## **Program Tool Kit**

### **October 2019**

#### **FamilyLife Today Daily Program Titles and Scripted Promos**

**Series: (A) Typical Woman**

**Tuesday, October 1 — Using Your Gifting**

Abigail Dodds says that despite the culture's depiction of women as warriors, women's bodies were made to do something very different. Dodds explains that just because a woman is created differently than a man doesn't make her inferior. A woman's fragility, like a crystal chandelier, only increases her value. That's, on the next FAMILYLIFE TODAY.

**Wednesday, October 2 — What About Single Women?**

On FAMILYLIFE TODAY, Abigail Dodds teaches on the beauty of God's good design regarding gender. Women, Dodds explains, are absolutely just as fearless as men, but their physical reality naturally makes them nurturers. If women are created to bear life, then what about single women?

**Series: Self-Control and Blended Families**

**Thursday, October 3 —The Importance of Self-control**

On FAMILYLIFE TODAY, Rob Bugh talks about the importance of self-control in blended families. Self-control is overcoming sinful passions, and is not optional for believers. Bugh tells about how a lack of self-control caused great regret in the early years of his new marriage.

**Friday, October 4 —The Source of Self-Control**
