Internal Comments: *The pattern for each station is the same, 1x per hour in each of the specified order lines. Ultimately Robert wants to be on 1x each hour 24 hrs a day for 30 days. He did however express that within each time frame, if we are unable to place 1x per hr, having 2x in an hour is fine. and there is no seperation requests. However moving a spot from a 6a-7p to a later time frame is Not an option. THIS IS NET DIRECT-*
