

Public Affairs, Community Needs and Assessment

1st Quarter 2016

1. Community Outreach

2. Addiction

3. Children in Need

4. Agriculture

5. High School Fundraising

1. The Keys Baptist church hosts a clothing exchange twice a year. We as a station were happy to be involved with the promotion of the event, which helps families by giving out free clothing.

2. Rise: Center for recovery is a newly opened center for addiction rehabilitation that specializes in problem gambling. Lakes Country Radio has been instrumental in spreading the word through on-air interviews and The Community Chat program.

3. Lakes Country Radio was honored to be involved with Oklahoma DHS once again. The annual Hero Dash 5k and fun run was held in early April. The station held many on air interviews with the organization and even did a 2 hour live remote at the event itself. We were able to spread awareness and help raise money for the organization and those children in need right here in Cherokee County.

4. Roger Williams from the Oklahoma State Extension Office continued to let local farmers about the farming condition here in our area. He hosts the weekly Farm and Home Reprt Program that airs on both KEOK and KTLQ This was especially important the past few months because of the lack of cold winter.
