/20/12	11:08p	transportation	on 'the westside'... your commute just got a bit easier... the "metro expo line"... just added two 'new' stops today. it's all part of the metro's 'multi' million dollar expansion project. the new "culver city" stop... is near "washington" and "national" boulevards. the second station is on "farmdale avenue"... near "dorsey high school."
0:19	6/20/12	11:08p	transportation	l-a-x is getting free wi-fi! the "l-a city council" voted today to go ahead with the plan. "advanced wireless group" will be the wi-fi host. the miami-based company runs a similar wi-fi set up.... at s.f.o....san francisco international airport. the new service at l-a-x starts... july 16-th.
0:47	6/21/12	11:06p	transportation	crews are beginning to close... the "westbound wilshire" on-ramp... to the "northbound 405"... and the "northbound 405" off-ramp... to "westbound wilshire." alex calder's pulling night duty... live in newschopper 4... alex... how goes it?
0:15	6/21/12	11:10p	transportation	the "f-a-a" is investigating... why two tires blew... on this "alaska airlines" plane... that landed at "orange county's"... "john wayne airport." it happened this afternoon. the plane was 'already' safely on the ground... when 'air traffic controllers' noticed the flat tires.
2:30	6/22/12	11:05p	transportation	it's here. the big "ramp-jam" or ramp sure... what ever you call it...it's now underway on the 405! it all started... about an hour ago! two major ramps connecting wilshire to the 405 are closed right now... and this is just the beginning. nbc4's john cadiz klemack is live in westwood.... john...

## Program Index
