10/7/2022	Columbus Metropolitan Club- Misinformation: Does the First Amendment Need An Update?	60	8:30 PM	22.6	The current state of the media threatens our democracy. Partisan cable networks, on-line conspiracy theorists, and algorithm driven social media echo chambers spread misinformation and hate. Americans struggle to discern "news" from opinion that's marketed as news but is really entertainment. Can truth in media be regulated? The first amendment protects our freedom to say virtually anything with very few restrictions. But when that freedom is abused, do we need new rules? Featuring Andrew Alexander, Scripps Howard Visiting Professional, Ohio University, David Stebenne, Ph.D., Professor of History and Law, The Ohio State University, and Eddith Dashiell, Ph.D., Professor and Director, E. 10/14/2022	Columbus Metropolitan Club- Franklinton: Floodwall to Future	60	8:30 PM	22.6	In 1795, the Commonwealth of Virginia employed Lucas Sullivant to survey the Central Ohio portion of the Virginia Military District. Sullivant surveyed the western side of the Scioto River at the confluence of the Olentangy and Scioto Rivers. This area became known as Franklinton and is today the oldest part of Columbus. Franklinton's mix of residential streets and former industrial areas is now home to five parks, art galleries and event spaces, and some 36,000 residents. The current resurgence of Franklinton was made possible by the 2004 completion of the Franklinton Floodwall, a seven-mile-long barrier which has helped Franklinton reinvent itself. With a panel of key neighborhood stakeholders, we unpack what's happening today in a resurgent Franklinton. Featuring Johnny Riddle, Executive Director, Franklinton Arts District, Trent Smith, Executive Director, The Franklinton Board of Trade, Kim M. Campbell, Ph.D., Director of Admissions and Recruitment, Mount Carmel College of Nursing, and Jeffrey J. The new Downtown Columbus Strategic Plan, created with help from nearly 2,000 community members who attended workshops and responded to surveys, also outlines a vision for a downtown that's more livable, friendlier to pedestrians, and reduces surface parking. The plan, created by the Downtown Commission, calls for more trees, protected bike lanes, more public art, and at least 120,000 people working downtown within 18 years.
