Apostle J. K. Rodgers, Pastor Luvirt Parker, Overseer Renea Collins, Pastor Ronald Turner, Jr., Bishop Demitius Davenport. Is it okay to send my kids to public school? I would say, not only is it not wrong to send your kid to public school because it is the responsibility of the parent to raise their children in the Lord. Not only is it not wrong, for some families, I encourage them to send their kids to public school. Because they need that representation in public schools.

Pastor Timothy Walker, Pastor James Friedman, Pastor Timothy A. Roeser, Pastor Ricky Holmes, Pastor Nancy Galambos. Is it a sin on the person who participates in someone's execution? This is regarding capital punishment and our justice system. There's nothing sinful about the situation. It's all ordained of God, and we need to understand that so, you know, I wouldn't necessarily participate in that but I wouldn't have a problem if I was asked to participate.

Dr. Faron Cole Faron Cole, Pastor Timothy A. Roeser, Pastor David Hughes II, Dr. Kathleen Wuopio, Apostle Jonathan Richardson. Is cremation okay? We need to understand that cremation is something that is really not covered by the Lord and it doesn't matter how you die. You'll find that the traditions of society handle cremation differently and therefore, you know, you think the Lord has to account for that because men have died at sea, eaten by sharks, or whatever. There're men that have been burned at the stake. Wonderful men. Like John Wickliffe. So just to let you know cremation is acceptable at least in the scriptures that I see.

Pastor Eugene Norris, Pastor Samuel Vicente, Pastor Joseph Colini, Pastor James Friedman, Bishop Demitrius Davenport. What does the Bible say about getting over the loss of a loved one? What I could do is I can give you some scriptures to comfort you in this season of your life. Let me give you a Psalm 73:26. It says this, it says my health may fail and my spirit may grow weak, but God remains the strength of my heart. He is mine forever.

Dr. Faron Cole, Pastor Timothy A. Roeser, Pastor David Hughes II, Dr. Kathleen Wuopio, Apostle Jonathan Richardson. What does the Bible say about feeling comfort by the presence of a loved one who has passed away? Well, the Bible teaches that if a loved one passed away, there's comfort in knowing that you will see them again. Even as in 1st Thessalonians, chapter 4, we see talks about the rapture of the church and in that he says that we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air. And so, we shall ever be with the Lord, wherefore comfort one another with these words. So, there's a great comfort in knowing that you're going to one day see your loved one.

Pastor Brandon Hollis, Pastor Tim Schulte, Pastor Mark Galambos, Pastor Jeff Haygood, Pastor Melvin Steed. What scripture is appropriate to share with someone who is dying? One of my go-to verses that offers reassurance to that and comfort is John 4:14. Let not your heart be troubled. Believe in God, believe also in me. In my father's house there are many rooms. I go to tell you I prepare a place for you. If I go to prepare a place for you. I'll come and take you there myself that where I am, you may be also and you know where I'm going. Those are great words of encouragement and something that every believer can be reassured of their salvation and their eternal destiny with Jesus.

Pastor Samuel Vicente, Pastor Tim Neal, Bishop Samuel Hampton II, Pastor Mark Galambos, Dr. Melvin Steed. If someone is suffering from deep depression due to the passing of a spouse and is contemplating suicide, will they go to Heaven? We have to deal with this by faith. The word of God can break this depression. The loved one has moved on, but your perspective has to be rejoicing that this one you loved is now in the arms of the Lord. Regarding suicide, God is the only one that knows the heart of the individual. But God loves you and wants to help you.

Pastor Timothy Walker, Pastor Ricky Holmes, Pastor Mark Galambos, Pastor Ronald Turner, Pastor Joe Spence. What is a church? By definition, it means a gathering of individuals. When the Bible references it, it means the Christian church which is the body of Jesus Christ. The church could consist of 2 people or a multitude, the numbers are not important. What is important is that we recognize the church is held dear to the heart of God. God purchased the church with his own blood.

Dr. Faron Cole, Dr. Kathaleen Wuopio, Pastor Tim Neal, Pastor Timothy A. Roeser, Pastor David Hughes II. Do Christians have to follow the laws of the Old Testament? We need to understand the law is righteousness and it is true and it is holy. We are not under the law because the law has been fulfilled by Jesus Christ. We are supposed to follow these patterns for our lives so we can be a blessing unto the Lord. What the law commands, grace demands.

His spiritual renewal was the one thing that carried him through the years of injustice. During his time behind bars the Lord took the anger out of my heart but it required surrender on my part. It required me handing that over to the Lord and then he took it from me.
