

**ALPHA MEDIA – SAN ANTONIO**

**Issues and Programs Report for:**

**KLEY – FM**

**3rd Quarter of 2023**

**July 1, 2023 through September 30th, 2023**

The station airs a weekly program called San Antonio Solutions. Each week, local guests are invited to the show to discuss an issue of interest to our community. During this quarter, we addressed the following issues:

Date	Time	Duration	Guest
07/02/23	06:00AM	10:00	Priscilla Sanchez-Silva, Manager of Community Initiatives/Operations, Clarity Child Guidance Center

Issue: Clarity Child Guidance Center is the only nonprofit in South Texas providing a continuum of mental health care for children ages 3-17 and their families, to manage mental health conditions ranging from ADHD and anxiety to suicidal ideation, bipolar disorder and/or schizophrenia. Clarity offers a large spectrum of services to parents of children with mental health illnesses, from free parenting classes and advice on its website via blogs and podcasts, to day treatment to crisis services in its stand-alone hospital in its 8-acre campus in the medical center. Clarity has continued to expand intervention services through the walk-in model in its crisis services department, which is staffed with mental health professionals 24/7 to provide assessment and care for children in crisis. What is Claritycon? Who goes to Claritycon? Is it too late to register? Why is Claritycon needed? How were topics chosen? How do I register? Can I register at the door the first day?

07/02/23	06:10am	10:00	Brad Mayhar, Public Relations/Media Manager Salvation Army

Issue: July events and needs. Pro wrestling show benefitting our south side locations and programs-upcoming golf tournament, upcoming drives and campaigns. Summer heat preps and needs – cooling stations and canteen truck going to homeless passing out water. How can people volunteer at Salvation Army and what programs can people sign up for on website?

07/02/23	06:20am	10:00	Jessica Lizardo, Vice-President <u>Morgan's Wonderland</u>

Issue: Morgan's Wonderland and Morgan's Inspiration Island are open – and this year – with an extended schedule! We often think of Morgan's Wonderland as a park specially designed for individuals with disabilities – but the truth is it's created for everyone – of all abilities! We know how brutal the Texas summer heat can be, and there's no place better to keep cool than Morgan's Inspiration Island. What all does it offer? You even have private cabanas for rental? What are the ticket options? You are offering something new this year – a summer of fun pass? Not only will you and your family and friends have an amazing time, by visiting and enjoying our parks, you are also supporting our mission of inclusion – creating places where people of all abilities can play together! We are a nonprofit and depend on the community's generosity to keep our door open, and continue to offer individuals with disabilities free admission to our parks

07/02/23	06:40am	10:00	Diana Hagee, Spokesperson Sanctuary of Hope

Issue: The Sanctuary of Hope's program seeks not only to offer single young mothers and their children an opportunity to develop basic living skills necessary to obtain independence as a healthy and productive adult; but also, to provide a Christ-centered perspective to its residents on day to day living so that a lifelong relationship with Christ may be established.

07/09/23	06:00am	10:00	Cathy Klumpp, Executive Director AugustHeart

Issue: After the loss of their son August, Dore and Bart Koontz struggled to make sense of his death. They have never heard of HCM and were shocked to learn August had it. In May 2011 Doré and Bart launched AugustHeart, a 501(c)(3) dedicated to providing free heart screenings to local teenagers. Since that time, AugustHeart has successfully implemented a community-wide effort involving a team of volunteers. These include board certified cardiologists, sonographers, technicians and area high school athletic programs through partnerships with Baptist Health System, Christus Santa Rosa Health System, Methodist Healthcare System, University Health System and UT Medicine San Antonio. Joined by the professional expertise and dedication of our partners, AugustHeart is committed to the prevention of tragic and unnecessary teen deaths caused by undiagnosed heart conditions. City Education Partners

Issue: Tell us about City Education Partners and what you do. We heard that there was the first-ever Male Teachers of Color Collaborative Convening. Can you tell us about the Collaborative and what the goals are? What are some other ways you are helping schools in our area? Can you share some ways parents can understand how well their students are doing using test score information? Are there any other events your organization is part of or is hosting in August the community can be a part of? Repeat

Children’s Bereavement Center of South Texas

Issue: Children’s Bereavement Center of South Texas was founded as a 501 (c)(3) non-profit organization dedicated to serving children affected by the loss of a loved one. As the demand for our services has continued to grow we have responded by adding, adapting, and enhancing our programs to fully meet the needs of children and families living with grief. As the sole provider of grief support programs for children through young adulthood in South Texas, we wholeheartedly devote ourselves to addressing the bereavement needs of children from every culture and social circumstance to help them heal and move forward. Our goal is to help children and their caregivers understand the depth of their grief, stabilize and preserve family relationships, and develop healthy coping skills after the death of a loved one.
