RE: Exemption From Annual Regulatory Fees
Eastern Television Corporation.

Dear Sir or Madam:

Eastern Television Corporation ("ETC"), owner of full power station WRUA-34, is incorporated under the laws of the Commonwealth of Puerto Rico as a non for profit institution. For that reason is exempt from the regulatory fees.

In establishing the regulatory fee program, Congress provided an exemption from the fee requirement for nonprofit entities. 47 U.S.C. s 159 (h). In reconsidering the rules implementing the fee program, implementation of the Section 9 of the Communications Act, FCC 95-257, released of the Rules, 47 C.F.R. s 1.1162 (c), to exempt from regulatory fees: "...an organization duly qualifcated as a nonprofit, tax exempt entity...or an entity with current certification as a nonprofit corporation or other entity by a state or other governmental authority."

Therefore, ETC respectfully confirm its exemption from the regulatory fee requirement this year.

Cordially,

Canuelo Morales Rivera
President
