TEXT OF BROADCAST

On January 25, 2013 (date of the last renewal grant), KNEO (station's call letters) was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until February 1, 2021. Our license will expire on February 1, 2021. We filed an application for license renewal with the FCC. A copy of this application is available for inspection at www.fcc.gov. It contains information concerning the station's performance over the last 8 years (period of time covered by the application, e.g. 8 years).

Individuals who wish to advise the FCC of facts relating to our renewal application, and to whether this station has operated in the public interest, should file comments and petitions with the FCC by January 2, 2021 (date, first day of the full calendar month prior to the month of license expiration).

Further information concerning the FCC's broadcast license renewal process is available at 10827 Hwy 86 E, Neosho, MO 64850 (address of the location of the station) or may be obtained from the FCC, Washington, D.C. 20554, www.fcc.gov.
