Mark Levin 2022 MRC Script #1 (CensorTrack)

VOICED ad to start airing the week of April 11, 2022

Every time you turn around, we're hearing about another conservative being censored on social media. The Big Tech tyrants have been methodically silencing conservatives for years. There are literally thousands of examples. And virtually NO examples of left-wing radicals being censored.

That's why the Media Research Center started FREE SPEECH AMERICA, to fight back against the censorship at Facebook, Google, Twitter, YouTube, and the rest of them. And they built a database called CENSORTRACK to document censorship every time it happens. You can learn all about it at **CENSORTRACK.ORG**.

The MRC investigates every claim of censorship, and if it's legitimate, it goes into the CENSORTRACK database. They have over three thousand examples and it's growing every day.

The threat to free speech posed by these oligarchs in Silicon Valley cannot be overstated. You talk about threats to democracy ... THIS is a threat to democracy! Go to **CENSORTRACK.ORG** right now to learn more about this important issue. That's **CENSORTRACK.ORG**. Paid for by the Media Research Center.
