

COMMERCIAL LIMITS CERTIFICATION

For the time period 3Q 2017- 4Q 2018, WCAX aired only limited programming targeted to children 12 years of age and under. WCAX did not permit any local commercial inserts into children's programming during this time period and thus relied upon the network certifications as to compliance with commercial limits.

WCAX only aired children's programming targeted to children 13 years of age or older between 2019 - 2022.

To avoid any confusion, Gray Television Licensee, LLC hereby certifies that, after due review of internal station records and documentation provided to us by program suppliers, all programming targeted for children 12 years of age and under aired on WCAX during 3Q 2017 fully complied with the FCC's commercial limits in children's programs, as specified at 47 CFR Section 73.670.
