WEBN-FM  
Quarterly Issues/Programs List Issues

**STATION** provides its listeners with programming and public service announcements that address issues of concern to our local audience. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Crime/Public Safety-this issue included : controversy over camera issued speeding tickets

Government-this issue included : a vote to repeal the property tax rollback in Hamilton County

Economy/Economic Development-this issue included : efforts to fund a bridge replacement

Education-this issue included : a program to teach young girls the importance of exercise

Community-this issue included: People Working Cooperatively opens a new showroom

Arts-this issue included : a new exhibit opens at the National Underground Railroad Freedom Center

Charity-this issue included : the 9th annual tribute USO benefiting the troops and their families

Election-this issue included: results on state and city issues in the November election

**Programs Section I**

Section I lists regularly scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
