Quarterly Programming Statement for the period of
July 1st - September 20th 2023
Third Quarter, 2023

91.5 WSDH-FM is a non-commercial educational radio station located at Sandwich High School in Sandwich, Massachusetts. With the conclusion of the 2022-2023 school year, and with students yet to begin live on-air broadcasts for the 2023-2024 school year, we have been solely simulcasting 90.7 WKKL during this quarter when we were briefly on-air, and thus replaying any PSAs that they aired, which served to benefit the same general community of listeners. In addition, since June 16th of 2023, our station has been licensed and silent with an STA that was granted due to our antenna being taken off the roof of the building where it is located so that roof work can be completed. This work has not yet been finished and so we still remain silent at this time. Once the roof work is complete and we resume normal operations, we anticipate continuing with our own PSA and public issues and programs content.
