

Quarterly Issues/Programs

WOBM, Lakewood Township, NJ

WOBM airs traffic reports three times an hour, Monday-Friday from 6 AM to 9 AM and 4 PM to 7 PM.

WOBM airs continuously-updated weather reports once an hour, nearly every hour of the week. These reports are updated by our in-house Townsquare Media New Jersey meteorologist as well as our content partners at The Weather Channel.

WOBM airs local newscasts at various times throughout the day, seven days a week. These newscasts are produced in-house by our Townsquare Media New Jersey news team, and a list containing some of the stories covered is attached.

Every Sunday from 7-11 AM, WOBM airs "Topic A". This long running, live program encourages listener call-ins to discuss the issues affecting Monmouth and Ocean counties.

WOBM aired a Community Calendar feature at the times listed in the attached log. A list of some of the items promoted in Townsquare Media Monmouth-Ocean's Community Calendar features this quarter is attached.

As part of our focus on highlighting events in the local communities we serve, WOBM is proud to provide promotional support to various events, both on and off the air. Attached is a list containing further details on some of the events Townsquare Media Monmouth-Ocean was involved with this quarter.
