FCC ISSUES AND PROGRAM LIST (April through June, 2017)

Program Descriptions

CBM Today

Local Pastors discuss a variety of issues facing our communities on a daily basis. Instruction is offered from a Biblical basis to address far reaching problems such as divorce, family finance, discipline of children, education, teen pregnancy, drug abuse, and how to pursue healthy lifestyles.

Beverly Exercise

This daily exercise program is hosted by Beverly Chesser who provides much needed information on how to avoid weight gain and how to stay in shape. She also deals with self esteem issues related to the problem of maintaining a healthy weight. Beverly discusses current trends and health information coming from research data generated by various studies in the country.

CBN Newswatch

Newswatch is a daily newscast produced by the Christian Broadcasting Network and hosted by Wendy Griffith and Lee Webb. World and national news is covered including segments on many vital issues affecting viewers in our audience. Crime, drug abuse, education, teen problems, and entertainment issues are covered regularly. Breaking news on issues that are thrust into prominence is an essential element of this excellent news program.

Joyce Meyer

Nationally known speaker and author Joyce Meyer speaks daily to the needs associated with building strong relationships at home, at work, and through-out the community. Her down to earth instruction provides a wealth of insight on how to be a better person, a better employee, and a more productive part of society in general. Her teaching assists viewers with the development of character that can deal with the many challenges of life. This program makes a contribution to the emotional well-being of the viewer with daily encouragement to "Enjoy Everyday Life."

CBM Worship

The Wednesday edition of this weekly telecast on occasion addresses local issues of concern in the greater Sandusky area. This program is hosted by Pastor Rusty Yost a local minister of the gospel who has served the community for well over 30 years.

Life Matters

This local production features hosts and guests from area crisis pregnancy centers located in Erie, Ottawa, Huron, and Sandusky counties. A wide range of issues facing women are discussed.

Life is Best

Life is Best is a 13 episode program that exposes the abortion industry and demonstrates ways Christians can confidently engage in Pro-Life conversations. The program focuses on three objectives: saving the unborn, saving souls and putting abortion clinics out of business.

Christian Issues for Today

New Life Full Gospel Ministries presents Christian Issues for Today. Host Wayne Fitzpatrick discusses issues facing Christians in a comprehensive theological talk format with a panel of Pastors and Ministers who will give a detail explanation of the Word of God.

Liberty University Convocation

This weekly convocation features national speakers addressing a wide range of issues facing our community and the nation. From Presidential candidates and other government officials to leaders in entertainment and industry this hour consistently provides insight and inspiration for viewers across our audience.

Game On

This weekly program features news from the world of sport with a spotlight on issues facing college age students and their families.

In Ohio Country

A weekly program speaking to issues facing the Ohio farmer and their families.

Aspiring Women

Aspiring Women is an Emmy award winning original program from the Total Living Network that features captivating stories, honest talk and practical insights on the common, challenging issues women face. Through on location features, dramatic storytelling and lively interviews, Aspiring Women gives viewers something to think about, talk about and share with others.

The Hal Lindsey Report

The Hal Lindsey Report is a weekly half-hour news and commentary series. It is hosted by popular Bible prophecy teacher Hal Lindsey, author of the book The Late Great Planet Earth. This informative program covers current events and national and international issues from a Biblical and prophecy-based perspective.

Faith, Freedom, and Our Future showcases what the miraculous Presidential election means to people of faith and where we go from here in serving the need of the Christian community. A complete 180 degree perspective shift is now possible. The backdrop was the Faith, Freedom, and Future Inaugural Ball where many dignitaries were asked to convey their thoughts on our future. Tony Perkins cast a vision for what every Christian can do in the first 100 days of the Trump presidency and take a look at the key parts of the Republican Platform that Tony was instrumental in writing.

Liberty University Convocation

**Saturdays 6:00pm
Tuesdays 10:00am**

Liberty University's Convocation is the assembling of over 13,000 students and staff attending Liberty University. This program is not a chapel service that allows us to view Convocation as a platform for an artist, a pulpit for a guest pastor or theologian and a podium for a scientist or politician. Convocation plays host to more than 80 guests of national significance from every sphere of society. Renowned voices such as John Piper, Beth Moore, Ted Cruz, Louie Giglio, Ted Kennedy, Donald Trump, Ben Watson, Ronald Reagan, Jesse Jackson, Chris Tomlin, Tim Tebow, Sean Hannity, Matt Chandler and many others have used Convocation as an opportunity to speak to a generation of future leaders.

**Game On
Saturdays 1:00pm**

"Game On" from Liberty University is a 30 minute weekly sports program that covers collegiate sports, offers feature stories and profiles the athletes and coaches at the heart of the action. The show regularly features special guests such as notable athletes and coaches from across the sports spectrum, as well as commentary from LFSN guest analysis. Digging deeper in the important issues facing college and professional athletics, "Game On" provides a spiritual point of view that reminds viewers not only what matters most in sports, but also what matters most in life.

**In Ohio Country
Saturdays 5:30am**

Award winning television show featuring the Ohio farmer and showcasing agricultural life and business in the Buckeye state. The show is hosted by Dan Wilson, Gary Jackson and Alan Davis.

***Over 250 half-hour shows aired during this quarter that dealt with a wide range of issues confronting most of the communities in our viewing area.**

811/Call Before You Dig

:30

Digging and operating heavy equipment on farms and ranches across the country can cause damage to underground pipelines and utility lines. These pipeline strikes by those digging and operating equipment can cause serious injury, including burns, asphyxiation, and electrocution. POAS is offering farmers and ranchers a variety of free resources to help keep them safe and to avoid costly damage and service outages that may affect their local communities. These resources and other information are available at PipelineAwareness.org/Ag.

Asthma Prevention-Fish

:30, :15

Seven million children in the United States are diagnosed with asthma; that means one in every 10 children is afflicted with this disease. Since 1980 the number of people with asthma has more than doubled with a disproportionately high impact among the nation's children, minorities and low-income groups. This is an epidemic. Asthma is the leading cause of school absenteeism, forcing children to miss more than 10.5 million days of school per year. The goal of this campaign is to get parents to manage their children's asthma on a consistent daily basis in order to prevent serious attacks from occurring.

The Vietnam Veterans Memorial Fund is a nonprofit organization that founded the Vietnam Veterans Memorial and continues to lead the way in paying tribute to our nation's Vietnam veterans and their families. This year marks the 35th Anniversary of the Vietnam Veterans Memorial-The Wall-in Washington D.C. Even with 5.6 million annual visitors, there is still a lot of work to do to ensure that current and future generations understand the service and sacrifice of those who came before them.
